No. 2 **SUNDAY SCHOOL REPORT**

We regret were have not been able to have any training this year in Sunday School. This was due to the fact that it snowed on the week we were to have our ASSISTeam Training in Cary. However, if I can be of any help in your Sunday School, let me know. We hope to have a full team for training and we intend on having training available for you this coming year.

This year has been a good year for Vacation Bible School in our Association. When you are making your reports, please try to report the same number you report on your Church Profile. Our VBS reports showed we enrolled 3,125 this year.

The Church Profiles showed 3,007. We found 472 prospects through VBS this year. There were 16 professions of faiths reported. Our churches sent $2,816 through the Cooperative Program and $871 to other causes. There are four churches which have not reported a VBS for this year. If you had VBS, please send in your report.

Allow God to work through His Word to lead your church to become what it ought to be. Endeavor to Reach People for Bible Study, Teach the Bible, Witness to People About Christ and Lead Them into Church Membership, Minister to People in Need, Lead Members to Worship, and Interpret and Undergird the Work of the Church and Denomination.

Respectfully submitted,
Rev. Johnson Gupton, FRBA Sunday School dir.

No. 3 **WOMAN'S MISSIONARY UNION REPORT**

Most of you are familiar with the basic mandates of WMU - to learn missions, to pray for and give to missions, to do missions. A new mandate has recently been added - to develop spiritually toward a missions lifestyle. Over the past few years it has become increasingly apparent that this is to be a primary concern not only to the WMU but to the church as a whole. This will continue to be one of our major ongoing emphases.

As in previous years, the Baptist Men and Women have held a well-attended banquet. Our Acteens, GA's and Mission Friends leaders have conducted day camps and mission book studies. The WMU Leadership Team members have attended various conferences, workshops and seminars in an effort to learn all we could so that we could develop the missions lifestyles that will allow us to serve the Lord completely and to become all that He created us to be.

At our 87th Annual Spring Meeting, held last March at Florence Avenue Chr., Dr. Dudley Graves, missionary to Italy, spoke to us of the difficulties encountered in taking the Word into a world where people seem to be more and more indifferent to it. Virginia Tuck, who was recently awarded the N. C. State Mental Health Award as volunteer of the year for her work at John Umstead Hospital, and Paul Flores, pastor at Mision Bautista Hermandad, spoke to us of the needs here in our own area, where we, too, see indifference and apathy.But as long as there are some who continue to put hands and feet to the Word of God, there is still hope.

We are excited about the new format of the Annual WMU Meeting to held in March, 1997. This meeting will be our first Annual Celebration Event - an opportunity to celebrate the many positive ways the WMU organizations in our churches participate in a missions lifestyle. Many of us are not aware of the wonderful and unique activities taking place in our sister churches, so at our Celebration Event, we will seek the participation of each church's WMU organization in sharing the many missions opportunities available to us. Perhaps if we let the world see that a missions lifestyle is a celebration and not a deprivation, we can generate excitement and participation that is necessary to effectively spread the Word.

Our WMU theme for 1996-97 is "Hand in Hand". As we reach out our hands to each other, and to the world around us, the message of Jesus' love will be shared. And we will truly have cause for celebration.

Respectfully submitted,
Mrs. Mary Strickland, FRBA WMU dir.

No. 4 **BROTHERHOOD REPORT**

As we close out another year of Brotherhood work, I want to thank each one who had a part in making it a success. The attendance at our RA events was not as high as we would like but the enthusiasm and competition were high. The boys put out a lot of effort to participate.

About 460 people enjoyed a good meal and program at the annual Baptist Men/Women Banquet in January held at Pleasant Grove Chr.

The RA Conclave scheduled for May was canceled because oflack of interest and re-scheduled for October 18-19.

Our goal though the years has been to have Brotherhood work in all 33 churches and the Hispanic Mission. That goal has not been reached but we still have hope. We had 22 churches with Brotherhood work in 1967 and 27 churches in 1994. That was our highest year. Enrollment reached 756 in 1995 in 26 churches.

Though attendance is down some, interest is still high and a lot of activities are going on. We had some men and women to go on work crews to Honduras and other places. Also crews have gone to disaster areas to help clean and repair damages. Some churches conducted a rest stop ministry on Interstate 85.

One of our greatest untapped resources is Baptist Men. The goal of Brotherhood is to train men and boys in doing missions. There are so many people that need help; we can always find something to do. As we go into the new year with new leadership, I hope we can get every church involved in Brotherhood. I hope you will support the new Brotherhood director as well as you have supported me these 25 years.

Thank you for allowing me to serve you as director these years. It has been a joy to work with each of you and it has been a blessing to me. The Lord has blessed us over the years and I pray He will continue to bless the work of Brotherhood. We give God the praise and glory for everything that has been accomplished.

Respectfully submitted,
George S. Gresham, FRBA Brotherhood dir.

No. 5 **N.C. BAPTIST RETIREMENT HOMES**

Most of us have heard the phrase, "The Graying of America." It refers to the fact that an increasing percentage of Americans are older adults. Persons sixty-five and older now constitute twelve percent of the population of the United States and it is estimated that by the year 2030,older adults will make up twenty percent of the population. Some estimates indicate that by the year 2030, there will be approximately 800,000 United States citizens who are 100 years and older.

All of us are grateful that advances in medical science have helped to prevent or to cure many of the health problems which formerly caused us to die younger. In recent years, our life expectancy has been greatly extended. Unfortunately, however, medical science has not been able to stop the aging process.

As we live longer, we are more subject to debilitating illness and injuries which may limit our ability to care for ourselves. As a consequence, there are today approximately six million Americans sixty-five years old and older who require some assistance with one or more of their activities of daily living. We are told to "Honor your father and your mother that your days may be long on the land which the Lord, your God, gives you." (Exodus 20:12 & Ephesians 6:1-3).

We can see that the need for our monetary gifts will not decrease, but will increase with time. Let us not grow weary, let us as North Carolina Baptists continue to give that cup of cold water in "Jesus Name". "Making life for older adults the best of times." Thank you for caring.

Respectfully submitted,
Annie L. Herman

No. 6 **PERSONNEL COMMITTEE REPORT**

Our Association,after twenty-two years of service by Rev. Bob Wainwright, was given the important task of calling a new director of missions. This has been a challenging year for our Association and the Personnel Committee. At the retirement of Rev. Wainwright, the Executive Committee and General Board of the Association asked the Personnel Committee, then serving, to act as the Director of Missions Search Committee.

The personnel of our Association, Gerald Rene Frazier, secretary; Virginia Tuck, CCM director; and Paul Flores, Hispanic pastor, helped our interim period a good transition. We particularly appreciate the sacrificial effort given by those of our office staff and associational leadership during our interim period.

Our Association was blessed to secure Rev. Jim Lambert, former Minister's Support Director at the Baptist State Convention of N. C. He served as interim director of missions for nine months in a most effective manner. He brridged the past to the future by his fruitful and productive ministry while in our Association.

The DOM Search Committee, after searching prayerfully and diligently, recommended Dr. Paul B. Johnson to our Association during a called Executive Committee meeting in June. He was accepted by unanaminous vote by all representatives present. We appreciate the fine work of the DOM Search Committee and the countless hours spent in seeking the right man for our Association

Our Association looks forward with great anticipation the years ahead in serving together with Dr. Johnson. With his leadership and cooperative spirit, our Association can accomplish great things.

Respectfully submitted,
Dr. Randy C. Bridges
Chairman, Personnel Committee

No. 7 **FOREIGN MISSIONS REPORT**

In 1995, many missionaries began to concentrate their efforts on The Last Frontier (World A). This title applies to more than 2,000 distinct ethnolinguistic groups who have simply never enjoyed the opportunity to even hear the good news of Jesus Christ. Last year, 367 churches were strate-

gically planted among the people considered inaccessible to traditional mission work; and Southern Baptist representatives began ministry among 41 new people groups.

Today, the Foreign Mission Board receives 50 percent of the Cooperative Program funds that reach the convention. These funds finance our missionary work in more than 130 countries worldwide. The total dollar amount received through the Cooperative Program provides more financial support to foreign missions than any other source except the Lottie Moon Christmas Offering. Without the Lottie Moon offering, virtually one-half of the total work of the Foreign Mission Board would not exist. This offering continues to be the lifeblood of our missionary work. One hundred percent of the Lottie Moon Christmas Offering is used in the overseas budget for missionary support, operating expenses and capital needs. An average of 19 percent of Cooperative Program funds sent by local churches to their state convention reaches the Foreign Mission Board. Giving to both the Cooperative Program and the Lottie Moon Offering has increased each of the last three years.

Jerry Rankin, president of the Foreign Mission Board, states, "Through the prayers of His people, through your sacrificial giving to the Cooperative Program and the Lottie Moon Christmas Offering, and through a multitude of volunteers working alongside our missionaries, God is bringing the people of the world to saving faith in Jesus Christ."

Respectfully submitted,
Jannie H. Preddy

No. 9 **DAMASCUS HOME REPORT**

Upon receiving Ed Goff's resignation, effective October 1, 1996, the Board of Directors of Damascus Home called Darell Bridgewater to be our new director. Darell is a former client of Damascus Home and the Board feels that the Lord prepared Darell for this task.

This coming March 1997, Damascus Home will have been open three years. To date we have had 22 mem come to the Home. These men came from many different locations; North Carolina, South Carolina, Georgia, Texas, Florida, Virginia, Alabama, Tennessee, and Kentucky.

At present we have five men in the Home and are holding a bed for a young man at Bethel Colony who will finish the program in three weeks. We also have one man on a waiting list who will finish Bethel Colony in 30 days whom we will take if space is available.

Our ministry at Damascus Home since opening, has touched the lives of many. We have worked with 69 families to date and have placed 41 of those families' loved ones in programs.

This past year we have received funds from 29 of our churches in the Association. We have also received funds from two churches outside our Association. There have been 21 individuals or families who have given donations to our Home. All these totaling $21,513.27.

Please be in prayer for our Home as we strive to assist these men to have a closer relationship with Jesus Christ, which we know,is the answer to helping them live a victorious life.

If you should ever have any questions about the Home or its program, contact any member of the Board of the Director.

We have compiled the accompanying Statements of Cash Receipts and Disbursements of the General Fund, Designated Funds, Edwards Funds, CCM/WMU Funds, and the Damascus Home Funds of the Flat River Baptist Association (a non-profit organization) for the years ended September 30, 1996 and 1995, in accordance with Statements on Standards for Accounting and Review Services issued by the American Institute of Certified Public Accountants.

A compilation is limited to presenting in the form of financial statements information that is the representation of management. We have not audited or reviewed the accompanying statements of Cash Receipts and Disbursements and accordingly, do not express an opinion or any other form of assurance on them.

Management has elected to omit substantially all of the disclosures ordinarily included in financial statements prepared on the cash basis of accounting. If the omitted disclosures were included in the financial statements, they might influence the user's conclusions about the Associations's cash receipts and disbursements. Accordingly, these financial statements are not designed for those who are not informed about such matters.

No. 12 **THE 1996-97 BUDGET PROMOTION**

We appreciate the financial support that the Associatic received from the churches in 1995-96. We tried to keep the 1996-1997 budget at a level that would not cause a financial burden to any member of the Association and at the same time would not put restrictions on the programs, ministries and services offered by the association. The budget for 1996-97 reflects an increase of $3,480.00 or a 3.38% increase over the 1995-96 budget.

We encourage all of the churches to be in prayer about increasing their financial contributions to support the 199(97 budget and please take advantage of all that our associa- tion has to offer.

I would like to thank all of those that have been in prayer and have worked long and hard on the 1996-97 budget. Other members of the Finance Committee are: Tommy Averette, Lois Vaughan, Diane Land, David Mangum and Ronald Bennett.

Respectfully submitted,
Eddie Stallings, Chairman

No. 16 **SINGLE ADULT REPORT**

We have ministered to many single adults again this year. Our normal attendance numbers have remained about the same. We feel that it is very important that we minister to the diverse needs of the singles in a Christian ministry.

This is a great support group --there is a special closeness among those who attend. We provide a great opportunity for singles to fellowship on a regular basis with other singles.

We continue to meet the first Tuesday of each month for a pot-luck supper with a guest speaker. The remaining Tuesday nights will find us at the associational office for Bible study. We also provide a newsletter for many singles to keep everyone informed about our opportunities. We do many things for fellowship ---movies, eating out, plays, parades, etc. We also take several one-day trips during the year.

We appreciate your support and prayers. We continue to need your support and prayers. It is predicted by the year 2000 that 50% of the population of the United States will be single. Therefore, there will be many opportunities for this ministry.

Betty Baynes

THE 1996 FRBA YOUTH MISSION TEAM REPORT

The 1996 Youth Mission Team of eleven youths and two ult chaperones represented our Lord and our Association ll. The team members included: Lyn Bailey, Ginger lington, Renee McGarr of Concord Chr.; Jill Vaughan and y and Susan Vestal of Grassy Creek Chr.; Chris Hudson and mmy Overton of Mountain Creek Chr.; Wendy Johnson and elly Satterwhite of Providence Chr.; Zach Long from Stovall r.; Melissa Currin and Danielle Hart of Tabbs Creek Chr.

On March 17, 1996, the call went out to the churches of e Association requesting candidates for membership in the nal Youth Mission Team to travel to London Village Church, gnolia, Delaware. On May 6, the above listed team had been lected and was holding its first of the several training ssions. The team was treated to a pizza dinner at the cond training session as we had our first opportunity to y traveling in the van.

After completing approximately twenty-four hours of aining,and countless hours of preparation at home, we began r first task by holding the four-day VBS at the Masonic me (July 22-25). Over 100 children and youth participated. ny thanks are due to the efforts of Rev. Sherri Moore, aplain, and other members of the staff of the Masonic Home r their help in the successful completion of this VBS. so, the team thanks those wonderful members of the several urches who provided the refreshments for this large group VBS'ers.

One final training session was held the next Thursday th all the team members and their parents participating. e trip itinerary and code of conduct were explained and reed to by all present.

At 8:00 AM, Sunday morning, August 4, 1996, the team met Tabbs Creek Chr. for a Dedication Worship Service and send f to Delaware. We arrived in Dover, DE at 5:00 PM with jor brake problems on the van. The members of London llage Chr. came to the motel to give us a ride to the urch for a hot dog supper and the beginning of their VBS. r team assisted with all the classes of their London llage's VBS very capably and successfully. After the Sun- y session, we were taken back to our motel in Dover. Some- ne after midnight, the van received a brake job by the forts of several of the men of London Village, one of whom nt to his auto parts store in Maryland to get the parts. We

had "wheels" again. The team is indebted to those faithful London Village Baptist men who so cheerfully fixed our brak as well as showing us how faithful Christians react to the needs of others.

Each of the next four mornings, the team held Backyard Bible Clubs in two locations near the chaurch using the *Adventure Zone* materials provided by the Baptist Sunday School Board. All in all, there were over 40 children and youth who participated in these events. On Thursday, one o the groups had a breakthrough as one of the boys made a decision for Christ. What a great way to end our efforts wi such a wonderful happening.

After the final VBS session on Thursday night, we returned to our rooms tired but full of joy in that there wer several more of the children and youth who accepted Christ that night during the last session of London Village's VBS.

Friday was spent in a relaxing day of visiting Rehobet Beach, DE. The team enjoyed the time at the beach and in t shopping outlets nearby. Returning to Tabbs Creek around 5: PM on Saturday, the team found parents and friends waiting we said our good-byes to each other. Each of us came back a different person than the one who signed on in May.

Each member of the 1996 Flat River Baptist Association Youth Mission Team is thankful to each of the many persons and churches who helped provide this opportunity for such a wonderful experience in putting our faith into action. We thank you!

The 1997 Youth Mission Team is tentatively scheduled t help provide VBS at the Masonic Home July 14-17 with its mission trip on August 2-8, 1997.

Respectfully submitted,
Roy and Susan Vestal

No. 18 **EVANGELISM REPORT**

Thank you for the opportunity to serve on the Evangeli Committee of the Flat River Association. This past year we have offered a course on "How To Be An Effective Witness Fo Christ" and have taught it in several churches.

As many of you know we tried to have a Regional Evangelism Conference this past September. Unfortunately the after math of Hurricane Fran prevented us from having that conference. It appears we will now have to wait until next year to try and plan another Evangelism Conference.

The new "People Sharing Jesus" materials are available across North Carolina. We trust that the churches are taking advantage of this new material to reach others for Christ.

Read Matthew 18:18-20.

One day two parents were amazed to hear their five-year old daughter, Lindsey, telling her little friend about Jesus. The children were sitting on the front steps of the house,and the parents tiptoed up to the window to see and hear better.

Lindsey told her friend that if she believed in Jesus and prayed, he would forgive her sins and she would go to heaven. The little girl was convinced, and prayed.

When she was done praying, the little girl looked up at Lindsey and asked, "Will my mommy be in heaven?"

Lindsey thought for a moment and replied, "Yeah, if she believes in Jesus. But if you don't want her there, don't tell her about Jesus."

How will our friends, neighbors and the world hear the good news unless WE TELL THEM?

No. 19 **CHURCH AND COMMUNITY REPORT**

Jesus said, "Do it unto the least of these,you have done it unto Me." This year all the churches working together have made this scripture become a reality. More people have been helped than ever before. Now as we start a new year together, let's keep up the good work.

The Christmas ministries were a great success, we met the needs of 1,400 men, women and children. We have added the Central Orphanage and a Senior Adult low-income apartment house to our Christmas list. Birthday gifts for C.A. Dillon, Baby Cottage at the Masonic Home, Central Orphanage and senior adults are provided each month. Clothes, baby items and bookbags were collected for Honduras, and overnight bags were made for Central Orphanage. There were two Backyard Bible Clubs held this summer,one in Oxford and one in Butner.

We held an AIDS Awareness Conference, led by Jeanette Walters from the State WMU office. There was a panel of people that came, answered questions and everyone there said it really helped them to understand more than before. There was a need brought up for a ramp and a refrigerator, both were met.

The biggest blessing we had was when we went to John Umstead Hospital. The seven women that were killed on I-85

were from one wing, it left four women and they were having a hard time coping. Paul Johnson and five women went out and decorated the ward with bedspreads, valances, throw pillows, flower arrangements and stuffed animals. Until you get involved in missions you will never know the blessings you miss.

Thanks for all your prayers and support this last year.

No. 20 **HISPANIC MISSIONS COMMITTEE REPORT**

This has been a good year for work in the Hispanic mission. Mision Bautista Hermandad has seen growth in many areas of its ministry. Rev. Paul Flores still continues to serve as the pastor. There were 16 professions of faith last year and five of those have been baptized. Seven new members came into the mission. They continue to have worship services on Sunday; Bible study on Wednesday evening; and a Friday night home Bible study.

This summer we had three well-attended Hispanic Worker Days, with a time of worship, fellowship around a meal and recreation time. There are several volunteers from our Flat River churches that help with the Sunday School and worship services.

Several goals have been set for the coming year. Some of them are: conduct Sunday School teach training in November; begin new unions in the church for youth and Brotherhood and WMU groups; continue to develop stewardship with the goal to be self-supporting.

Thank you to all of the churches for your continued prayer and financial support. It is because of your love for your fellow man that this mission work is possible.

As you have heard from Brother Temple's report, we have had a good year and looking forward to the challenge in the coming year.

HONDURAS MISSION TEAM REPORT

In June of 1996, twenty-two people from the Flat River nd Cullom Associations were involved in hands-on mission ork in Tegucigalpa, Honduras. Thirteen were from Flat River nd nine were from Cullom. We were involved in several ministries. Our primary work was continued work on Sunday School lassrooms and school classrooms for Salem Baptist Church, an utreach that was started with the help of Southern Baptist issionaries Larry and Jean Elliott.

From the first prefab chapel that was built in 1990, it as grown to over 200 members and a Christian school of kinergarten to sixth grade with 240 students. They have their wn church. The ladies were involved reaching the unchurched y in-home visitation, crafts and arts ministry,hearing tests or the school students, cooking classes and other ways of eaching people. Bob Wainwright, our former DOM, was the eam leader.

The real joy is seeing how our brothers and sisters in hrist have grown in their Christian walk and become leaders n their native land. They have a real zeal for reaching hose who are lost. Through the church Christian school, they an reach into many homes that might not ordinarily be able o reach. There is an excitement in many of these developing ountries because the church is more and more able to go beond old boundaries and traditions and present the true essage of salvation in Jesus Christ. Where he is lifted up, eople will hear and be saved. Pray for our missionaries on he foreign fields and the national pastors and church eaders.

No. 25 **SENIOR ADULTS MINISTRY REPORT**

Senior adults make up a very big part of every church in the Flat River Association and what a delightful group to work with. This year has brought much joy and some heartaches also, praise be to our Heavenly Father for seeing us through them all.

Our November 16, 1995 meeting was held at Oxford Baptist Chr. There were 116 present, including three pastors and five visitors, with 21 churches represented. A wonderful program was presented by Greg Fishel from WRAL-TV, Raleigh.

The February 15, 1996 meeting was held at Delrayno Baptist Chr. There were 85 present, including six pastors and representing 13 churches. The program was provided by Maggie Jordan, nutrition spokesperson from Granville County and Ruth Mannich, fitness expert. We learned how to cook and also took exercises.

The May 16, 1996 meeting was held at Amis Chapel Baptist Chr. There were 78 present, including three pastors and three visitors, and representing 14 churches. Rev. Phyllis Mayo, chaplain at the Spring Moor Retirement Community in Raleigh, presented the program. Everyone enjoyed meeting in the newly remodeled fellowship hall.

Pleasant Grove Baptist Chr. hosted the August 15, 1996 meeting. There were 15 churches represented by 101 attending, which included five pastors and three visitors. The youth of

Pleasant Grove provided a puppet show and everyone had a good laugh. Dr. Paul Johnson, our new director of missions, and his wife, Vera, were introduced to the group and he gave brief comments.

Our associational senior adult choir has been on the road this year by making nine appearances. We sang in six churches, two nursing homes and at the Oxford Blooming Festival. There are ten churches represented in the choir with the current enrollment being 33. Marian Wilkerson, director, and Zena King, pianist, and choir members are doing a great job.

The group of 36 senior adults attending the Senior Adult Retreat at Caswell had a most enjoyable time.

No. 27 **REPORT OF THE PROPERTY COMMITTEE**

The FRBA Property Committee has overseen several activities pertaining to the upkeep of the associational office building and facilities to house the CCM ministry as well as the associational van and Hispanic van upkeep.

The director of missions office was painted and new curtains installed. The painting and putting up the new curtains were done by volunteers. The association paid for the paint and the curtains. We appreciate the help of volunteers.

The associational van, the 1994 Dodge, 15-passenger van, continues to give us good service. There were 58 church groups using this van during the year with a total of 12,665 miles. Eleven associational groups used the van for a total of 3,248 miles. Regular servicing was done throughout the year. The odometer reading on the associational van at the end of September was 64,961 and the van was used for approximately 16,000 miles.

The 1986 van, previously used by the Hispanic ministry, was declared unusable and was sold the first of July, 1996 for $600.00 with these funds being applied to the note on the 1994 van. Early last October, the Creedmoor First Baptist Chr. gave the association a 1986 Dodge van to be used in the Hispanic ministry. Some repairs were made to this van back in August and we attempt to have regular servicing on this van also.

Due to remodeling and renovations to be done at Oxford Baptist Chr., the CCM Hut building will be town down so new facilities for this ministry was found. A house on 208 E. Spring St. was offered as rent free for a year, utilities to be paid by the ministry, so we are waiting for proper documents to be drawn up and moving in to be done as soon as all business matters and remodeling are completed. You will be hearing more about this later and volunteer help for some remodeling and moving in will be needed.

There are several things that need to be done at the associational office building such as painting the front porch and foundation, re-coating the flat roof over the back porch and cleaning the gutters. We will be seeking out volunteers for these chores too.

Various repairs/upkeep were made at the Hispanic building. The awnings, torn down by the snow and ice, were replaced.

We are grateful to each volunteer who helps in any way to maintain our property.

No. 28 **THE 1995-96 MUSIC REPORT**

Church music is such a vital part of our worship today. There are many ways to express our love for the Lord through music. Many churches incorporate drama and music to give a clearer expression of the message they are trying to relay. I would encourage all music departments to focus on ways to minister through your music. Try new things in all areas, not just adults, but with youth and children. There are many retreats offered by the Southern Baptist to aid you in using new ideas.

Please remember the importance of copyright license for your churches. If you copy any music for the congregation, choirs, tape ministries or bulletins, by law you are required to have a copyright license.

A special thank you to the music departments of Mount Zion, Poplar Creek, Oxford Churches and to Dr. John Owens and the Minister's Choir for their generous help with the music for the annual meetings this year. It is always a joy to hear from the music programs of our sister churches.

If I can be of assistance to any of the music departments of the Association, please do not hesitate to call me. I thank God for the opportunity to serve as music director for our Association for another year.

No. 29 **STATE MISSIONS REPORT**

State Missions is the tool through which North Carolina churches can be involved in an "On-Hands" missions effort across our state. Along with receiving a State Missions Offe-

ng, each church is encouraged to evaluate their abilities d spiritual gifts and find ways they can be used to aid ssion efforts. One of the most demanding needs in 1996 was ean-up crews in the various environmental devastations ross our state in hurricanes, tornados and electrical orms. Several men and women from our Flat River churches re involved in these clean-up efforts.

Within our state, there are 81 Southern Baptist Associations. Programs in these associations receive money and adership from both the convention and the various churches.

The Flat River Association received approximately 10% taling $1,673.96 of the $16,739.79 collected for the State ssions Offering in 1995. There are 33 churches and one ssion in the Flat River Association and 23 of these ntributed.

Within our association, we had the following areas benetting from the 1995 State Missions' Offering...two boys to mp Caraway; 16 persons to church Brotherhood leadership aining; 12 boys to RA Congress; one NC WMU specialized rker; 10 persons attending the NC WMU Missions Extravaganza nual Session; one visually impaired person receiving ssions Mosaic, the Women on Missions magazine, on audio ssette; nine girls to Camp Mundo Vista; 46 persons to N.C. U regional training; 12 persons attending NC WMU Associaonal Training; and four girls to Acteen Camp.

One of the greatest challenges in missions is to take e gospel to all people groups in ways that they can underand it. All of us cannot go, but all of us can give rough the State Missions' Offering that others may go!!

ADDRESS TO FLAT RIVER BAPTIST ASSOCIATION

Perhaps I should feel like a guest in this my first session of the Flat River Baptist Association, but I don't. I feel right at home here. I thank Go for the opportunity of being a part of this association and for your call to n to serve as your Director of Missions.

I want to read for you Acts 4: 32-33. In relation to this text let us think about the work of our associational mission as it relates to purpose, power, people and programs.

Rick Warren, in his book titled **The Purpose Driven Church**, stat that nothing precedes purpose. Warren says, "Absolutely nothing will revitalize a discouraged church faster than rediscovering its purpose."

The purpose of the Flat River Baptist Association as stated in its Articles of Incorporation is: to foster evangelism, missions and benevolenc and Christian education; to keep statistics of the churches; to promote harmony and give Christian counsel in case of difficulty in and among the churches upon their invitation; and to provide programs of common intere to the churches.

All high and noble purposes and thoroughly biblical.

But high and noble ideals and worthy purposes are not enough. There must be the power to accomplish these goals.

Acts 4: 32 tells of the great power evident in the lives of the Apostles -- that same power promised by Jesus Himself in Acts 1: 8 and so clearly manifested on the Day of Pentecost. God's power is our only hope for fulfilling the Great Commission. The Psalmist reminds us (Psalm 127:1) "**Unless the Lord builds** the house, they labor in vain who build it." As Southern Baptists, we are the largest non-Catholic denomination in the nation, but we need to remember the words of Zechariah 4:6, "Not by might or by power, but by my Spirit, says the Lord of Hosts."

Our government, at various levels, has its **Department of Human Resources** and God has His own Department of Human Resources, doesn't He? I thank God for the people who make up the churches of the Flat River Baptist Association. We are indeed blessed with multiple talents, abundant enthusiasm, proven skills, and tremendous influence. But all these wonderful things will accomplish little or nothing unless we are united in the power of God's Spirit. As the poet expressed it:

Jesus Christ - and We

Christ has no hands but our hands
To do his work today;
He has no feet but our feet
To lead men in his way;
He has no tongues but our tongues
To tell men how he died:
He has no help but our help
To bring them to his side.

We are the only Bible
The careless world will read;
We are the sinner's gospel;
We are the scoffer's creed;
We are the Lord's last message
Given in deed and word--
What if the line is crooked?
What if the type is blurred?

What if our hands are busy
With other work than his?
What if our feet are walking
Where sin's allurement is?
What if our tongues are speaking
Of things his lips would spurn?
How can we hope to help him
Unless from him we learn?

Annie Johnson Flint

When the association's search committee asked me what would be my **top priority** if I were called as Director of Missions, I said, "To help the association to have the kind of spiritual unity which will enable God to accomplish His purposes through us." When the committee later gave me a copy of the job description for the Director of Missions, guess what was listed number one? They probably thought I had seen it in advance! I firmly believe that God has brought us together for this hour.

The believers were described in Acts 4: 32 as "being of one heart and soul." Paul told the Corinthians, "Be of one mind, united in thought and purpose." (I Cor. 1:10 LB).

I will always remember March 26, 1996 as a special day in my life. On that day I received a telephone call from Marion Powell, the Chairman of the Flat River Association's search committee. I didn't even know where Flat River was! She said my name had been mentioned to the committee and she asked if I would send her my resume. A couple of days later I mailed her my resume, thinking, "Well, that takes care of that request."

On another memorable day, April 15 (Yes, that date stands out for all of us, doesn't it?) Marion phoned again to ask if Vera and I would meet with their committee on April 25. We met them at Beckham's Restaurant in Henderson at 6 pm. We didn't know a single member of the Committee, but the next thing we knew it was 9 o'clock and the restaurant was about to close. It seemed like we had been there only a few minutes!

Vera and I had only been to Oxford once before, to lead a Foreign Mission Study at the invitation of the late Gladys Strickland Satterwhite. We didn't think we knew a soul in Granville County. We did know Johnson and Jean Gupton, but did not know they had moved here from Fayetteville.

Have you ever met people for the first time and felt an immediate bonding with them, like they were old friends? That's how we felt about the Committee, staff, officers and so many others of you here. We met (and ate) again with the Search Committee on May 20, this time at Western Sizzler in Henderson. We joined the Committee, staff and associational officers on June 14 at lunch. We felt encouraged that they had let us "go public" by being seen with them in Oxford.

All the way through this process we felt God's Spirit leading. The icing on the cake came on June 20, when the General Board voted unanimously by secret ballot to call me as your Director of Missions. Do I feel proud about this? No, I feel humbled. Because I recognize fully that in an association with as much variety as this, in ideas and backgrounds, nothing except the Spirit of God could bring about such unity.

You'll find that I am a people person rather than a program person, though I can and will do promotion work. In the first meeting I told the Search Committee that if they were looking for a Director of Missions who would bring in a lot of programs and projects and proceed to implement these, then I was not the man they were looking for. I told them my first actions would be to meet and listen to the pastors and other leaders in the Association to find out where they were, where they wanted to be, and their suggestions about how to get there.

Since I began serving as your Director of Missions on August 1, I have visited thirty pastors in the Association. I appreciate their willingness to meet with me and share something of their backgrounds, church needs and ideas about the Association. Some suggestions pastors have made include: increased emphasis on evangelism; starting new churches in areas where these are needed; a disaster relief team and trailer; and a World Missions Conference to bring missionaries in to speak in our churches.

You will remember that our Association completed a five-year program of study last year. I hope we will look at those goals and see how many were accomplished. Perhaps some of the goals not achieved are no longer needed; but I believe we need to look at them and see.

Perhaps some of you will remember the **Pogo Possum** comic strip of years gone by. One of Pogo's famous sayings is "We have met the enemy, and they is us." The biggest problems of churches are not without but within. We are our own worst enemy. Let's pray that harmony, unity and love may prevail among us.

I believe that people are more important than programs, but I believe that programs can be tools and instruments whereby we can work together to carry out God's purposes for us.

There are many associations larger than ours, but few that are more active in ministry. I would like to commend the past and present leaders of this Association for their part in launching programs to reach our Hispanic friends, assist in the rehabilitation of drug and alcohol abusers, provide Christian counseling for troubled people, provide clothing, toys and witness to the needy, send young people on mission trips, conduct Bible studies, participate in relief efforts, arrange overseas mission tours, and countless other programs of evangelism, teaching, discipleship, missions and benevolence.

I want to commend the churches in this Association for increased interest in, and support of, the many and varied associational programs and activities. I pray that Jesus' prayer of **John 17** may be fulfilled in us "that they may be one" and that we may be "in Him."

To combine the motto of the state of Kentucky with that of the Three Musketeers, "**United we stand, divided we fall. All for one, and one for all**." I believe we are on the threshold of great days for this Association if we can be united through God's Holy Spirit.

To God be the glory!

Paul B. Johnson

. 33 **THE BIBLICAL RECORDER REPORT**

The Biblical Recorder attempts to tell the whole story--e many positive things people are doing in their churches ong with the negative issues which cannot be concealed and nored if we honor our heritage from yesterday and fulfill r mission for tomorrow.

There is no way to address these issues without correct d reliable information. The Biblical Recorder was born and ntinues to serve for that purpose. In the 163 years of ate Baptist papers in North Carolina,never was the Recorder re needed than now for people to have the truth. We live in electronic media age where many think they have the swers to the issues but they do not because they do not ad, only look and listen!

An informed Baptist is a better Baptist; an uninformed ptist may be an uninvolved or disruptive Baptist. No demo-acy, including our local churches, can survive long without informed, involved constituency which makes decisions sed upon accurate information from reliable sources.

The Biblical Recorder should be in every Baptist home in rth Carolina. Your support as a subscriber and reader, upled with your encouragement to others, will enable the per to better serve the constituency with accurate and lpful information.

The paper focuses more and more attention on North Caro-na Baptists with news, features and inspirational articles ich will encourage individuals and churches in their tness and ministry. One sure way to conquer problems and ercome the barriers to effective witness and ministry is to ve the facts, know the issues and be adequately informed.

That is why the Recorder was born; that is why it serves day. For more information on how your church can subscribe, ntact: The Biblical Recorder, 232 West Millbrook Road, leigh, NC 27609.

. 34 **NORTH CAROLINA BAPTIST HOSPITAL REPORT**

When you think of North Carolina Baptist Hospital you ually think of the Pastoral Care Ministry affiliated with Our hospital was one of the pioneers in this field of

ministry. It continues to meet the challenge by making, in this year alone, over 55,000 pastoral contacts...under this division within the hospital there is a relatively new approach to healing. With its inception in 1992, our hospit began ministering at some level to over 225 North Carolina Baptist Churches. Being called the Center for Congregationa Health, it trains ministers to deal with the hurts that loc congregations face within itself.

Most of us know about the Mother's Day Offering which goes to the North Carolina Baptist Hospital. The gifts thi year amounted to $461,647 and every cent was used to help patients who had no health-care insurance and no means to p their bills.

With the constant rising cost of health care today, th North Carolina Baptist Hospital has been studying ways to help bring down the cost. This year it reduced room rates b $50.00 per day.

It has become involved in the relatively new concept o HMO's and other ways of providing good health care to every- one. It now has an alliance of primary-care clinics serving patients regardless of their medical plan. Called AEGIS, it has 33 providers in 10 practice sites. QualChoice is another managed care company affiliated with the hospital. It now serves approximately 30,500 people.

The J. Paul Sticht Center on Aging devotes itself to special problems of older adults. It provides a link between the hospital and home helping to reduce rates of rehospitali zation and premature placement in nursing homes.

The President of North Carolina Baptist Hospitals, Inc. says they intend to continue to make tomorrow's patient care and tomorrow's workplace constantly better. He feels the best is still in the future.

More than 1,400 children and their families find help i a troubled time at the facilities Baptist Children's Homes operates in North Carolina. There are four residential cam- puses, six emergency care cottages,two homes for behaviorall troubled girls, a maternity home, a home for teenage mothers and their babies, therapeutic camping and model day care.

During the past year BCH received almost $1.5 million through the Cooperative Program, and $663,000 through the Thanksgiving Offering. Total church gifts of almost $3 million comprised 26.2 percent of BCH operating revenue.

BCH is in the midst of a $10.1 "Light Their Way" Campaign to raise money for operations, capital needs and endowment. At the halfway point in June, more than $5.4 million had been committed to BCH through the campaign.

Videos of the children's presentation at the 1995 State Baptist Convention are available by calling the communications office at (800)476-3669. You can also ask for the latest videos to tell you about your ministry to children and families through Baptist Children's Homes of N.C.

From head to toe BCH cares for children and families. Thank you for helping to Light Their Way. Dr. Michael C. Blackwell continues to serve as president of BCH, having been in this position since 1983.

No. 37 **AMERICAN BIBLE SOCIETY**

In 1816 the founders of the American Bible Society, leaders like Supreme Court Justice John Jay and President John Quincy Adams, set out on a mission to distribute the Scriptures, affordable Scriptures, throughout our burgeoning country. Because of their challenge, the spirit and vision gave rise to the American Bible Society.

For 180 years, the American Bible Society has been very committed to Bible translation. In 1995 Scripture Language Report published by the United Bible Societies indicates that the Bible or a portion of the Scriptures is now available in 2,123 languages. The complete Bible has been published in 349 languages. It is estimated that there are 6,523 languages in the world.

During 1995, the Contemporary English Version Bible was introduced as the most recent translation.

Bibles published by American Bible Society may be purchased through the Flat River Baptist Association. Items not in stock may be ordered through the ABS catalog.

UPDATED HISTORY OF KNOTT'S GROVE BAPTIST CHURCH

Knott's Grove Baptist Church, located three miles south of Oxford, off Hwy 96 and on 3593 Knott's Grove Rd., was organized September 12, 1901. This church's history was featured in the 1977 Annual of the Flat River Baptist Assoc. and this is an update from that year.

Sunday School and worship services were held several years in a tobacco pack barn belonging to S.W. Knott. In 1903 the old Oxford Methodist Church building was bought and moved to the present location. The building was taken down, piece by piece, and re-built by the members and few carpenters with completion being made in 1904. Dedication was held on third Sunday in December, 1905. At this time, membership had increased to 72.

A Sunday School annex was completed in 1958, parsonage constructed in 1973. A second addition to the church was completed in 1985, including classrooms, baptistry, and fellowship hall. A new heating system was installed in the church and parsonage in 1995.

Pastors who have served since the list in 1976 were Thomas Harper 1976-78; Robert Allen Wilson 1988-89; James Carroll 1990-91; Curtis Richard Taylor 1993-94; C. W. Turner 1994-95; Allen Wilson served as parttime 1995-96; and Donald Vaughan 1996 to present.

Knott's Grove Church applied and received admission to the fellowship of Flat River Baptist Association on July 15, 1902. Membership was 42 at this time. The roster numbered 101 in 1914-15; 202 in 1974-75; and 312 in 1988-89. Current membership stands at 49 due to withdrawal of a number of members during the course of years to establish another church fellowship.

Knott's Grove entertained the annual meeting of the Flat River Association in 1971 and again in 1987. Eugene Usry was ordained to the ministry by this church in 1905.

A listing of other pastors serving this church are listed in the 1977 FRBA Annual.

UPDATED HISTORY OF MOUNT ZION BAPTIST CHURCH

Mount Zion Baptist Church was constituted by Rev. Robert McNabb and Rev. A.L. Wynn, two state missionaries, on October 28, 1840 with eighteen charter members. This church was received into Flat River Association in 1841. This church's hidtory was featured in the 1977 Annual of the Flat River Association and this is an update from that year.

When the church voted in 1966 to go full time and build a parsonage in the community near the church, Rev. Earl W. Howard was called as the first full-time pastor June 1, 1966 and he served the church until July, 1979. Rev. Laurence Knott was pastor from 1979 to 1980.

Rev. Keith F. Williams was called as pastor in August of 1980 and continues to serve at this time.

In 1980 Mount Zion hired its first youth director. Those who have served in this capacity are Curtis Clark, J. Paul Berry, Cameron Currin, and Cam Ford. A church van was purchased for the church to use for youth and other outings in 1988.

Air conditioning for the Educational Building, carpet for the parsonage, and new carpet for the sanctuary have been installed since 1980. A fellowship hall was completed and paid for on March 20, 1988. Aluminum siding was put on the church and parsonage in 1989.

A flag, depicting a replica of our church building, was designed and made by church members in honor of the FRBA's 200th Anniversary. It was presented to the church in 1993 for display in the sanctuary.

A listing of other pastors who have served Mount Zion are printed in the 1977 FRBA Annual.

Through the years Mount Zion has continued to be active in missions and contributes regularly to missionary causes of the Flat River Association, Baptist State Convention of N.C. and the Southern Baptist Convention.

No. 2 **SUNDAY SCHOOL**

Sunday School is still the place where we have the greatest opportunity to reach people for Christ. It is indeed the Reaching-Teaching organization of the church.

We had an excellent Vacation Bible School team this year and I want to thank each one of them for a job well done. Because we had such a good team to teach in the VBS Clinics, we had great clinics. Because of the great clinics, we had good Vacation Bible Schools in our churches. We had reported 3,242 enrolled in VBS and 50 professions of faith. The total offering received in the churches during VBS was $5,540.10. Of this amount, $2,683.32 was designated for the Cooperative Program with the balance designated for other causes. All but

three churches had VBS this past year. I want to thank our people at Island Creek and Butner First for opening their facilities for these clinics.

Our other big event this year was on August 21, when we held our Sunday School Workers' Training. Again, I want to thank this team for their work in leading this session and our thanks to Delrayno Church for allowing us to use their facilities for this training session.

The one dark spot in our report this year is that our churches reported 5,229 Sunday School members this year which is a decline of 78 from last year. We need to get to these who have dropped out and get them back in Bible study.

My prayer is that each church will commit themselves to praying for and supporting our new Sunday School director, Rev. Robert Baynard.

Rev. Baynard reports that the Vacation Bible School Clinic will be done on a one-time basis in 1998 and led by State Workers. Watch the newsletter for the date.

Respectfully submitted,
Rev. Johnson Gupton

No. 3 **SEMINARY EXTENSION REPORT**

Now that I am officially elected as Seminary Extension director, we can get things moving. Our Association's Center has been approved by Seminary Extension. We hope to have materials ordered and classes beginning by the first of the year.

Our plans at this time are to begin with a couple of basic courses in how to understand the Bible.

Seminary Extension is for everyone. If you are a pastor who has not had the opportunity to attend seminary, it's for you. If you are a Sunday School teacher who would like to know more about the Bible, it's for you. If you are a lay-person, interested in knowing more about the Bible, it's for you. If interested, please call me, 438-7125.

Respectfully submitted,
Rev. Johnson Gupton

No. 4 **DISCIPLESHIP TRAINING**

Disciples are learners. Discipleship, for the believer, involves learning how to be a follower of Christ. Each Christian takes a journey of faith and needs guidelines as they travel.

The task of Discipling is crucial for each church as it helps Christians progress on this journey toward spiritual maturity and development of their faith.

The focus this year has been to encourage small groups to learn effective ways to share the good news of Jesus Christ and to develop Christian discipleship as a way of life. Our goal for the coming year is to encourage a balance in all areas of life,social,physical,mental,spiritual and emotional.

There are many resources available to assist leaders and church members to develop a life style of discipleship and this committee is ready to assist in any way.

Several churches have begun organized groups this year. Some meet regularly and others have had short-term studies available to their members. There has been an increase in the interest of Children's and Youth Bible Drills. We have assisted those churches in establishing these exciting Bible memory programs.

Stacey Hayden of Providence Baptist was a State Winner in the Youth Bible Drills held in the Spring of this year. She has been a winner for six years and has continually made her family, church and Association proud of her. The competition consisted of drills in doctrine, key passage, memorization and quotations. She is truly a winner!

TeamKid, a club for children is now present in several of our churches. This is a great way to involve our children in memorizing the Bible and growing as young disciples.

Upcoming events for '98 will be a Discipleship Rally and the offering of First Place on an associational level.

"Let us press on to maturity..." Hebrews 6:1

Thank you,
Jeanie Whitehead, director

No. 5 **WOMAN'S MISSIONARY UNION**

The WMU theme this year was "Together -Hand in Hand". Our vision statement challenged Christian believers to under-

stand and be radically involved in the mission of God.

And just what is that mission? What are we supposed to do? For one thing, we are challenged to step out of our comfort zone and do things we've never done before - or perhaps just to put a new spin on the things we've been doing all along. By joining our hands together we can accomplish tasks we might have thought could not possibly be done alone. Our activities this year included all the standard things we've always done - the Baptist Men/Women's Banquet; the Acteen, GA and Mission Friends day camps, banquets, and mission book studies; conferences, workshops, seminars and leadership training sessions. Many long hours went into the planning and preparation for these events. They were well attended and as always, informative and uplifting.

In addition, there were a few new activities of which I feel our associational WMU can be justifiably proud. Our WMU Spring meeting was centered around a Spring Celebration Event theme, focusing on mission activities of each church's WMU group. Our mission speaker was Mrs. Jean Elliott, on furlough from Honduras. There were displays from various churches, a parade of churches involving GA's in collecting food for the ACIM and a puppet presentation. Most reports were written to give us more time to focus on the way in which our mandate to "Do Missions" is being carried out. It was an impressive display of missions in action.

Another first-time event was the FRBA Missions Fair in May and held at the Oxford Armory. There were many displays showing people the opportunities and resources for mission work which are available within our association; seventeen of our churches had displays.

As I attended meetings throughout this year, I was more and more aware of the way the women of WMU are reaching out, joining hands to extend comfort, hope and love to a hurting world. In the words of the Acteens song,Together, hand in hand we will care, we will share His love; Forever we will stand 'cause the world needs to see God's love in you and me.

Respectfully submitted,
Mary J. Strickland, WMU dir.

No. 6 **BROTHERHOOD**

This has been a good year for Flat River Brotherhood. A Fish Fry at Kerr Lake, November 2,delighted all who attended. Jimmy Huffman of the N.C. Baptist Men's Dept. of N. C.,

challenged our Association with the need of a Disaster Recovery Unit. The unit will assist other disaster units, when disaster happens. An initial offering of $87.00 was received that night to start a fund for the unit.

A Baptist Men/RA Fishing Tournament was canceled due to high water and cold conditions.

RA Sunday was observed in most of our churches to recognize our young men for their mission activities.

The Thanksgiving Rest Stop Ministry was a success. We served over 475 cups of coffee and tracts were made available on Wednesday and Sunday afternoons and nights. There were 23 Baptist Men and Women volunteering for this ministry and all services were appreciated by travelers who stopped by. We're scheduled again this Thanksgiving and have a need for more volunteers. There was also a Rest Stop Ministry for Easter travelers on March 27 and 30.

The Prison Fellowship Angel Tree ministry was part of the FRBA Baptist Men's ministry in December. Thirty-eight children received gifts for Christmas in the name of their incarcerated parent or parents.

Baptist Men's day was observed in many churches in Jan.; good representation from FRBA to the N.C. Baptist Men's Conv. in Greensboro; and the annual FRBA Baptist Men and Women on Mission Banquet held with Rev. Cleve Wilkie as key-note speaker were other activities through the year.

A Spring RA Congress, held March 22nd, at West Oxford Chr., had church winners competing on the associational level in the Car and Mission Fair Competitions. Other competitions were in Air Rifle Shoot, Baseball Throw, Crab Race, Tug-O-War and Wheelbarrow Race. Winners competed in the State Competition April 18th. New activities to be added for 1998.

Associatonal Lad/Crusader Track Meet, held April 26, had several qualifying to compete on State level. FRBA Baptist Men had good representation at the FRBA Mission Fair, May 10, at the National Guard Armory in Oxford, with the Medical-Dental bus, the Beulah Bapt. Assoc. Disaster Feeding Unit, and Cullom Bapt. Assoc. Disaster Recovery Unit on display.

Thirty-four were trained in the areas of Disaster Recovery, RA Leadership, and Baptist Men's offices on Sept. 22.

Thanks to many of you, the Disaster Unit is now purchased. Some supplies are in the Unit, however,there is still a large gap in the need list to be supplied. Your support is needed for this ministry in our Association.

No. 7 **BAPTIST CHILDREN'S HOMES OF NC**

Thank you for your support of our Baptist Children's ministry in North Carolina - at four residential campuses,six emergency care cottages,two homes for behaviorally troubled girls,a maternity home,a home for teenage mothers and their babies,therapeutic camping and a model day care, 1,398 young people found help in troubled times last year.

During the past year BCH received $1.5 million through the Cooperative Program,and $724,000 through the Thanksgiving Offering. Total church gifts of $3.05 million comprised 25 percent of the BCH budget.

In June 1997 BCH successfully completed the $10.1 million "Light Their Way" Campaign to raise money for operations,capital needs and endowment. Two major priorities of the campaign will be completed in early 1998; the Winifred Lindsay Education/Administrative Center at Odum Home in Pembroke, and the John D. and Amelia W. Johnson Cottage at Mills Home. A third priority,the Hubert M. Craig Lodge at Cameron Boys Camp, has been completed.

A new video, "Families Under Construction" is available to promote the 1997 Thanksgiving offering,which has a statewide goal of $750,000, the largest ever.

A model program for family preservaton has been started at Mills Home in Thomasville. Two social workers are on staff to work intensively with families which are at risk of being separated,but who,with help,can overcome their issues and stay together.

Thomasville Area Director Bill Scarlett also is initiating ways for churches and their members to be directly involved on campus,from tutoring,to cooking,to spending early evenings giving personal attention to residents to free staff formore intensive counseling.

BCH adopted a missions statement this year -"helping hurting children,healing broken families." Wherever children are hurting and families are strained, BCH strives to heal.

No. 8 **PERSONNEL COMMITTEE**

The Personnel Committee is grateful for another good year and for the good spirit we see exemplified through the services of our associational staff. Our committee met with the associational Finance Committee and made recommendations

on the salaries for the staff. We appreciate the consideration of the Finance Committee in behalf of our staff.

Thanks to the Personnel Committee for their support and I would like to call their names--Mr. Jim McSwain, Mrs. Alice Jean Harris; Mr. Reginald Weaver, Rev. Sam Brewer, Mrs. Norma Leigh Critcher, with me as chairman.

Respectfully submitted,
Mr. Scott Harkey

No. 9 **INTERNATIONAL MISSION BOARD**
(formerly Foreign Mission Board)

Much excitement has been stirred by efforts of a new mission leadership team, led by President Jerry Rankin, to prepare Southern Baptists to be effective leaders among Great Commission groups as we enter the next millenium. In June 1997, the name of the Foreign Mission Board became the International Mission Board (IMB), signifying on one hand the international scope of the Southern Baptist missions vision while on the other hand correcting a semantic obstacle that in recent years has generated hostility in some quarters of the world where ministries are undertaken through the IBM.

Another change in progress involved a focus away from ministries to nations in favorof ministries to people groups when assigning resources. The special Christmas offering is now the Lottie Moon Offering for International Missions; and missionaries are now International Missionaries.

Church groups are invited to visit the International Mission Board.To arrange a tour, call (800)999-2889,ext.1234, or write Receptionist, International Mission Board, P O Box 6767, Richmond VA 23230-0767. Two other landmarks which you may like to tour are (1) the Missionary Learning Center (the training site for personnel going overseas) and is located 20 miles west of Richmond; and (2) Lottie Moon's grave in the Crewe Baptist Church cemetery in Crewe at US 460 and VA Route 49 (approximately 65 miles southwest of Richmond).

Southern Baptist ministries through the IMB require an annual budget of more than $205 million. About 87% of the money is used in the overseas budget and only about 13 % is used for stateside administrative and promotion expenses. All of the Lottie Moon Christmas Offering goes to support the missionaries and their work. About 75% goes to fund missionary support (salaries, housing, medical/dental,transportation, retirement, life insurance, etc.), and about 25%

of LMCO goes to fund missionary operating and capital needs.

Southern Baptist missionaries overseas baptized 283,674 people in 1996. However, there still remains nearly 1.7 billion of the world's people who have little or no access to the gospel.

Thank God for more than 10,000 Southern Baptist volunteers who join missionaries overseas each year to fill short-term assignments in such areas as medical care, education, agriculture, and evangelism.

Respectfully submitted,
Mrs. Jannie H. Preddy

No. 11 **FRBA DAMASCUS HOME, INC. UPDATE**

Eight months ago, Don Brown advised the FRBA Damascus Home Board of Directors that he had asked me to preside over House Meetings and to lead a Weekly Bible Study. This was on a volunteer basis.

In August, 1997, Don Brown asked the Board of Directors that I be names as Director of Damascus Home with Reid Boyd as house manager, handling in-house management. This was done to bring stability to the managing of the Home and to reduce our overhead. This management change cut our cost of management by several thousand dollars per year. At present I am paid $200.00 per month and Reid has free room and board.

We believe in structure and staying busy. Our weekly schedule is as follows: (1) Promise Keepers at 7:00 p.m. on Monday nights; (2) Fresh Encounter Bible Study and Small Group House Meetings on Tuesday nights; (3) Wednesday night Prayer Meetings; (4) Thursday night Bible Study. At present the Home is full with a waiting list.

The FRBA Damascus Home has helped over 120 families over the last three years either housing their loved ones or placing them in treatment. These people came from 14 different states.

Most of the men that come to Damascus come from Bethel Colony or Hebron Colony.These are two Christian Rehab Centers that have 65-day free programs,paid for by churches across the country. We encourage anyone to support them, as Damascus sponsors more people to these programs than any other similar type programs or facilities.

All of the men have jobs and, as you know, they pay $100 per week for room and board.

We welcome the opportunity to come and let the men share their story with your church, youth groups, or any other way we can help. At present we are scheduled to visit Stovall-Shaw School on Wednesday afternoon for Drug Awareness.

We thank you for your support as we strive to follow the examples of Jesus by caring for the least of these.

It has been a great joy for Betsy and myself to strive to bring into the Home the love and sense of oneness in Christ, that truly makes us a family.

If you need assistance and we can help,please give us a call. Please remember our "Week of Prayer" in April.

o. 14 **THE 1997-98 FRBA FINANCE COMMITTEE PROMOTION**

We appreciate the financial support that the Association eceived from the churches in 1996-97. We tried to keep the 997-98 Budget at a level that would not cause a financial urden to any member of the Association and at the same time ould not put restrictions on the programs, ministries and ervices offered by the Association. The budget for 1997-98 eflects an increase of $8,088.00 or a 7;18% increase over he 1996-97 budget.

We encourage all of the churches to be in prayer about ncreasing their financial contributions to support the 1997-8 budget and please take advantage of all that our Associa-ion has to offer.

I would like to thank all of those that have been in rayer and have worked long and hard on the 1997-98 budget. ther members of this committee are: Lois Vaughan; Robert ontague; Ronald Bennett; Rosa Overton; Robert Nugent; and orman Jones, ex-officio.

No. 15 **NOMINATING COMMITTEE**

The FRBA Nominating Committee for 1996-97 met April 1, 1997 at the associational office for the purpose of nominating dedicated individuals for directors and representatives for the year 1997-1998 to serve in the Flat River Bapt. Assn. All committee members were in attendance along with Dr. Paul Johnson, director of missions.

Enclosed in your annual session handouts is a Report of the Nominating Committee and I would like to point out two changes --the position of Single Adult Director is vacant; and Mrs. Mary Green of Rock Spring Church is replacing Mr. Richard Spera who is listed at the Biblical Recorder representative. Anyone who feels the calling to serve as Single Adult director is asked to contact the associtional office.

We, the Nominating Committee--Miss Mary Alice Elliott, Mr. Willie Wilkins, Mr. Ralph Seagroves, Mrs. Martha Owens, and myself--would like to say thanks to each individual who is listed in the report for so graciously accepting their positions for the year 1997-98. You each made our job very easy to accomplish and complete.

Respectfully submitted,
Mr. Roger Overton, Sr., Chairman

Note from Clerk: Those names presented in this report are listed in the Associational Directory under the heading "Officers of the Association" and "Representatives."

No. 16 **FRBA COMMITTEE ON COMMITTEES, 1997**

The Committee on Committees' Report is listed in your handout. I would like to call your attention to the changes made. The chairpersons on most of the committees are new ones. On all the committees listed, those with terms expiring in the year 2000, are the new ones coming on to serve on that particular committee.

The other changes I call your attention to are: under Order of Business the term expiring 1999 is a new member; under Resolutions the term expiring 1998 is a new member; and under Damascus Home Rev. Neil Woodlief was added due to the resignation of a member and all the ones with terms expiring 1998-1999 are new members.

Those serving on the Committee on Committees this year were Rev. Emmanuel Pegram; Mr. Ronnie Tuck; Dr. John Owens; Rev. Mike Patterson; and myself as chairperson.

Respectfully submitted,
Mrs. Hattie Jean Overton

Note from the Clerk: Those names presented in this report are listed in the Associational Directory under the heading "Committees and Members of Committees 1997-98."

No. 17 **SINGLE ADULTS**

We have ministered to many single adults this year. We have met the needs of many single adults this year. Many of them continuously report how much this group has meant to them. The support that this group offers to fellow singles is of tremendous help in living single.

We met every Tuesday night. Our largest attendance is for Bible Study. We have a very good Bible Study group. We have tapped the talents of many people in our Association to lead these studies. Also, we do many things for fun which includes going out to eat, attending plays and movies and trips to Duke Gardens and to Boone. We all enjoyed seeing the Frescos. We have a monthly newsletter and remember all members on their birthdays.

Thank you for your prayers and support. Our ministry continues to need the support and prayers of all of you. Afterall, singles are the fastest growing segment of our population. Remember - Jesus was a single person too!!!

Respectfully submitted,
Betty H. Baynes, director

No. 18 **THE 1997 FRBA YOUTH MISSION TEAM**

On behalf of the 1997 youth mission team, we would like to thank each church for your prayers, materials, Bibles, and financial support for this year's mission trip. The team members included: Mandy Capps from Bullock; Robin Barker; Crystal Guerrant, and Jessica Thomas from Dexter; Amy Hobgood from Enon; Jill Vaughan, Wendy Hudson, Roy Vestal and Susan Vestal from Grassy Creek; Sandy Paynter from Poplar Creek; Zach Long from Stovall; and Melissa Currin from Tabbs Creek.

The youth represented our Lord, association, churches,

and families well. Even though we did not have the large number of children we had hoped for, we,as a team and as individuals,grew in faith. The team was involved in Backyard Bible Clubs for eleven children and one-on-one witnessing at Rehobeth Beach in Delaware. This growth was evident in written comment from our youth when they were asked to write the two most important things they received from this trip. Examples of their comments included:

"Being able to minister in many ways to tons of different people. The boardwalk ministry was by far my favorite." "As Charlie (one of the church planters) would say: This trip was the 'ice breaker' and building blocks of my future ministries."

"It was an experience that I will not ever forget. I enjoyed being around Christians who believe in the things/ values that I believe in." "It was nice to bond and make new friends." "Fellowship with Christians in other areas of our world."

"To use my talents to serve the Lord." "Seeing younger children being open to the word and life of Christ was very fun to see." "Witnessing the necessity of having to be a group of many using the assets of each individual member to accomplish a central goal or many related goals was a very enlightening portion of this trip."

"We learned that no matter what happens never to quit because we are working for the Lord." "We became a family,one person, instead of individuals."

It was a joy for the three chaperones to watch this youth team take the leadership in teaching the children, demonstrating the boldness to witness one-on-one at Rehobeth, and growing into a family in Christ.

The donated materials not used by the team were given either to one of the two new ministries we worked with this year, London Village Church (our 1996 mission area),Delaware Baptist Association for other missions, or to our CCM. The team wanted to give the Delaware missions as much assistance as possible.

Because of the generosity of the churches in this Association, the 1997 Mission Team had money left after all their expenses were paid. Our youth requested this money be used for missions here and in Delaware. They did not want a refund on their expenses.This wish was forwarded to our Executive Committee for final decision. The request of the team was honored in authorizing the FRBA Treasurer to send $100 to our

CCM and $500+ to the Delaware Baptist Association to be used for missions. The desire of our youth show the love they have for missions! You have trained them well in the love of Christ.

Thank you for the wonderful, exciting opportunity to lead this team!

For the team,
Wendy Hudson, Susan Vestal, Roy Vestal

No. 19 **FRBA YOUTH RALLY**

On March 15, 1997, the FRBA Youth Rally was held at Pleasant Grove Church. The theme of the evening was "I AM NOT ASHAMED," with approximately 200 attending. All enjoyed a hot dog supper with each church supplying desserts. Several youth groups shared their talents through music, skits and puppet shows. The evening's main event was the music and message delivered by "Damascus Road" This group was composed of youth pastors who attended Southeastern Baptist Theological Seminary. May the Lord bless those who attended and the seeds planted. May we continue to reach out to the youth of our churches and community.

Respectfully submitted,
Mrs. Wanda Temple

No. 20 **EVANGELISM**

An associational-wide workshop was planned and implemented by the FRBA Evangelism director for the purpose of training lay persons to share their faith. All churches in our association were sent letters informing them of the workshop. The workshop was held at two separate locations with 6 people receiving training at one and 8 people receiving training at the other. This workshop takes approximately three house which can be completed in a one-Saturday session or three evening sessions.

We intend to support the new director of Evangelism,Rev. Eddie Mauldin. May God bless his efforts and use him in the capacity as director.

Respectfully submitted,
Rev. Dale Wallace

No. 21 **FRBA CHURCH AND COMMUNITY MINISTRY**

There has been a big change in this ministry since last year - we have moved from Littlejohn Street to 208 E. Spring Street.

We held a Backyard Bible Club at the low-income apartments in Oxford and one at the Masonic Home for Children in Oxford. These were both well attended and we appreciate all the help we received.

Birthday gifts have been provided for the youth at C.A. Dillon School in Butner and for the children at Central Orphanage in Oxford.

The ward at John Umstead Hospital in Butner where the 7 patients lived that were killed on I-85 was decorated for the four remaining patients. This was a blessing to all of us, most of these women had lived tógether all their lives.

A few projects we have accomplished this year included providing two handicap ramps that were needed. Our thanks to Rev. Bob Baynard. We paid for one and Sharon Church paid for the other. Also we sent lots of new and used clothes, shoes, school supplies and bookbags to Honduras.

The Christmas Ministries provided gifts for 1,400 men, women and children. These included those to prisons, Murdoch Center, John Umstead, Central Orphanage, Angel Tree and many other places.

There are many needs in our community that we meet on a daily basis and it would be impossible to list them all.

I would like to say thanks to all the CCM volunteers in each church for your support. You have been a blessing to this ministry. Also thanks to those who are so faithful to help each week and those that come whenever I call. Please keep us in your prayers.

Respectfully submitted,
Virginia Tuck

No. 22 **HISPANIC MISSION**
(Mision Bautista Hermandad)

Challenges have always been a part of developing and growing the ministry of the Hispanic mission. From the beginning we faced the problems of organizing the work, finding a sponsoring church, calling a leader, constructing a building for the mission;all the while reaching people for Christ.

This year we faced a new challenge. For the first time

in six years, we were without a pastor. Rev. Paul Flores has accepted the call to serve as pastor of a church in New Jersey. He is the only pastor many of the members have ever known so you can imagine what a blow that was for them. But God has blessed and continues to do so.

Sunday School has been organized and now meets every Sunday afternoon. Members of the mission have taken new responsibilities as deacons and teachers and committee members.

As is the case with many of our churches, our attendance has suffered as a result of Brother Paul leaving. God has provided for His people by sending Felipe Polowood to serve as our interim pastor. Felipe is a member of the mission and an ordained pastor and is real Godsend during this critical time.

Though we had no baptisms during the year, we have four people who did accept Christ this year and are awaiting baptism at this time.

We have been reviewing resumees and talking with candidates for a pastor and ask for your prayers that God would provide the right man at the right time to lead us.

There was good attendance at the Spanish Workers' Days and we appreciate those volunteers to came out to assist in various ways.

Thank you for your prayers and gifts and encouragement this year. Pray that God will continue to bless us and that we might be a blessing to Him to reach our brothers and sisters for Christ in our community.

Respectfully submitted
Bobby Temple, chairman
Hispanic Mission Committee

No. 23 **CHRISTIAN EDUCATION**

North Carolina Baptist colleges and universities have been serving North Carolina Baptists for a total of 862 years....from the opening of Wake Forest Institute on Feb. 3, 1834 to the chartering of Boiling Springs High School (today known as Gardner-Webb University) on Dec. 2, 1905. The growth of our seven institutions of higher learning have been nothing short of phenomenal over the years. In 1996 the total enrolllment of these institutions, including regular and summer school, was 24,125 students.These students were served

by a faculty of 1,456 instructors and professors with an administrative support staff in excess of 160 dedicated individuals. A total of 4,119 graduates were recorded. In addition, 526 individuals were involved in church related vocational studies.

The decade of the 90's has been witness to several important changes at some of these institutions. These changes include the attainment of senior college status by Chowan College in the Fall of 1992, the attainmet of University status by Gardner-Webb on January 1, 1993, and the opening of the School of Divinity at that University in the Fall of that same year, the attainment of University status by Wingate in 1995, and the founding of the School of Divinity at Campbell University in 1995. In addition, new relationships are being formed and considered.Meredith College has formally requested a new relationship with the Baptist State Convention patterned after the one established with Wake Forest University in November of 1986. This important matter will be voted upon during the November 11-12, 1997 Convention.

North Carolina Baptist Colleges and Universities and the respective Presidents of these institutions are as follows:

College/University	President
Campbell University	Norman A Wiggins
Chowan College	Stanley G. Lott
Gardner-Webb University	M. Christopher White
Mars Hill College	A. Max Lennon
Meredith College	John E. Weems
Wingate University	Jerry E. McGee
Wake Forest University	Thomas K. Hearn, Jr.

Continue to lift up these called leaders, the faculty and staff and the students of these institutions to God in prayer as we strive together to meet the challenges and the opportunities which lie ahead.

Respectfully submitted,
Lenny Rogers

No. 25 **FRBA SENIOR ADULTS**

Senior Adults is a group of very active people who seem to always be on the move. They are the backbone of our churches in the Flat River Association and have so much to give.

This year has been a very good year for senior adult work.

Our November meeting was with Creedmoor First on Nov. 14th with 58 present. There were 10 churches represented,with 6 pastors and 10 visitors. The program consisted of music by Zena King and sisters and a message by Rev. Leslie Giles of the Ephesus Baptist Church in Cary. Toys were received for the Christmas ministry. Lunch was enjoyed by all.

The February 13th meeting was held at Butner First with 62 apresent. Twelve churches were represented with 4 pastors. The program was presented by Paul and Vera Johnson. They showed slides of their mission work. A great meal followed.

Our meeting on May 15th was held at Providence Church with 80 present. There were 13 churches represented with 6 pastors and 3 visitors. For the program, Dr. Delos Miles told a spell-bound group his testimony. As always, a good eaml was enjoyed by all.

The August 14th meeting was held at Mount Zion Church with 82 present. There were 4 pastors presnt and 3 visitors. The program for this meeting was a very informative one as Mrs. Vonda Capps from Granville Medical Center told us of the services available to senior adults in Granville County. The fellowship meal was enjoyed by all.

Our annual trip to Caswell was a great success and most of the group took in a ice show. The trip was made by 27 senior adults traveling on vans.

Our senior adult choir, The Golden Chords, has been real

busy this year. They have sung at many functions in the association and are now preparing a Christmas musical.

Rev. Malvin Tuck

No. 26 **ORDINATION COMMITTEE**

The Ordination Committee of the Flat River Baptist Association was asked by the West Oxford Baptist Church to meet for the purpose of examining Mr. Mike Reynolds for the Gospel Ministry. We met on June 22, 1997 at the West Oxford Baptist Church and after careful examination of Mr. Reynolds, the Ordination Committee unanimously recommended that the West Oxford Baptist Church proceed with Brother Reynolds' ordination.

Mr. Reynolds was ordained by the West Oxford Baptist Church on Sunday, June 29, 1997.

No other request for ordination was received this year.

Respectfully submitted,
Rev. Tommy Robertson

No. 27 **PROPERTY COMMITTEE**

We want to express appreciation to the many volunteers who have helped during the past year with renovating the building on Spring Street for the CCM ministry and all the help in getting everything moved in.

The Property Committee of FRBA met on August 26, 1997 to discuss and look at needs of the associational property. One of the needs noted was to add two loads of gravel on the rear parking lot to help with the water problem there. This has not been done yet.

The back door on the building needs to be repaired or replaced. The roof needs to be checked for leaks and tighten the railings on the front steps and walk. Also, we discussed the possibility of getting the building pressure washed. We will be following up on these at a later date.

After discussion and assessing the cost, it was decided to replace ceiling tiles in four downstair rooms of the associational building rather than taking the tiles down, painting and waiting to apply a second coat of paint and then putting the tiles back up. Replacing the tiles was done on September 5th by seven volunteer workers. Then on September 6th, five volunteer workers scraped and painted the

front porch and railings. A second coat of paint is needed which will be done at a later date. The tiles and paint were paid for from the budgeted amount for building maintenance.

We appreciate those volunteers who came and worked to make the building look better on the inside and outside. You are invited to go by and see the results.

The office computer was upgraded in August of this year by Mr. Calvin Vincent of Computer World in Oxford.

Various upkeep projects have been done at the Hispanic church building. Two large classrooms have been divided into four rooms by adding one collapsible wall and one permanent wall to give more space for Sunday School classes. A new tractor mower was purchased this past summer.

The associational van, the 1994 Dodge, 15 passenger van, has kept a busy schedule during the past year. Thirty-nine church groups used the van for a total of 9,245 miles and ten associational groups used it for a total of 3,190 miles. Regular servicing has been done throughout the year and new tires installed. The odometer reading on this van at the end of September was 77,433 miles and the van was used for approximately 12,472 miles.

The 1986 Dodge van, used by the Hispanic ministry, has served well during the past year but is in for repairs at the present time. Attempt to have regular servicing on this van has been done throughout the year.

Mr. Troy Preddy, chairman

No. 28 **MUSIC**

Where is church music going today? We could say to more Praise and Worship styles or perhaps to more Drama related styles, but one thing for sure, we do know that church music is changing. Some music directors are being called Worship Leaders and it is not just hymn number so and so at the beginning, in the middle and at the end of the service. Many call to worships and benedictions involve the congregations, not just the choirs. So don't be afraid to try some new styles of worship! Just remember to mix the new with the old, that way most everyone will feel a part of the worship experience.

I am happy to report that on October 6 of this year, a meeting was held at First Baptist Church, Creedmoor for all music directors and accompanists in our association. The

attendance was small, but the results of the meeting was very beneficial as we shared ideas for improving our music departments. Hopefully more can be in attendance at our next meeting in January, 1998.

A special thank you to the music departments of Amis Chapel, Corinth, Oxford and Creedmoor First Churches for their generous help with the music for the annual meeting this year. It is always a joy to hear from the music programs of our sister churches.

If I can be of assistance to any of the music departments of the Association, please do not hesitate to call me. I thank God for the opportunity to serve as music director for our Association for another year.

Respectfully submitted,
Mrs. Karen Brown

No. 29 **STATE MISSIONS**

Sharing the Love of Jesus with people in North Carolina is the main thrust of State Missions. In our state there are 80 associations which cover 100 counties. Pojects throughout our state are supported by money and leadership from both our local associations and the state convention.

In the Flat River Association, we received approximately 10% of the North Carolina Missions Offering collected by 21 churches of FRBA in 1996. That ten per cent amounted to $1,598.44. Other offering monies are also used to finance mission projects in our association. Our WMU, Brotherhood, and many of the Mission Division's vital ministries are supported by the North Carolina Missions Offering.

From our association alone, the following number of individuals benefited from the N.C. Missions Offering..... 8 boys went to Camp Caraway; 1 person to Christian High Adventure; 2 people to Church Brotherhood training; 2 people to disaster relief training; 4 people to N.C. Baptist Men's convention; 8 boys attended the RA Congress; 7 people were sent to the WMU Associational Leadership team training; 28 girls were sent to Camp Mundo Vista; 7 Acteens attended Camp Mundo Vista; and 1 visually impaired person received the **Missions Mosaic** magazine on audio cassette.

State Missions is extending an arm of Christian fellowship to people across our great state who have a need. Are you and your church concerned about State Missions? May we accept the challenge offered each year to increase our

goal of giving and offer our prayers for State Missions in order that many will have the opportunity to grow and to spiritually develop in their faith in Jesus.

Respectfully submitted,
Mrs. Genny Robertson

No. 30 **NORTH AMERICAN MISSIONS**

The North American Mission's history began in 1845 when the Southern Baptist Convention established the Board of Domestic Missions, headquarted in Marion, Alabama. In 1874 the board was renamed the Home Mission Board and in 1882 moved to Atlanta, Georgia. During 1995, the Home Mission Board celebrated it's 150th anniversary and moved to new facilities in Alpharetta, Georgia. The five-story structure is on a 34-acre site and houses all operations under one roof. During 1997, the Home Mission Board was renamed the North American Mission Board (NAMB).

The primary responsibility of NAMB is to reach the United States, Canada, the Caribbean, Guam, and American Samoa for Jesus Christ, using every appropriate means of evangelism and church planting. The resources of three former SBC agencies - the Home Mission Board, the Brotherhood Commission, and the Radio and Television Commission - were merged to create a more dynamic force working together to propel missions into the 21st century. Every activity of the new agency will be focused on meeting the needs of local churches as they share Christ with their communities.

NAMB calls on Southern Baptists to renew and strengthen their support of our home missionary force of almost 5,000 by praying for them, serving alongside them as missions volunteers, and giving sacrificially to the Cooperative Program and the Annie Armstrong Easter Offering.

Churches in our association that sponsored mission volunteers were Bullock, Corinth, Creedmoor First, Oxford and Pleasant Grove.

We've looked back, now we should look forward. We need to break out from behind the walls of the church and go to the people who need to feel the tough of God's love.

Respectfully submitted,
Mrs. C.W. (Julia M.) Thompson

No. 31 **DIRECTOR OF MISSIONS ADDRESS**

"Risk Something New" Isaiah 43:16-21

"Risk something new--pushing the boundaries" is the theme for the 1997 associational emphasis and for the 204th annual session of the Flat River Baptist Association. It is a theme closely intertwined with the Bible's emphasis on missions and vision. Risking something new involves building on the old, breaking the mold, being bold, and going for the gold.

I. Building on the old means that we appreciate all that has been done in the past to bring us to where we are today. We are indebted to this association's 204 years of history, dedication and sacrifice. Old is not a bad word and does not have to mean "out of date." Let's keep the old programs and organizations which are still useful and use the ones we discard as springboards to something even better.

In keeping with our emphasis on "pushing the boundaries", fourteen of our churches have already voted to participate in the association's World Mission Conference in May of 1999.

The generation gap is still evident in our churches, with many older members wanting to "play it safe" about entering into any new programs or challenges. On the other hand, many of our younger people push the boundaries quite far, feeling that old ways should give way to new just because they are new.

All of us need to remember that wisdom, dedication and commitment did not begin with us and our genergation. Let's be very careful how we criticize those who have gone before us. We must find ways for old and young to work together with a blend of old and new ways if we are to continue to see God's work as we have seen in the past.

II. Risking something new often involves **breaking the mold.** Many churches get in a rut, carrying on business as usual with little understanding of why they are doing what they do. Ralph Neighbor titled his book, The Seven Last Words of the Church, which are "We never did it that way before." Sound familiar?

Jesus said that new wine requires new wineskins. Paul said, "I have become all things to all men that by all means I might save some." This means not being confined to traditional ways of doing things.

No longer satisfied with carrying on "business as usual," our association is launching into new ventures, "risking something new." One evidence of this is our brand new disaster recovery trailer. Another new opportunity is partnering with other associations in hosting Belarussian children and interpreters for six weeks next summer.

III. Risking something new also requires **being bold.** Change always involves risk of failure, pain and embarrassment. Are we bold enough to minister and witness at the new Polk Youth Center in Butner, where our association has been invited to minister? Are we bold enough to evangelize unreached areas in our association through beginning Bible studies, mission points or churches as needed? Are we bold enough to lift the needy through literacy and child advocacy programs? Are we bold enough to provide adequate facilities for our church and community ministry? Are we bold enough to establish a Damascus Home for Women?

IV. Risking something new also means **going for the gold,** or, to borrow a U.S. Army recruiting slogan, to be all that we can be. We don't have to do something just because another association is doing it. But we do need to be involved in the projects and ministries which we feel God is leading us to do. Beginning the seminary extension program in our association this year is a good example. Another is the possibility of joining a number of other associations in our state in a partnership with South Africa.

In order for us to "go for the gold" in our ministry and witness, we must remember that "charity begins at home." we cannot share with others what we do not live among ourselves. The early Christians "turned the world upside down" for Christ because the world looked at them and observed, "Behold how these Christians love one another."

In a spirit of mutual love and fellowship, let us determine to build on the old, break the mold, be bold, and go for the gold, as we keep our eyes on Jesus, the author and finisher of our faith. May God bless us and empower us to serve Him as we serve others in His name.

Dr. Paul B. Johnson

No. 32 **MISSION DEVELOPMENT DIRECTOR**

In Matthew 28:19-20, our Savior issued His "Prime Directive" (to) "Go therefore and make disciples of all the nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit, teaching them to observe all things I have commanded you; and lo, I am with you always, even to the end of the age" (NKJ). That is or should be the guiding understanding for all our missions.

In Article VI, Section 3 of our Association's Bylaws, the Missions Development Director is charged to discover the missions needs of our association and to assist the churches in developing those missions opportunities. I began a three step process to carry out that mission. These steps include: (1) discovering what we are doing in Missions in Flat River, (2) discovering further opportunities for missions in Flat River, and (3) developing methods to do those missions once identified. My methods included finding training for myself as to the work of the Missions Development Director, meeting with the others you have charged with missions responsibilities in one or more areas of missions, and working to establish missions where they are needed.

You have already heard from each of the directors of the several areas of missions - Brotherhood, WMU, CCM, etc. I will not repeat what they have said except to say that this year we have embarked upon a cooperative effort to assist each other with our responsibilities, to try to avoid duplication of efforts, and to develop new and, I believe, exciting ways to minister to those around us in the name of our Lord and Savior Jesus Christ. Among these are a Missions Fair to help educate the people of all the churches as to the work of our association and its member churches which we will repeat this in 1998, the Belarussian Children's Mission for the summer of 1998, and a World Missions Conference in May 1999.

No. 33 **FRBA COUNSELING SERVICES**

Greetings to all of you in the name of Jesus Christ our Lord!

I want to thank the Flat River Association for your support of the ministry of pastoral counseling which I have

been providing to people within your area since October 14, 1993. As this ministry begins its fifth year of service this is a time to reflect on its mission, its design,the response it has received, and how you can refer people who need this ministry in their lives.

The mission of this pastoral counseling ministry is to support the ministries of pastors and local congregations by addressing the mental health needs of individuals,couples and families. Pastoral counseling supports and affirms people's relationship with God, but it does not duplicate the important pastoral care which pastors provide to *all* of the members of their congregations. Rather, it seeks to address the deeper emotional issues of *some* people --issues that lie beyond the constraints of time and beyond the degree of specialized expertise of the average parish minister. As these deeper emotional and relational needs are addressed, clients are empowered to live out their faith more fully in their families, congregations and local communities.

Pastoral counseling also includes thoughtful assessment of whether other health, or mental health needs may be manifest -- needs which may be more fully assessed and sometimes treated best by consultation with, or referral to other professionals in psychiatry,psychology,social work or general medicine. Sometimes a medical condition such as diabetes or a thyroid problem can have a significant impact upon a person's mental health and well being. Because pastoral counseling is concerned with the well being of the whole person and the whole family, it seeks to work in tandem with other caregivers when this is indicated.

The Flat River Association has faithfully supported this ministry through the provision of facilities and mileage. Beginning in the fall of 1993 Oxford Baptist Church provided a Sunday School room and some furniture as a secure and private space in which pastoral counseling could be conducted weekly on Thursdays. As response increased, it was decided to open another pastoral counseling location on Tuesdays at First Baptist, Creedmoor beginning in June of 1996. The hospitality of both congregations has been wonderful, and I thank God for their support. I also deeply appreciate the sensitivity of personnel at both churches for their concern about clients' needs for privacy and confidentiality.

When the Flat River Counseling Service was founded, the Association envisioned that this pastoral counseling ministry would not be limited to members of Baptist churches, but would be open to persons of all faiths. Therefore, the support and involvement of the Oxford Area Ministerial Association was warmly welcomed. The Ministerial Association has undergirded this ministry by providing a limited amount of financial support for persons who cannot afford to pay for the care they receive.

An indication of the degree to which the pastoral counseling ministry has been utilized can be glimpsed from the following statistics. In 1995 a total of 227 client house of pastoral counseling were provided. This reponse was difficult to accomodate solely on Thursdays in Oxford, so at the invitation of First Baptist, Creedmoor, the decision was made to add a Tuesday schedule in Creedmoor, In 1996 the total number of client hours rose to 343. Since client hours have been calculated on a calendar year basis, no figures are available at this time for the current year. With the addition of client hours on Tuesdays in Creedmoor, another important factor of confidentiality has been added. Some clients prefer to travel from Oxford to Creedmoor, or vice-versa in order to enhance the privacy of their seeing me, since they know so many people in their home community. At other times, having a second option helps busy people to fit pastoral counseling into their hectic schedules.

I want to conclude this report with a few words about referral. People are always welcome to refer themselves for pastoral counseling, or their pastor may be happy to assist them in the referral process. Calls made from the Oxford - Henderson area should be made to the Flat River Counseling Service at 919-603-1003, extension 6#. These calls are automatically call-forwarded to my office in Durham. Calls from Creedmoor or Butner exchanges can be made toll-free to 489-6452, extension 6#, which is my office in Durham at the Pastoral Care and Counseling Institute. Anybody who wishes more information about pastoral counseling is welcome to call me and leave a message at one of these numbers. Please leave your name, phone number(s), and times at which you can be reached.

No. 35 **ANNUITY BOARD**

The Southern Baptist Convention has given three ministry assignments to the Annuity Board: Management of Retirement Annuities, Relief for Ministers and Their Widows, and Insurance and Risk Management Programs. Our motto is **Serving Those Who Serve the Lord.** We've been doing it since 1918.

Retirement preparation is a career-long endeavor. It requires a commitment by the participant and the employer. The money contributed is invested according to individual participant goals and risk tolerance. Then, at retirement, each participant chooses from a variety of benefit options. In 1996, the Annuity Board paid more than $200 million in benefits and at Dec. 31, there were 27,865 on the retirement benefit roles.

Relief benefits totaled $1.51 million last year. In addition, at year end we were paying an extra $50 each month to 2,124 individuals or couples through the Adopt An Annuitant Program. Relief benefits were funded by the Cooperative Program ($1.19 million) and from earnings on the Retired Ministers' Support Fund of the Annuity Board. Adopt an Annuitant benefits are funded by direct gifts to the Board from interested individuals, Sunday School classes or other groups.

Insurance benefits paid in 1996 for life, health, accident and disability claims totaled $107.8 million.

In 1996, trustees of the Annuity Board adopted a resolution, "That no retired ministry or his widow should live in poverty." To fulfill that promise, some $12 million will be required in the period 1997-1999. Many retired ministers and widows of ministers do not have adequate financial resources to meet their needs. The Annuity Board cares deeply about these people, and Southern Baptists care, as demonstrated by gifts to the Cooperative Program and Adopt An Annuitant.

Relief will always be a vital part of the Annuity Board's work, but we are committed to promoting proper planning and preparation for retirement and protection from disasters. To that end, the Annuity Board offers a wide range of products and services for Southern Baptist churches, associations, institutions, state conventions and their personnel.

The Church Annuity Plan is the retirement plan designed for pastors, other ministers and eligible employees. It is

administered by the Annuity Board in partnership with state conventions.

The Personal Security Program and Employer Security Program offer a variety of insurance plans. They include term life, personal accident, disability and a choice of medical plans.

No Cooperative Program money is used for Annuity Board operating expenses.

The Baptist State Convention of North Carolina Statistics as of June 1997: 3,970 active participants in the Church Annuity Plan; 60% of churches active in the Church Annuity Plan; 2,637 persons receiving retirement benefits; and 364 are helped by the Adopt An Annuitant and Relief ministries.

No. 37 **NORTH CAROLINA BAPTIST RETIREMENT HOMES**

Thanks to you, North Carolina Baptists! Our February offering this year was the strongest yet and gifts through the Cooperative Program have come to us above the norm.

A new place, Cliffwood Retirement Community, in Fayetteville, is due to open in early 1999. This place is designed to meet the needs of middle income Older Adults and will offer residents a continum of care ranging from Independent Living and Assisted Living options to nursing care.

A new continuing care retirement community in the Concord area has begun with ground breaking expected in the spring of 1998.

Among the news programs are the Solarium Programs for Older Adults suffering from dementia related disorders that are well established in the Prince Nursing Center at Brookridge Retirement Community in Winston-Salem and in the Rickman Nursing Center at the Western N. C. Baptist Home in Asheville.

A new home and community based program offering respite care to Older Adults in the Asheville area began this year. This service provides safe, structured, creative enrichment for seniors diagnosed with dementia-related disorders such as Alzheimer's disease, and provides relief for families giving in-home care to these dear ones.

New people have joined the ranks at our homes in Winston-Salem, Albemarle, Hamilton and Asheville during the past year. We are grateful for these as well as those who

have been serving in various positions to "give a cup of cold water in Jesus' name.

In behalf of our North Carolina Baptist Older Adults, I say "thank you" for your prayers and gifts which enable us to make life for Baptist Older Adults...The Best of Times!

No. 38 **ASSOCIATIONAL MEDIA LIBRARY**

The associational Media Library leaders met once this year in March with two present. I am ashamed to say but the library ministry has gone down. We had a representative to attend Key Leadership Conference at Ridgecrest in May.

Mrs. Vickie Stigall is the new Associational Library Director. Please support her as we begin a new year of working for our Lord through Church Media Libraries.

Thank you for your support through the years I have tried to lead the Associational Library. Any time I can be of service to you, please contact me at home or at West Oxford Baptist Church.

Mrs. Marie Duncan

No. 39 **NORTH CAROLINA BAPTIST HOSPITAL**

There is no way to include in this report every part of the ministry that North Carolina Baptists are involved in at our hospital in Winston-Salem. Since opening its doors in 1923, our Hospital has remained fully committed to the purpose of carrying out a ministry of healing as taught by Jesus Christ. Those I know who have been treated at NCBH are most aware of the Christian love and care received there.

Many wonder what the Mother's Day Offering received each year is used for at our hospital. This offering has been received since 1924. The offering amounted to $456,497 last year. It was used exclusively to help patients who had little or no health care insurance or other financial means to pay their hospital bills. Over $200,000 of this money was used to assist members of Baptist Churches in our state.

The Pastoral Care Department continues to be a pride and joy for North Carolina Baptists. Those involved in this ministry are at the forefront reminding the doctors, staff and patients that our God is the Great Healer. Last year, over 50,000 contacts were made by this ministry with the people in the hospital and clinics. Under this division is a ministry called The Center for Congregational Health,Inc. It exists to assist ministers and churches as they face the challenges of today.

Among the recognitions given N. C. Baptist Hospital last year was reported in the February issue of Applied Clinical Trials ranking it in the top 10 U. S. clinical research institutions.

This report could go on and on -- you get the picture. Our N. C. Baptist Hospital cares for people in the spirit of our Lord. We are grateful to God for helping us show His love through this ministry.

No. 41 **THE BIBLICAL RECORDER**

These are "watershed years" for Baptists. Analysts almost daily remind us that the radical changes in society and the erosion of so much that has been precious to us in our religious life is creating a time of major "transition" as we Baptists and other church groups face the 21st century.

The Biblical Recorder tries to tell the whole story with a focus on the many positive things people are doing in their churches and world missions, along with the crucial issues which cannot be concealed and ignored if we honor our heritage from yesterday and fulfill our mission for tomorrow.

The Biblical Recorder should be in every Baptist home in North Carolina. Your support as a subscriber and reader, coupled with your encouragement to others, will enable the paper to better serve the constituency with accurate and helpful information.

The paper deliberately focuses more attention on North Carolina Baptists with news, features and inspirational articles which will encourage individuals and churches in their witness and ministry. One sure way to conquer problems and overcome the barriers to effective witness and ministry is to have the facts, know the issues and be adequately informed.

UPDATED HISTORY OF TALLY HO FIRST BAPTIST CHURCH

This church's history was featured in the 1978 Annual of the Flat River Association and this is an update from that year.

This church, organized in 1850, was originally called Mt. Pleasant. Then in 1856 the church was later named Tally Ho, in 1858, Tally Ho Union, in 1862, Tally Ho Baptist Church and in 1971 it was named Tally Ho First Baptist Church.

The history of Tally Ho First Baptist Church begins with the emergence of the village of Tally Ho in southern part of Granville County, N.C. in the late part of the 18th century. The name "tally ho" seems to have been directly related to fox-hunting activities in and around this farming community.

Tally Ho was received into the Flat River Assoc. in 1850 with church membership listed that year in the minutes to be 10. In 1855, 35 members were listed,and membership increased to 87 in 1866. Membership today is 335.

Construction of a 1-room frame rectangular building was completed in 1910 and is the present sanctuary. The baptismal pool was installed in 1972. Many additions and improvements have been made to the church throughout its history including a fellowship hall built in 1988 as result of a bequeath of a longtime member,Miss Kathlene Stem.

At the present time, Tally Ho First Baptist has an active Sunday School, worship service, Awanas, Bible study on Sunday night, and visitation on Wednesday nights.

Pastors serving this church since 1979 have been Carey J. Cobb; Cliff Houston; Randy Hall; David Beck; with James Biesiadecki as the current pastor.

UPDATED HISTORY OF CREEDMOOR FIRST BAPTIST CHURCH

The First Baptist Church, Creedmoor was formally constituted on December 14, 1895 with seven persons entering into the constitution. Membership remained at seven when the church applied for and was admitted to affiliation with the Flat River Baptist Association in August 1896. A total of 106 members was reported in 1915-16; grew to 504, in 1979-80; and the membership is reported 1996-97 to be 766. The church's history was featured in the 1978 Annual of the Flat River Baptist Association and this is an update from that year.

The first church structure was remodeled in 1924 with a seating capacity of 300, and was in use until 1950, at which time the present structure was erected and in 1965 the educational building was added.

In 1997 the church purchased additional land behind the present structure to begin another addition in 1998. This new addition will consist of new administrative offices, fellowship and multipurpose hall, and additional Sunday School classrooms.There will also be major renovation of the present building to include a larger nursery and a bridal parlor.

An additional parcel of property directly across the street from the church has been purchased for additional parking and future expansion with the added bonus of a warehouse for the "Candle of Love" Ministries.

James (Jim) McBride served as pastor from 1977-79. He has been succeeded in the pastoral office by the following ministers: Richard Shaw; Donald A. Williams;and present pastor is Don Brown.

FRBA GENERAL BOARD

The FRBA General Board met three times this past year. All of the meetings were held at West Oxford Baptist Church. At each meeting various department directors and ministries gave complete reports, and a complete record of each meeting is in the hands of the secretary at the associational office should anyone desire to see these reports. Moderator Jerry Faulkner presided at each of these meetings.

January 13, 1998 - There were 29 churches represented at this meeting with a total attendance of 79.

1. Dr. Steve Bolton, vice moderator, presented two motions from the Executive Committee, which were passed. First, that the Flat River Association make request for the following 1999 Cooperative Agreement Funds from the Baptist State Convention of N.C.: $4000 for CCM director salary assistance; $1000 for Migrant Ministry; $2000 for Language missions (Hispanic ministry) director salary assistance; $500 for Seminary Extension program; $500 for Ministerial Ed/Support program. Second, that Mrs. Norma Leigh Critcher of Tabbs Creek Church and Mr. Scott Harkey of Olive Grove Church be elected to serve another term as General Board At-Large Members to the Executive Committee.

2. Mr. Pello Duncan of the Property Committee presented a proposal to the General Board to purchase a parcel of land on the Oxford Loop owned by the Masonic Home for future development. Proposed that the balance of the Edwards Fund be divided equally between the FRBA Disaster Unit Fund and the FRBA Balarussian Children Project Fund, due to the death of Mrs. Sarah Edwards (wife of former FRBA dir. of missions, W.J. Edwards). There was $1,118 plus accrued interest remaining in the fund.

3. Proposed that a Church Staff Emergency Fund be established in the FRBA Designated Funds to help with needs as they arise similar to a recent accident to one of the pastors in the association.

4. Dr. Bolton announced that Norman Jones, Jr. stated at the April Executive Committee meeting that he was retiring from the FRBA Treasurer position at the end of the church year, but would compile the year-end reports and make the reports at the upcoming FRBA Annual Meeting. This information was received with much regret.

Mr. Jerry Faulkner, President
Flat River Baptist Assoc., Inc.

No. 2 **SUNDAY SCHOOL**

In order to help with the Winter Bible Study, the associational Sunday School provided each pastor a free copy of the 1997 study book, "Timely Answers To Key Questions." Also, other helps were made available. The 1999 Winter Bible study is on the Book of Joshua. I hope each church will plan to schedule this study during the coming year.

Then in the Spring we worked with the Baptist State Convention and two other adjoining associations with our VBS Clinic. It was held in Henderson with State workers leading the conferences. There were 33 Vacation Bible Schools held this summer with an enrollment of 3,213. Several churches reported adult classes were provided and we encourage this. Offerings received during VBS totaled $2,127 going to the Cooperative Program and $3,507 for other causes. Reports revealed that 332 prospects were added to the prospect files. We rejoice over 38 decisions for Christ that were made during this year's VBS. Pleasant Grove reported 171 enrolled in their Mission VBS. There were 123 enrolled at the Mission VBS held through the Oxford Housing Authority and 113 enrolled at the Masonic Home for Children in Oxford VBS. We

hope each of our churches will have VBS next year.

With the church year beginning in September, we were forced to have the Sunday School leadership training in August. We appreciate Oxford Bapt. Chr. hosting this and we used the series, "The Power To Change Lives." Attendance was not as well as we had hoped.

In addition to the book being taught, the State Sunday School department provided a free copy of the book, "The Power to Change Lives" for each pastor in our association. This book is a complete guide for the 1998-99 Sunday School year. We want to build in each church a Great Commission Sunday School. This guide has everything we need, except the people and them working.

Respectfully submitted,
Rev. Robert W. Baynard

No. 3 **WOMAN'S MISSIONARY UNION**

The Woman's Missionary Union of the Flat River Baptist Association began the year with a training session held at Delrayno Bapt. Chr. on Sept. 15, 1997. The theme for the year was "Come, go with me." The churches were challenged to take a fresh look at needs outside the church walls and to start new ministries.

At the Baptist Men/WOM Banquet in January we saw and heard Miss Annie Armstrong, as interpreted by Patricia Frazier.

WMU sponsored a Pastor Appreciation Banquet this year on Feb. 7. The program was presented by Genny Robertson as "Little Sadie." We hope this will become an annual affair.

The Spring Meeting was held at Corinth (March) with missionary speakers Frank & Carmen White from Indonesia. The various age groups held their special meetings throughout April and May.

Missionaries Ron & Evelyn Hill from Thailand spoke to the Girls in Action April 25 at their Day Camp at Pleasant Grove. Speakers for the Mission Friends Day Camp at Peace's Chapel May 16 were Ron & Margie Carothers. Mrs. Ethel Whitby, a missions volunteer for Honduras, was the speaker for the Acteens' Mother/Daughter Banquet at Mountain Creek on April 27. The WOM#2 Banquet was at Peace's Chapel on April 24 and Mrs. Zelle Phillips, missionary to Bogota, Columbia was the guest speaker.

WMU groups in the churches were very involved in helping with the needs of the Belarussian children during the Summer.

Respectfully submitted,
Mrs. Vera Johnson, FRBA WMU dir.

No. 4 **DISCIPLESHIP**

November ushered in the 1997-98 year with a Discipleshi Fair and Rally. State Convention staff and special workers, who are experts on all Discipleship Resources, were available to answer the questions of those who visited their booths. The festive evening, open to everyone, was enjoyed by representatives from our associational churches. There were good refreshments and good fellowship.

The Rally followed in the Sanctuary of West Oxford Bapt. Chr. with special music by Lynn Moorman, Candice Compton and J. Kelley Whitehead. Doug Colquitt shared his testimony. Wendy Minton Edwards, regional missionary and associate of Laity Leadership Development of N.C. Baptist State Convention, was the keynote speaker. It was a very special evening.

Stacy Hayden of Providence Bapt. Chr. continued to represent FRBA in Youth Bible Drills. Qualifying as associational winner, she went on to place as a high scorer for the Regional Drills, becoming a State Winner. Stacy was a terrific driller and winner for six years. Congratulations, Stacy! She was presented a check of $50 from our association to recognize this accomplishment.

My prayer is for FRBA to grow and equip disciples to do our Father's work.

Respectfully submitted,
Mrs. Jeanie Whitehead, Discipleship dir.

<>The week of November 2-8 was designated and observed by many of our churches as Royal Ambassador Week, with recognition of advancements and achievements in the program.

<>The Rest Stop "Safety Break" was well attended by several Baptist Men and Women of the FRBA. On November 26 & 30th, over 600 cups of coffee were served. There was time to share testimonies of why we were doing this, there was even an opportunity to repair an auto for some travelers.

<>The Annual Baptist Men and Women's Mission Banquet, Jan. 23rd, was enjoyed with an attendance of 470 plus.

<>The Baptist Men's Convention in Raleigh was attended by many of the FRBA men and wives, January 30-31.

State Competition -Darrell Shotwell placed 2nd in Frisbee throw, and Daniel Blackwell placed 4th in 200 meter dash. Both of these young men are from Amis Chapel Chr.

<>RA Congress, March 14th, exceeded last year's attendance with over 150 participating in the activities. Registration began at 8:15 with plenteous activites until 3 pm ending with the Awards Ceremony. Activities included: Car Races, Mission Fair Exhibits, Air Rifle Competition and Field Events. Special guests were: Kelley Whitehead, leading music and Missionary Ron Hill, retired from Thailand, bringing a challenge to do missions.

<>The FRBA Annual Training/Baptist Men's meeting was held August 17. This year we began with a Fish Fry. The attendance was in excess of 75.

<>Disaster Recovery Training was attended by 34 at West Oxford Bapt. Chr. August 22. Some of these 34 went on to Cary, Sat., Sept. 26, for further credits.

<>The Disaster Recovery Unit is complete and ready for use whenever a need occurs. It is also available for "Show and Tell" if anyone would like to have it for a Special Program] Emphasis.

Thank you for your support this past year. I believe this has been a very fruitful year in FRBA Brotherhood, and look forward to the new year opportunities.

Respectfully submitted,
Dr. W. Jim Whitehead, Brotherhood dir.

No. 6 **NORTH CAROLINA BAPTIST HOSPITAL**

In May of this year the N. C. Baptist Hospital celebrated 75 years of service to the people of North Carolina. When the hospital was birthed, the vision of North Carolina Baptist was to extend the healing ministry which was demonstrated by Jesus Christ. We Baptist can be proud of the fact that this vision has been real for these 75 years.

Each year Baptist churches throughout North Carolina receive an offering at Mother's Day for our hospital. Last year over one-half million dollars were given. This was used exclusively to help patients who had little or no health care insurance to pay their hospital bills. Almost one-half of this was used to help members of Baptist churches in North Carolina.

Healing the sick body is at the core of Baptist Hospital ministry. Our hospital is a world leader in care of the total man. The Department of Pastoral Care is a model for many, many other institutions of healing. A part of this ministry

today extends into the local congregation as assistance and training is provided troubled congregations.

Our hospital is ranked in the top 10 U.S. clinical research institutions in the nation.

The Hospital is grateful for North Carolina Baptist -- their financial support and their prayers.

Respectfully submitted,
Rev. Emmanuel P. Pegram, FRBA Representativ

No. 7 **PERSONNEL COMMITTEE**

The Personnel Committee met on June 9th to review the personnel section of the budget for 1998-99 and make recommendations to the Finance Committee. The Personnel Committee chairman brought these recommendations to the Finance Committee at its meeting on June 16th.

The Personnel met on September 24th and approved the recommendation of the Hispanic Missions Committee to employ the Reverend Felipe PoloWood as pastor of Mision Bautista Hermandad.

Respectfully submitted,
Mr. Scott Harkey, chairman

No. 8 **INTERNATIONAL MISSIONS**

Southern Baptists' ministry is among international peoples who are foreign only in the sense that they are alienated from God. Since His love knows no foreign boundaries, neither will the mandate and ministry of the International Mission Board. For 153 years, Southern Baptists have rejoice in God's harvest blessings on their foreign mission enterprise. We are grateful for all our missionaries, short and long term, and all the many volunteers who are helping to plant, water and harvest.

The Honduras Mission Team of 22 volunteers from churches in Granville and Vance Counties; Mr. David Blackwell from th Mountain Creek Church on a mission work team to Germany; Mr. Brad Woodlief, Hester Church, on a mission trip to Russia; and Rev. Bob Baynard, his wife, Joann, and Mr. & Mrs. Edward (Margie) Melton, of the Sharon Church; are the ones we know this year that helped to plant and water that the harvest of souls on our international fields willbe greater. Contact or of these about presenting a program at your church.

Continue to pray for International Missions and to give through the Cooperative Program and the Lottie Moon Offering

Respectfully submitted,
Mrs. Jannie Preddy, FRBA IMS Rep.

No. 10 **FRBA DAMASCUS HOME, INC.**

The Flat River Baptist Association Damascus Home, Inc. is currently on sound financial footing, at full occupancy, and growing spiritually.

The Damascus Home still has two vehicles with a 1993 Chevrolet Lumina van being the most recent purchase. A donated 1986 Buick Century is still in use as the other vehicle. Transportation to and from work is the major vehicle use, but a road worthy vehicle like the van, facilitates trips to Hebron Colony, Bethel Colony, or other sources or programs supplying Damascus Home clients.

Bible studies continue in the Home led by Eddie Mauldin, Associate Pastor First Baptist Church, Creedmoor and Damascus Home director. At present we also have a live-in senior resident, Monte Baskerville, who is in charge of duties in the Home reporting to the director.

Ministry at Damascus has turned outward, our greatest accomplishment, as we strive to meet the needs of others with addictive problems employing the manpower that our Savior, Jesus Christ, has assembled in His Home, Damascus Home.

Please be on the look out for a Damascus Home study Bible course called "The Man God Uses."

Respectfully submitted,
Rev. Eddie Mauldin, director

Mrs. Sarah M. Edwards' death was on Tues., February 10, 1998 at her home in Winston-Salem, N.C. A grave-side funeral service was conducted on Fri., February 13, 1998 at Tabbs Creek Baptist Church, led by Rev. Lemar Wheeler.

Her family expresses appreciation to each church and each person who had any part part in the ongoing love and concern for her since the death of her husband, Rev. W. J. "Bill" Edwards, on Nov. 10, 1977. This Association is to be commended for the monthly love offering that was sent to Mrs. Edwards since 1978.

Report by: Gerald Rene H. Frazier, FRBA Secty.
Norman S. Jones, Jr., FRBA Treas.
Report made for FRBA Annual Meeting, October 19-20, 1998

FOR YOUR INFORMATION:

The Edwards Fund was begun as per a recommendation presented in January, 1978: "The Executive Committee (now is General Board) voted to approve a recommendation from the Flat River Ministers' Conference as follows: That the churches of the Flat River Baptist Association receive a special offering annually for Mrs. W.J. Edwards on a date to be set by the Moderator, and that the money received in the offering be placed in a savings account from which Mrs. Edwards would be sent an amount each month as a love gift to supplement her income. The balance of any funds that remain at Mrs. Edwards' death would be used for burial expenses, if needed; and the remainder would revert to the Association to be used for mission causes."

APRIL 21, 1998 at FRBA General Board Meeting:
A recommendation was presented by the Executive Committee that the balance in this fund plus accrued interest be equally divided between the FRBA Disaster Recovery Unit Fund and the FRBA Belarussian Children Project Fund. This was approved. This account was closed out on May 15, 1998 with the following division:

FRBA Disaster Recovery Unit Fund	$ 587.24
FRBA Belarussian Children Project Fund	587.23
	$1174.47

ADDITIONAL INFORMATION:

A wreath of flowers was sent to Mrs. Edwards' funeral from the Flat River Baptist Association. Since then, a letter of appreciation has been received from her family to express appreciation for all acts of love shown to Mrs. Edwards during her confinement and death. Several from the Association attended the funeral at Tabbs Creek Bapt. Chr.

To the Board of Directors
Flat River Baptist Association
117 West McClanahan Street
P.O. Box 944
Oxford, N.C. 27565

We have compiled the accompanying Statements of Cash Receipts and Disbursements of the General Fund, Designated Funds, Edwards Funds, CCM/WMU Funds, and the Damascus Home Funds of the Flat River Baptist Association (a non-profit organization) for the years ended September 30, 1998 and 1997, in accordance with Statements on Standards for Accounting and Review Services issued by the American Institute of Certified Public Accountants.

A compilation is limited to presenting in the form of financial statements information that is the representation of management. We have not audited or reviewed the accompanying statements of Cash Receipts and Disbursements and accordingly, do not express an opinion or any other form of assurance on them.

Management has elected to omit substantially all of the disclosures ordinarily included in financial statements prepared on the cash basis of accounting. If the omitted disclosures were included in the financial statements, they might influence the user's conclusions about the Associations's cash receipts and disbursements. Accordingly, these financial statements are not designed for those who are not informed about such matters.

NOTE FROM FRBA CLERK: A complete copy of the compilation from the auditor's firm is on file in the associational office at 117 W. McClanahan St. and also a copy is on file with the FRBA Damascus Home, Inc. treasurer should anyone desire to see same.

No. 16 **THE 1998-99 FRBA FINANCE COMMITTEE PROMOTION**

We appreciate the financial support that the Association received from the churches in 1997-98. Each of you should have access to a copy of the 1998-99 FRBA Budget. Our Finance Committee tried to keep this Budget at a level that would not cause a financial burden to any one of our churches but at the same time offer a diversity of ministries and services. The 1998-99 Budget reflects an increase of $4,182 or a 3.46% increase over the 1997-98 Budget. The 1998-99 FRBA Budget totals $124,951.00.

We encourage all of the churches to be in prayer about increasing their financial contributions to support this budget and you are encouraged to take advantage of all that our Association has to offer.

I would like to thank all of those that have been in prayer and have worked long and hard on the 1998-99 budget. Our chairman, Mr. Hesley Clark, led us well and we wish him a good recovery from his surgery which keeps him from being with us for this meeting. Other members of this committee were: Mr. Robert Montague, Bullock Church; Mr. Ronald Bennett, Island Creek; Mrs. Rosa Overton, Providence; Mr. Leonard Daniel, Mount Zion; and Mr. Norman Jones, Jr., FRBA Treasurer and ex-officio member.

Respectfully submitted,
Mr. Robert Nugent, Member, Finance Committee

No. 19 **YOUTH MINISTRY IN FRBA**

The 1998 FRBA Youth Rally was held March 14th from 6 pm to 9:30 pm at Pleasant Grove Bapt. Chr. The theme was "What Would Jesus do." A hot dog supper, praise songs and a time of fellowship was enjoyed by a well-attended group. The main feature was "Zachia's Tree", a Christian Band presenting a musical program.

The Master Control Curriculum is being considered as a local day program but you will hear more about this later.

I want to present for consideration that youth in our FRBA churches be contacted to be involved in a "youth walk" to raise monies for Habitat for Humanity. Also, maybe bringing youth groups together to work on a local Habitat project.

The Spring event for all youth in Flat River is being scheduled for March 20, 1999. Youth like good Christian music and games and hotdogs.Once again,the event will offer fun and fellowship. Cost is around $500-700 depending on entertainment.

Our ministry goal is to reach youth and strengthen their bonds with Christ and one another. To confirm and schedule actual dates for activities, I hope to schedule a Youth Leaders' Meeting in middle November.

Respectfully submitted,
Neill Currin, FRBA Youth dir.

No. 20 **FRBA CHURCH AND COMMUNITY MINISTRY**

"Praise the Lord for all His blessings." There have been times last year when we wondered how we were going to meet all the needs in our community. God never gives us something to do that He doesn't supply what we need. This ministry can only succeed through your support and prayers. The Christmas ministries were a great success last year but that is not our only ministry. We have at least fifteen more going on all the time beside those at Butner.

These are a few projects that have been accomplished--21 children's rooms were decorated at John Umstead Hospital. Over 200 boxes were supplied for the Franklin Graham Operation Child Project. School supplies were provided for children that were in need, the schools asked for help. One school called because two children did not have clothes to attend school so clothes and shoes were provided. Furniture,clothes, personal items, bed linens and kitchen needs were provided for several burned-out families. Remember, there is a lot to be done right here in our area. We held VBS at the Masonic Home for Children in Oxford and a Backyard Bible Club at the low-income apartments. This list could go on and on. If you hear of any need, please call and we will help.

For the first time, a "Volunteers Appreciation Reception" was held. Each church was asked to nominate some one to be "Volunteer of the Year" for the association. All the volunteers were invited to attend. Woodis and Lois Vaughan of the Amis Chapel Church were elected.

Please keep these ministries in your prayers. God bless each of you as we work together.

Respectfully submitted,
Mrs. Virginia Tuck

No. 21 **MISION BAUTISTA HERMANDAD**

The Lord has been good to us this year at the Hispanic mission. Of course, the greatest need we had was for a pastor and God has wonderfully met that need. Rev. Felipe PoloWood has been serving as the interim pastor for the past year. All year long the people in the church have been praying and seeking God's will as to who would pastor the church. So has Felipe. God brought those prayers together and the answer was that Felipe agreed to accept the call as pastor and he began serving October 1, 1998. We look forwrad to his continued leadership and God's blessing on the mission.

The mission had ten baptisms this past year and three were baptized this past Sunday in the new year. Our services are still on Sunday afternoons, Bible study on Wednesday nights, youth meetings on Saturday nights and monthly in-home Bible studies.

One of the men was asked to teach a Sunday School class at Rock Springs Baptist Church to Hispanics in July. He has had good attendance and three men have accepted Christ in just the six weeks they met. Felipe is holding

Felipe is holding classes now to teach the members to be better teachers and leaders in the church. An outside speaker came this year to lead in a Family Life Conference. At various times, they have had Friday night Christian films at the mission for outreach and have handed out fliers at local shopping areas. The burden of the church now is for evangelism. There's a growing Hispanic population in our associational area and the need is to reach these people for Christ. Pray that God will raise up those to reach these people and as we give Him the Glory, He will give the increase. Thank you for your continued support and prayers for this needed ministry.

Respectfully submitted,
Mr. Bobby Temple, chairman
Hispanic Mission Committee

No. 22 **CHRISTIAN EDUCATION**

The Council on Christian Higher Education was founded in 1944 for the purpose of assisting colleges and churches within the Baptist State Convention of North Carolina. Baptist colleges, including Chowan, Campbell University, Gardner-Webb University, Wingate University, Wake Forest University, Meredith and Mars Hill fulfill their specific missions under the leadership of the trustees, administrators and faculty. While the Council does not exercise any authority over the colleges, it does study and recommend to the General Board of the State Convention in matters related to Baptist colleges and the Baptist State Convention. The Council has proved to be a mediating influence in relating the colleges to each other, to the church, and to the Convention.

Executive Directors of the Council have included Claude Gaddy, Harold Cole, Ben Fisher and T. Robert Mullinax. Following Mullinax's retirement this year after serving for 27 years, the Council and Executive Committee of the General Board invited Wayne D. Wike to become the Council's fifth leader. Rev. Wike has served North Carolina Baptists in a

number of ways to include Chairman of the Committee on Nominations and the General Board Membership Study Committee and serving on the Committee on Committees, as well as serving at four North Carolina churches.

Council members include the college presidents,provosts chairmen of the Boards of Trustees, along with an equal number of General Board members. These individuals have greatly assisted the leaders of the Council over the years.

The Council is currently involved in planning strategy to assist our Baptist colleges and universities in meeting the great promise of the new millenium. Such preparation will lead to benefits for Baptist churches in North Carolina.

Respectfully submitted,
Mr. Leonard Rogers

No. 23 **1998 FRBA YOUTH MISSION TEAM**

On behalf of the 1998 FRBA Youth Mission Team, we would like to thank each church for your prayers, materials,Bibles and financial support for this year's mission trip. Five youth and three leaders represented the 1998 team. They were Mandy Capps, Bullock; Jessica Thomas, Dexter; Jill Vaughan, Grassy Creek; Katrina Johnson, Tungsten; and Tracy Wilson, Tungsten. Leaders were Pat Thomas, Dexter; and Roy and Susan Vestal, Grassy Creek.

Training for new leaders was offered in January with 3 adults attending. Only one of those adults could go with the team this year. We hope the other couples and possibly other can lead the team in the future. The call for youth team members went out to the churches on February 23, 1998 and after several letters to the churches and youth leaders, five young ladies were interested in going. We, the leaders, and Dr. Johnson were skeptical about sending only five youth. After much prayer, we trusted the Lord to use these five ladies to do His bidding in the mission field. In four training sessions the team trained in Backyard Bible study including: how to teach children, the Bible stories, witnessing, music, recreation, crafts and devotionals. We also made and collected materials to use for each planned session of the Backyard Bible Club. This training was to prepare us for a new work with Bethany Baptist Church of Neward, Delaware.

Our mission trip began with worship servie and send off from Dexter Baptist Church on Sun., July 26, 1998. Thanks to Pastor Neil Woodlief and Pat Thomas for planning this service for us. We arrived in Neward, Delaware around 6 PM and met with our hosts. Bethany Baptist Church, under the

leadership of Scott Adams, prepared two mission sites for our team. They also provided additional youth and adult help for the afternoon site. This is a great church to partner with in mission work.

Each morning the team shared Christ with Hispanic children at the Hispanic mission (New Hope Baptist Center) in Wilmington, Delaware. All of us were amazed at the living conditions of the people in that area of Wilmington. They live in very small row houses. Most of the children have parents who work and are not there to get the children up each morning and fix breakfast. This is usually done by an older elementary or junior-high age brother or sister. Each morning we did Bible study, games, crafts, and singing with 10-13 preschool and elementary age children. Each afternoon we did the same Bible study with different games and songs with 40-50 preschool, elementary and junior-high children in a very large public housing complex (approximately 900 families).

Besides sharing Jesus Christ, the team matured as Christians and grew close as a family unit. The growth was evident in written comments from our youth and following are some examples of their feelings:

"At first I didn't want to go, because I felt it would do no good, but I was proved wrong. The love we felt from those kids has showed me that love is found in all walks of life. I feel that what we have done has really made a difference in our lives as the mission team of '98, but also in the kids' lives as well. I am so glad that I decided to come because it has changed my life as a Christian."

"This week has shown me poverty. You know its in this world, but I had never experienced it. There is a need in the Delaware area and I feel we made a dent. Children need love, patience and we showed it."

"If I was asked to go again or if I would recommend a mission trip to someone else. My answer would be YES!!, with no hesitation. It is the best thing you can do."

"It was a blessing to be able to teach the word of God to children and that it will make a difference in their life! It really opened my eyes, because I never know that life could be so bad in the United States."

"This has been the most wonderful week of my life! It really makes you feel good to know that we taught so many children about Jesus Christ. ...There's no feeling like the one when a small child looks up to you and tells you "I love you" and gives you a big hug and a kiss."

It was a joy for the three leaders to watch this youth

team take the leadership in teaching the children, demonstrating the boldness to witness, and to grow into a family in Christ.

For the future of the FRBA youth and the lost children in Delaware, we request that the churches of FRBA continue to sponsor the youth mission team. The mission project for this summer is an area that can be a project for several years to come. Bethany Baptist Church has expressed an interest in working with FRBA in the future.

For the team and in His service,

Susan Vestal Roy Vestal Pat Thomas

No. 25 **ORDINATION COMMITTEE**

The Ordination Committee of the Flat River Baptist Association examined the following persons this year:

The Ordination Committee, upon request from Dexter Bapt. Chr., met for the purpose of examining Mr. Eddie Nutt for the Gospel Ministry. This meeting was on Nov. 6, 1997. After careful examination of Mr. Nutt, the Ordination Committee recommended that the Dexter Church proceed with Brother Nutt's ordination. His service was held December 7, 1997.

This Committee was asked by the Fellowship Bapt. Chr. to meet to examine Mr. Doug Vaughan for the Gospel Ministry. This meeting was held on March 20, 1998. After careful examination of Mr. Vaughan, the Ordination Committee recommended that the Fellowship Church proceed with Brother Vaughan's ordination. His service was held on Mar. 22, 1998.

Also, on March 20th, the Ordination Committee had a second meeting, upon request from the Tabbs Creek Baptist Church, to examine Mr. Wayne Clark for the Gospel Ministry. After careful examination, the Committee recommended that the Tabbs Creek Church proceed with Brother Clark's ordination. His service was held on May 17, 1998.

Upon request from the Creedmoor First Baptist Church, the Committee met on September 13, 1998 to examine Mr. Jonathan Cockrell for the Gospel Ministry. After careful examination of Mr. Cockrell, the Ordination Committee recommended that the Creedmoor First Church proceed with Brother Cockrell's ordination. His service will be held November 29, 1998.

No other request for ordination was received this year.

Respectfully submitted,
Rev. Tommy Robertson, chairman

No. 26 **FRBA PROPERTY COMMITTEE**

The Property Committee met several times during the year to discuss the building and space needs of the Association. As you know, the CCM building is in very bad condition and not suitable for the CCM ministry and the Associational office is not large enough for General Board meetings, etc. to be held in.

After doing a feasibility study of the buildings and prayerful consideration, the Property Committee recommended to the Executive Committee that the Association purchase land and build a building suitable for needs of both the Associational Office and CCM and that a building fund be started.

The Executive Committee took this matter before the General Board and the General Board voted to start a building fund for the purchase of land and a new Associational Office Building.

A letter was sent to all churches in the Association from the Property Committee asking for donations for the new building fund. Some churches have already responded.

Several tracts of land are being considered for the new building but all the land is tied up with the Oxford Zoning Board at this time. We are told that the zoning study should be completed in December.

The Property Committee also revised the van use policy. Two major repairs were made on the '94 Dodge van this year. This van was used by 40 church groups and seven associationa groups. All of these trips totaled 12,975 miles. The odomete reading at the end of September, 1998 was 90,760 miles.

The van used by the Hispanic ministry was repaired this year and is not used as much now as it was but is in use.

The parking lot at the back of the FRBA office was graveled and the back door was repaired. A new lock was put on the CCM building door.

Respectfully submitted,
Mr. Herman Wilkerson, chairman

No. 27 **MUSIC**

A special thank you to Stovall Baptist Church Adult Choir; Huey Kirby of Damascus Home; Dr. Paul Johnson, director of missions; and the Mime Team from Pleasant Grove for supplying the special music for this year's annual meeting. The variety of gifts and talents has truly enhanced our worship these two days.

To our accompanists, we thank you also for a job well done.

It is always refreshing to see new ways of worship springing up from many of our churches. As you know worship is changing all the time. Many churches are using dramas, skits, mime, interpretive movement, just to name a few. Don' be afraid to try new ways of incorporating some of these new things along with the normal choir specials.

This past year I have attended several music conference offered by the North Carolina Baptist, Southern Baptist Convention and individual music companies. My true desire is to share this information with worship leaders of my sister

churches. So with more effort on my part, I will be planning another FRBA Music Leadership Conference for the Winter of 1999.

If I can be of assistance to any of the music programs in our Association, please do not hesitate to call me.

Respectfully submitted,
Karen Brown

No. 28 **NORTH CAROLINA MISSIONS**

State Missions is a tool whereby churches across our state come together to pool their resources in order that the Love of Jesus may cover our state. Churches across our association are encouraged to set financial goals, and challenge their members to exceed those goals for the North Carolina Missions Offering.

Most of the N.C. Missions Offering supports projects in the associations across North Carolina. Many of these projects are actually association or state missions programs receiving money and leadership support from both the Baptist State Convention and the local association.

The Flat River Association received approximately 10% of the funds. Out of 34 churches in Flat River, 23 collected funds for the N. C. Missions Offering. Of the amount that was collected in Flat River in 1997, $2,618.21 was sent back to the Association.

In our association, the following groups participated in various efforts and benefited from the money sent back to the Association....6 boys went to Camp Caraway; 2 persons to Christian High Adventure; 2 persons to Disaster Relief Training; 14 people to N.C. Bapt. Men's Convention; 15 boys to RA Congress; 10 persons to N.C. WMU Associational Leadership Team Training; 22 girls to GA & Acteens Camps at Mundo Vista; 1 N.C. WMU Resource Team member; 1 visually impaired person received Mission Mosaic on audio cassette; and 1 person attended N.C. WMU Annual Session.

The N.C. Missions Offering represents a lot of little gifts that produce Big results!! it is the little,sacrificial gifts that make the difference. The little that one person gives is blessed by God and multiplied with the gifts of others.

Respectfully submitted,
Mrs. Genny Robertson

No. 29 **NORTH AMERICAN MISSION BOARD**

Did you know that of the 263 million people in the United States, an estimated 184 million are lost? Southern Baptists have been sending missionaries throughout the United States since 1875 in an effort to reach the lost with the gospel of Christ and WMU has been supporting these efforts since its foundation.

The Week of Prayer and Annie Armstrong Offering in March, for what used to be Home Missions--now North American Missions--were established in 1894 to increase giving and interest in missions in our homeland. There are nearly 5000 North American missionaries now serving across the United States, Canada, the Caribbean, Guam and American Samoa.

Rev. Kenneth and Bridget Cavey, former pastor and wife of Enon Baptist Church, have answered God's call to be home missionaries to Maryland and Delaware through the North American Mission Board.

Dr. Cky Carrigan, former pastor of West Oxford Baptist Church, has answered God's call to serve through the North American Mission Board in Interfaith Missions in North Carolina.

Most of the churches in the Association contributed to the Annie Armstrong Offering this past March.

Pleasant Grove, Mountain Creek and Creedmoor Baptist Churches had teams to go out on mission trips this Summer.

Rev. Bob Wainwright, former Director of Missions, Flat River Association, worked with the World Changers from all over North Carolina in June. There were 21 team putting roof on houses for low income and elderly in Raleigh. The city provided the materials and the World Changers and their leaders did the work. Bob worked with a team of 10 putting a roof on a house. To quote Bob, "It was the hardest work I have ever done," but very rewarding I am sure.

There are always opportunities for short and long-term volunteers with the North American Mission Board and one may not have to go very far to participate.

Respectfully submitted,
Mrs. Marie Duncan

No. 31 **DIRECTOR OF MISSIONS ADDRESS**

"Obedient To The Vision" Acts 26:19

By Dr. Paul B. Johnson

Testifying before King Agrippa, the apostle Paul described the heavenly vision he had seen on the road to Damascus and of Jesus' call to him for salvation and mission service. Paul declared,"I was not disobedient to the heavenly vision." Today, as representatives of member churches of the Flat River Baptist Association, are we obedient to our heavenly vision?

Before we can obey the vision, first of all we have to see it. Jacob saw a vision of angels on a ladder reaching up to heaven and said, "Surely the Lord is in this place and I knew it not." The blind man begged of Jesus, "Lord, that I might receive my sight." Paul saw a vision of a man of Macedonia, beckoning him to take the Gospel to a whole new continent. Proverbs 29:18 says, "Where there is no vision, the people perish."

Where is our Macedonia? To what areas of ministry and witness does God want to open our eyes? During the past year, our association has opened its eyes to Belarus as part of our "Macedonia," opening hearts and homes to 15 Belarussian children and their interpreter. This is an excellent way of doing international missions without leaving our own association. Plans are also well under way for our association's first World Mission Conference in 15 years, to be held May 15-19, 1999. Our association held its first "Volunteer Reception" and gave its first "Volunteer of the Year" award during the past year. Our new disaster recovery trailer is ready and equipped and several have received training in its use. Our association is now considering helping to expand the Damascus Home ministry to include a home for women. Our annual youth mission trip to Delaware is in need of leaders/team members.

These are ways of opening our eyes to God's heavenly vision for us. Jesus said, "Lift up your eyes and look on the fields, for they are white already to harvest." What are other visions that God wants us to see? do they include expanding our ministries in the Butner institutions, a tremendous mission field right in our midst? Polk Youth Institute moved a few months ago from Raleigh to Butner. A new federal prison hospital is nearing completion in Butner. Prison officials are as open to volunteers from our churches as they have ever been. Have you seen a vision about any of these opportunities?

However, it is not enough just to see a vision, we must also understand its meaning for us. When Paul saw his vision

on the road to Damascus, he asked, "Lord, what will you have me to do?" He wanted to know what the vision meant to him personally (me) and practically (do). I don't believe that God has the same "Macedonian vision" for us, or that we all need to mount our horses and ride off in all directions at once. Paul said in Ephesians 5:17, "Don't be foolish, but understand what the will of the Lord is."

A popular guide on career choices is titled, "What color is your parachute?" As members of the body of Christ, we have differing functions to perform but a common purpose and a common Lord. One of our common failings is that sometimes we cannot see the forest for the trees. We see what we are personally doing as all-important but don't always see the whole area of God's work and how our part fits into it. I would love to see us encourage one another more and offer our help to one another more. Our church and associational ministries should not be seen as competitive with one another but as complementing one another. We're in this together.

How different would the history of Christianity have been if Paul had not been obedient to the heavenly vision? What differences do our obedience or disobedience make? Paul was blinded by the light. Are there some things the Lord may blind us to so that we may see and do what he wants us to see and do? God used a vision of unclean animals let down on a sheet to get Peter to see that God is no respecter of persons and to get out of his "comfort zone" to witness to Cornelius.

Acts 16:10 includes seeing, understanding and being obedient to the vision. The writer, Luke, says "After Paul had seen the vision, we got ready at once to leave for Macedonia, concluding that God had called us to preach the gospel to them." How's that for instant obedience? They were alive to missions and caught the vision from heaven.

I believe there are several things we need to do. We need to examine our own vision and that of the church to which we belong. If we don't have a vision, we need to pray for God to give us one. Then, we need to understand and obey that vision.

Perhaps God wants you to offer to help our CCM ministries when children's teachers are needed, clothing needs to be sorted or boxes need to be moved. Maybe your Macedonian call is to volunteer to serve as associational GA director or Singles director, two positions which are still vacant. Maybe you can help locate or provide land for a new associational office and CCM building.

Let us all live in such a way that we can say with Paul, "I was not disobedient to the heavenly vision."

No. 33 **FRBA MISSIONS DEVELOPMENT**

When Jesus was beginning his earthly ministry, Mark's Gospel records his call for followers:..."come after me and I will make you to become fishers of men." (Mark 1:17) The challenge facing the church in the new century is the challenge of becoming. The requirement is simple. Jesus said, "come after me." The resources are promised because He states, "I willmake you..." And the results are predicted because He tells what will be accomplished.Mark's account goes on to read, "And straightway they forsook their nets and followed him." The Flat Rive Baptist Association is helping our churches to face the challenge of becoming on a local level through the various ministries like CCM and Damascus Home and to reach out globally through ministries like Mision Bautista and the Belarus children's ministry. Together we can face the challenges of becoming by standing on his promise to make us to become effective fishers of men.

No. 36 **BELARUSSIAN CHILDREN PROJECT**

The Flat River Baptist Association, in its 1997 annual session, voted to host fifteen children and one interpreter from Belarus during the Summer of 1998. This was arranged through the auspices of the American Belarussian Relief Organization (ABRO). The children of Belarus have all been exposed to radiation as a result of the Chernobyl nuclear disaster. It is believed that six weeks out of Belarus will give a child's system an opportunity to purify itself and lengthen the life span as much as 25%.

The churches of the Association were enthusiastic about the project, many of them voting to pay the necessary funds for the expenses of a child. Sixteen host families were quickly found and preparations were made for the children's arrival on June 15.

The six weeks the children were here passed very quickly. They all had dental and doctor's appointments, with the dentists and doctors donating their services. The Association sponsored two events for all the children and several churches also had events for them. A clothes closet

sponsored by CCM enabled the children to choose Summer clothing when they arrived and Winter clothing before returning to Belarus. Churches and host parents also bought them many things. Most of the children arrived with almost nothing. They left on July 27 with bulging suitcases and the hearts of their host parents.

A total of $17,076.59 was collected from the churches and individuals. Of this amount, $14,248.49 was spent, leaving a balance of $2828.10 in the account.

The host parents and churches they represent are: Joseph & Doris Bellofatto, Poplar Creek; George & Faye Cannady, Pleasant Grove; Clif & Gayle Champion, Fellowship; Pello & Marie Duncan, West Oxford; Cam & Maria Ford, Poplar Creek; David & Betsie Forsythe, Creedmoor First; Lexie & Anita Harrison, Creedmoor First; Rod & Amy Heintz,Delrayno; Bradley & Theresa Jones, Sharon; Margie Newcomb (widow), Fellowship; Mike & Phyllis Patterson, Corinth; Bobby & Wanda Temple, Fellowship; Harry & Elizabeth Watts, Oxford; Lemar & Vivian Wheeler, Tabbs Creek. Jerry & Mae Faulkner, Dexter, hosted the interpreter.

No. 39 **BAPTIST CHILDREN'S HOMES OF NORTH CAROLINA**

"Families Under Construction" was the 1997 Thanksgiving Offering theme, and an appropriate banner under which to recount the achievements of an enormously successful year for the institution.

At four residential campuses, two homes for behaviorally troubled girls, a maternity home, a home for teenage mothers and their babies, therapeutic camping and model day

are, 1,560 young people found help in troubled times last ear. During the past year BCH received $1.6 million hrough the Cooperative Program, and $752,000 through the hanksgiving Offering. Total church gifts of $3.3 million omprised 18% of the nearly $18 million in revenue. Because f a positive investment environment, BCH investments of ndowment funds provided 33 percent of revenue.

Two major priorities of the $10.1 million "Light Their ay" Campaign were dedicated: The Winifred Lindsay Educa- ion/Administrative Center at Odum Home in Pembroke on Jan. 0, and the John D. and Amelia W. Johnson Cottage at Mills ome on May 12.

No. 42 **THE BIBLICAL RECORDER**

Thomas Jefferson said the purest forms of democracy he had ever seen was Baptist churches. We Baptists cherish our soul-liberty and the autonomy of the local church. Baptists cannot preserve their democratic form of decision making if they are not properly informed.

The Biblical Recorder was born and continues to serve for that purpose. In the 165 years of state Baptist papers in North Carolina, never was the Recorder more needed than now for people to have the truth. The Recorder also focuses on the many positive things people are doing in their churches and world missions.

In September, 1997, the Recorder entered the world of electronic communications with an attractice and effective Web site. Each month there are 15-18,000 hits from around the world. Address is: http://ww.biblicalrecorder.org.

The paper deliberately focuses more attention on North Carolina Baptists withnews, features, and inspirational articles which encourage individuals and churches in their witness and ministry. The Biblical Recorder should be in every Baptist home in North Carolina.

Dr. R. Gene Puckett is retiring as editor and the new editor is Dr. Tony Cartledge who resigned the pastorate at Woodhaven Baptist Church, Apex to accept this position. He is a former pastor of Tabbs Creek Baptist Church in the Flat River Association.

Mrs. Mary Greene

No. 43 **ANNUITY BOARD**

At his first meeting with employees, Annuity Board President O.S. Hawkins challenged the staff to measure themselves by the biblical description of Israel's King David who served "with the integrity of his heart and the skillfulness of his hands."

Outstanding investment earnings and generous gifts in 1997 allowed trustes to enhance the quality of life for our annuitants and Relief recipients. Effective Jan. 1, 1998, nearly all of the 28,000 annuitants in pay status received a permanent 10% increase in benefits. Relief benefits rose to $200 per month for individuals and $265 per month for couples. he Adopt An Annuitant benefit was raised 50% from $50 to $75 each month.

The SBC Cooperative Program provides more than $1 million annually that is distributed in Relief payments to some 700 couples or individuals in desperate financial need. The Annuity Board adds to this from the Retired Ministers' Support fund and Adopt An Annuitant benefits. Every cent given for Relief or Adopt An Annuitant finds its way to a needy person or couple. No Cooperative Program money is used for Annuity Board operations.

The Annuity Board paid more than $105 million in insurance benefits last year, preventing financial disasters to persons and families stricken with illness, disability, accident or death.

As of May 31, 1998, there were 3,997 active participants in the Church Annuity Plan; 59% churches active in the Church Annuity Plan; and of June 30, 2,703 persons were receiving retirement benefits; and 369 were helped by the Adopt An Annuitant and Relief ministries.

In the Flat River Association, we have 33 pastors and church staff, along with the director of missions and the associational secretary, participating in the Church Annuity Plan. Also, there are several retired ministers and widows as participants.

Rev. Lemar Wheeler

No. 46 **AMERICAN BIBLE SOCIETY**

The purpose of the American Bible Society is to provide the Holy Scriptures to every man, woman, and child in a language and form each can readily understand and at a price each can easily afford. This purpose, undertaken without doctrinal note or comment, and without profit, is a cause all Christians and all churches are urged to support.

Even then, with all the availability of the Holy Scriptures, more than 3 billion people have yet to own a Bible. Over one-half of the people in Russia do not have a Bible. The number of believers in China who have never had a Bible of their own is absolutely staggering--and growing every day. And the demand in Africa is double what the American Bible Society has been able to meet.

Gifts through the American Bible Society provide Bibles for many nations of the world.

There is a Scripture Courtesy Center in the Flat River Association office. This Center is happy to help you make selection of the Scriptures you need for adults, youth and children - even toddlers. Of course, the Center is only able to have a limited supply and selection because of space but the catalog is available and orders may be made. Please call 693-5215 or come by the office and see what is available.

From 1918 to 1952, the church shared services of its pastor with other churches - Aarons Creek, North Fork, Hites burg, Nelson, and Grace. A vote was made on October 7, 1951 for the church to go full time as of January 1, 1952. In 195 the pastor was shared with Highview Baptist Church until the church once again went full time in Sept., 1976 in support o a pastor, which continues to the present. On Nov. 4, 1973, ground breaking was held behind the old church for construction of a new church building. Land was given by Deacon and Mrs. Woodrow Ellixson, Sr.

The first brick was laid August 28, 1974. Work continu in stages with the educational hall completed and on Sunday, October 1, 1978, the worship service was moved to the fello ship hall.

The first baptism in the new church was held on August 24, 1980. Candidates were Mrs. Gene Ellixson. Sherrie Hodge and Richard Seate III were re-baptized.

We currently have Sunday School classes for all age groups, Sunday morning worship service, Sunday evening worshipm and Wednesday evening prayer service followed by choir practice. The church continues to be mission minded with an active Women on Mission's organization in their outreach to our surrounding community, nursing homes, and "the uttermost parts of the world."

This church was featured in the 1979 FRBA Annual when all pastors from 1891 to 1979 were listed. At that time, Rev. Clarence Bishop was pastor and he retired in 1981. Other men serving since then have been, Ernie Center, pastor, 1982-86; Paul Inman, interim pastor, 1986-87; Mike Trollo, pastor, 1988-89; Harold Rumfeldt, interim pastor, 1989; Robert Garrett, pastor, 1990-1993; Sam Moore, pastor, 1994-May '95; and Bill Keen, pastor, Aug. '95-present.

As the church stands on the threshold of our second century, it is our prayer to grow spiritually, reach out to our community and seek to fulfill the command of our Lord to be witness to a world in need of God's saving grace.

No. 2 **SUNDAY SCHOOL REPORT**

The 1998-99 Sunday School year is ending on the note of change. There are two major changes coming. First,Association Sunday School Team will be more of a regional setup with local people to help in each age group. Second, in the year of 1999-2000, there will again be some literature changes. I like one of them. Every age group will study the same scripture on a given Sunday. There will be more coming on this at a later date.

The increases in Sunday School grown or decline by churches is shown on the Associational Statistical Tables. You can compare those figures from that report.

Vacation Bible School is still one of the best tools we have to teach the Bible and reach people. There were 32 Vacation Bible Schools held with an enrollment of 3,207. Also,two Backyard Bible Clubs held with enrollment of 84. There were four Mission Vacation Bible Schools conducted with an enrollment of 414. Cooperative Program offerings during VBS amounted to $2,301.55; and offerings for other causes totaled $5,067.36.

Those who worked as state-trained VBS leaders, we say thank you. Their names are: Lynette Frazier, Amis Chapel, Preschool leaders; Winfree Keranakis, Sharon, Younger Children leaders; Cathy Eudy, Pleasant Grove, Middle Children leaders; Anita Harrison, Creedmoor First, Older Children leaders; Marion Powell, Sharon, Youth leaders; Pello Duncan, West Oxford, Adult leaders; Paul Johnson, Delrayno, Pastors; and Bob Baynard, Sharon, General officers. Really, that is not a lot of appreciation for the big endeavor you undertook and finished superbly.

Respectfully submitted,
Rev. Bob Baynard
FRBA Sunday School Director

No. 3 **WOMAN'S MISSIONARY UNION**

The Woman's Missionary Union of the Flat River Baptist Association began the year with a training session held at West Oxford on August 24, 1998. The theme for the year was **Transformed**, based on Romans 12:2. We need to be willing to let God transform us into what He wants us to be. A new conference this year was on co-ed missions.

The Baptist Men/WOM Banquet, held in January at Pleasant Grove Church, featured Rev. Tom Lolley with special music by Mr. Kelley Whitehead.

Our Pastor Appreciation Banquet was held on February 6 at West Oxford. Judge Dan Finch presented a very entertaining program. Special music was presented by "Harmony for Him". Next year this banquet will be held in March.

The Spring Meeting was held at Amis Chapel with Dr. Alfredo Saure, President-elect of the Philippine Baptist Theological Seminary as guest speaker. Special music was by a group of ladies from Butner First.

On April 16 the WOM #2 held their banquet at Pleasant Grove. Their featured speaker was Paula Settle, who works in Multi-Housing ministry in Asheboro. J. G. & June Goodwin from Korea were the missionaries for the Girls In Action Day Camp held at Stovall on May 1. The Mission Friends Day Camp, held at Tungsten on May 22, featured missionaries Hugh & Rebecca McKinley. The Acteens enjoyed a pool party August 6th.

WMU groups in the churches were heavily involved in the success of the World Missions Conference held in May as well as ongoing FRBA projects such as the ministry to Belarussian children, helping with CCM ministries, etc.

Respectfully submitted,
Vera Johnson, FRBA WMU director

No. 4 **BROTHERHOOD REPORT**

The N.C. Baptist Men of Flat River Association have had a very busy year. Praise God for all of the good work, as there have been new Baptist Men's groups formed or revived in several churches and new chapters of Royal Ambassadors chartered. Royal Ambassador or RA's is the youth division of the Brotherhood organization.

The annual RA Congress was successful with over 100 in attendance. During this time, the RA's held a Mission Fair exhibit, participated in Field Day events, and excelled in the Pine-block Car Competition.

The Baptist Men held their Annual Fish Fry/Training session at Tabbs Creek with 48 in attendance.

We have been requested several times to disply our Disaster Recovery Unit at training sessions and also at the NC Bapt. State Convention in Winston Salem last year.

Hurricane Floyd gave us a mammoth expression of the necessity of disaster relief teams. Our Association responded with volunteers, money, time and tractor trailer loads of food and supplies. The Disaster Recovery Unit left Oxford on Sept. 23, for Rocky Mount, for her first mission. Twenty volunteers on this first trip were exhausted after cleaning 18 apartments and 4 houses. Most of these were the homes of the

elderly, who were so thankful to see men and women of FRBA come into their homes, doing what they could not do for themselves. What a Ministry! The Recovery Unit has been in service each weekend since then ministering to over 100 families in Eastern NC. Volunteers from many of our churches have been in Rocky Mount, Tarboro, Beulahville, Grifton, Goldsboro and other places; cleaning, tearing out damaged walls and floors and preparing thousands of meals at the Disaster Feeding units.

I am so thankful that we have the unit and that so many have volunteered. This volunteerism will continue to be needed for many months to come.

Disaster Recovery Training is being planned for early Spring. We will be better prepared in an emergency from the lessons this disaster has shown us. Thank you for all you do with the Baptist Men.

Respectfully submitted,
W. Jim Whitehead, FRBA Brotherhood director

No. 6 **N. C. BAPTIST RETIREMENT HOMES**

"Lord...you have made my lot secure. The boundary lines have fallen for me in pleasant places; surely I have a delightful inheritance." -Psalm 15:5-6

There are many churches, and many more people, more than I can number at this time, that make up Flat River Association. Just think for one minute, just about N. C. churches and the many people that up the N.C. Baptist Convention..its mind bogglin.

You have been and still are "THE BEST". Lord, you have made my lot secure. The boundary lines have fallen for me in pleasant places. Surely I have a delightful inheritance. Through Cooperative Program gifts and special offerings, Baptist Retirement Homes is providing $1.7 million in benevolent care for the elderly poor of North Carolina during 1999. Regardless of the aging-related issues families face, our statewide system of counselors can provide answers that are reliable and reassuring.

May we as N.C. Baptists, continue to give of our time, our monetary gifts -also, at least a cup of cold water in Jesus' name. Helping to make life for older adults "The Best of Times."

To the Board of Directors
Flat River Baptist Association
117 West McClanahan Street
P.O. Box 944
Oxford, NC 27565

We have compiled the accompanying Statements of Cash Receipts and Disbursements of the General Fund, Designated Funds, and the CCM/WMU Funds of the Flat River Baptist Association (a non-profit organization) for the years ended September 30, 1999 and 1998, in accordance with Statements of Standards for Accounting and Review Services issued by the American Institute of Certified Public Accountants. The financial statements have been prepared on the cash basis of accounting, which is a comprehensive basis of accounting other than generally accepted accounting principles.

A compilation is limited to presenting in the form of financial statements information that is the representation of management. We have not audited or reviewed the accompanying Statements of Cash Receipts and Disbursements and, accordingly, do not express an opinion or any other form of assurance on them.

Management has elected to omit substantially all of the disclosures ordinarily included in financial statements prepared on the cash basis of accounting. If the omitted disclosures were included in the financial statements, they might influence the user's conclusions about the Association's cash receipts and disbursements. Accordingly, these financial statements are not designed for those who are not informed about such matters.

No. 10 **THE 1999-2000 FRBA BUDGET PROMOTION**

We appreciate the financial support that the Association received from the churches in 1998-99. Each of you should have access to a copy of the 1999-2000 FRBA Budget. Our Finance Committee tried to keep this budget at a level that would not cause a financial burden to any one of our churches but at the same time offers a diversity of ministries and services. The 1999-2000 Budget reflects an increase of $8,116 or a 6.49% increase over the 1998-99 Budget. The majority of the increase is seen in operating expenses due to the expected upgrade of the office computer and in personnel expenses with an increase in support to the staff who is responsible for daily operations of the Association. The 1999-2000 Budget totals $133,067.

We encourage all of the churches to be in prayer about increasing their financial contributions to support this budget and you are encouraged to take advantage of all that our Association has to offer.

I would like to thank all those who have been in prayer and who have worked long and hard on this budget. I would especially like to thank our chairman, Mr. Hesley Clark, who did a superb job of leading this committee. Other members of this committee were: Mr. Robert Nugent, Grassy Creek; Mrs. Rosa Overton, Providence; Mrs. Janet Barlow, Hester; Mr. Tommy Averette, Pleasant Grove; and Dr. Fred Knott, FRBA Treasurer and ex-officio member.

Respectfully submitted,
Mr. Leonard Daniel, Member, Finance Committee

No. 13 **FUTURES TASK FORCE--OPERATION INASMUCH PROJECT**

The Operation Inasmuch Project is set for Nov. 12-13. It is an opportunity to be involved in ministries to glorify Christ and to carry out Jesus' admonition to minister to anyone in need.

Some of our churches have shared their plans to minister to special needs of the unchurched in their community. We are encouraging every church to choose projects to minister to persons in need beyond their own members. Response sheets are available.

There are some associational projects that need wide participation:

One is Harbor House for abused mothers and children. This is a construction project at Cornerstone Christian Community Church to put a 1,000 ft. addition on a building to make it adequate for housing and training classes. Fifteen volunteers are needed for this project.

Second, is a woodcutting and splitting project to provide firewood for the needy to be distributed through Area Congregations in Ministry. We could use about 15 volunteers for this project also, some with chain saws and pick-up trucks.

Many volunteers from Flat River have been helping flood victims down East. We have a continuing concern for their needs and some crews may still be working there.

A new project that we just learned about last week is renovating a used mobile home that has been donated for a family that is a victim of the flooding caused by Hurricane Floyd. Each of the five Associations cooperating in Operation Inasmuch has been asked to repair and furnish a mobile home to be used by a family down East while they are repairing their home. Our plan is to bring the mobile home to Oxford where we will do the necessary repairs. We estimate that it will cost about $4000, depending on how many furnishings and materials are donated. Volunteers will be needed to repair, clean and paint on this job. We hope to get started on it in the next few days, so that we can deliver it on November 13.

There will be a need for funds for this project. I recommend that we take an offering before the meal each day of this Annual Meeting to use in renovations of this trailer and other Hufficane Floyd Disaster Relief.

Respectfully submitted,
Rev. Bob Wainwright

(Clerk's note: See Proceedings for action on this recommendation during the "Business" time.)

No. 14A **FRBA DAMASCUS HOME BOARD REPORT**

FRBA Damascus Home, Inc. has continued to prosper in the work of the Lord since its dedication on June 5, 1994. The early days of the Home provided some management struggles, but also provided a management model that has been very successful in the past few years. At present, the Home is managed by a director/pastor and a live-in senior resident.

The Home is financially solvent and we of the Board, along with the residents, continue to thank all member churches for your generosity and your continuing support of "The least of these." Full occupancy has characterized our Home in the recent past and at present the Home is unable to meet the great demand for such services. A waiting list exists at present with inquiries made concerning residency on a regular basis.

Thank you, Flat River, for your vision, your commitment, your consistency, and your love in support of this valuable ministry. We of the Board look forward to a day, with the Lord's blessing, when others will accept the responsibility of ministry in difficult ministries as you have done.

Respectfully submitted,
Mrs. Wanda Wallace, Chairman

No. 14B **REPORT OF FRBA DAMASCUS HOME DIRECTOR**

FRBA Damascus Home, Inc. has a greater scope of ministry than just the internal ministry to the residents on a daily basis. It is a beacon of help to the hurting and afflicted substance abuser and to his family. Calls come from Red Water, Texas and Columbia, S.C.,and Augusta, Georgia and many other places for just a glimmer of hope in what has the appearance of a near hopeless situation.

The hope is in our Lord Jesus Christ and this hope is communicated in the ministry and the message of your Damascus Home. By the world's standards, our record of success is not very good, but Damascus operates in the standard of the one who has overcome the world. Our failures simply encourage us to continue to seek and to save the one who can find freedom from the bondage of substance abuse.

Help us to help Robert Gibbons, our newest resident, and Ginny Lee, a grieving concerned mother, and Steve Lee, and Frank Young, and all the Lord sends us. Thank you all for your continuing support financially and we covet your unceasing support in prayer.

Respectfully submitted,
Rev. Eddie Mauldin, Director

Report for FRBA Annual Meeting, October 18-19, 1999

No. 15 **CHURCH AND COMMUNITY MINISTRIES**

As we close out this century, we need to wonder if we have made a difference. There are so many needs in our community and working together we have met them.

We provided Christmas gifts for over 1,000 men, women and children. There were 14 professions of faith and many prayer requests.

The Backyard Bible Club at the low-income apartments and the VBS at Masonic Home in Oxford were a great success.

Four burned-out families were provided with clothes, household items and personal needs. John Umstead Hospital is now a brighter place because of the bedspreads you provided. We have almost completed the entire hospital.

School supplies and clothes were given to several children at the request of some teachers. Over 100 gallons of water was sent to the flood victims as well as underwear for men and women.

Praise the Lord! A larger building has been found for this ministry. It is located at 108 Critcher Rd. just beyond Aire-Wise Heating/Cooling.

A Volunteer's Reception was held to thank those who make life easier for so many. This was held at West Oxford Chr. and James Bean from Poplar Creek Chr. received the Volunteer of the Year Award. Whenever people reach out to others, God's love is shown and the glory goes to Him and not outselves.

Thanks to everyone who volunteered their time, donations and most of all, prayers. This is YOUR ministry! May God bless each of you as you have helped so many.

-Respectfully submitted,
Virginia G. Tuck

No. 16 **HISPANIC MINSITRY**

We have enjoyed a time of fellowship and worship this past year at the Spanish mission.We have seen four young people come to know the Lord and be baptized during the year. Rev. Felipe Polo-Wood continues to serve as pastor. Growth and shrinkage has been seen in our attendance and membership. Several families have started attending a new Pentecostal church between Henderson and Oxford because it is closer to them and appeals to their style of worship. We had two deacons and their families return to Mexico recently to take care of ailing family members. But at the same time we have had new members and visitors all along so we are rejoicing that people are being reached. We still have many that are unreached so please invite those you know to come join us.

The Sunday School is still trying to develop an effective ministry and reach those who are not attending now. Two men in the congregation have assisted again this year in having Sunday School and a worship service in Spanish at Rock Spring Bapt. Chr. Felix Gonzalez, one of the members, went with a work team from our Association in February, 1999 to Honduras to work and serve as an interpreter for the group. Volunteers are still assisting in teaching the children during the worship time and other activities.

Three Spanish Worker's Days were held this Summer - at Amis Chapel, Mision Bautista, and West Oxford - to try to reach more of the community and they were fairly well attended except the August one was lightly attended. We still face a major challenge of reaching more of the Spanish-speaking community so pray that God will bring forth a great harvest of souls, the mission will be built up and strengthened and that He will receive all the honor and praise.

-Respectfully submitted,
Bobby Temple

THE 1999 FRBA YOUTH MISSION TEAM

This Team was comprised by three leaders and six youth--Jessica Thomas, Dexter Chr.; Mandy and Erika Capps, Bullock; Nathan and Matthew Black, Corinth; and Jason Jones, Sharon; and Rev. David and Diana Peppler, Bullock; and Pat Thomas of Dexter. Three of these, Pat and Jessica Thomas and Mandy Capps had previous FRBA Mission Team experiences.

Our preparations and getting the team organized got off to a late start. Many letters were sent to pastors and many phone calls were made to encourage recruitment of as many young people as were interested. Started off with nine interested teenagers but three had to decline being on the team for various reasons.

After one leadership meeting, we scheduled and held four training sessions for the youth. Our main objective was to ensure that all of our preparations were bathed in prayer, seeking to do only the will of the Lord, nothing more,nothing less. After finding the suitable materials, we proceeded to divide the responsibilities of music, crafts, and recreation activites. After much planning,we felt prepared for the trip.

Our trip began with a commissioning service held at the Bullock Bapt. Chr. on Sun., July 25. A special thank you is extended to several pastors who helped lead this service, including Rev. Neil Woodlief, Dexter; Rev. Randy Carter, Grassy Creek; and Rev. Mike Patterson, Corinth. Rev. Peppler organized the service and the congregation of Bullock Bapt. hosted a breakfast for all that attended. We departed for Wilmington, Delaware at 9:00 a.m.

Bethany Bapt. Chr. was a great host. Associate Pastor Scott Adams organized our mission sites which produced many children who have had little exposure to the gospel of Jesus Christ. In the morning we shared the gospel at a large public housing complex and each afternoon we shared with several Hispanic children at the New Hope Baptist Center close to downtown Wilmington. All of the team came home as changed individuals. We spent time of relaxation each evening in the hotel pool and charged our batteries every morning with a special devotional time together.

Our real excitement came in the middle of our trip when the FRBA van brakes gave out -thankfully not on the road but upon return to the hotel. The host church had the van towed to a garage, provided their van for our use until it was fixed, and paid for the service to help us savr our cash on hand. The FRBA office was alerted of this and mailed a check to reimburse our hosts.

The trip culminated with a day of sun and fun in the Rehobeth Beach area. Some "baked" themselves on the beach and some enjoyed the boardwalk while others took advantage of the outlet malls and shopped 'til they dropped.

The leadership team felt that we learned as much from these youth as they learned from us. Our Mighty Creator was with us the length of the trip and we all felt His presence and graciousness to us. We became a family -all brothers and sisters in Christ. We encourage the FRBA to continue to sponsor these mission projects for our youth. Bethany Bapt. Chr. and the lost children in Wilmington, Delaware need willing servants to come share the reason for their faith. Each member of our team expressed interest in going again next year, and we should continue to encourage such eagerness to help fulfill the work of the Lord.

In His Service,
David & Diana Peppler, Pat Thomas

No. 18 **MISSIONS DEVELOPMENT, 1999**

This past year could easily be labeled the "year for the children." Several major missions projects in FRBA focused on the needs of children on both a local and global scale. Churches in the Association again opened their hearts and homes to 14 children and an interpreter from Belarus. This was literally a "hands on" and "heart-felt" experience in missions.

The host families and churches they represent were: Joe & Doris Bellofatto, Poplar Creek; Dalton & Janice Barbour, Butner First; Jeff & Maura Clark, Poplar Creek; George & Jacqlyn Custer, Stovall; Pello & Marie Duncan, West Oxford; Cam & Maria Ford, Poplar Creek; Rod & Amy Heintz, Delrayno; Russell & Robin Hucks, Good Hope in the Raleigh Assoc.; Bradley & Theresa Jones, Sharon; Barry & Theresa Miller, Providence; Mike & Phyllis Patterson, Corinth; Lemar & Vivian Wheeler, Tabbs Creek; Donald & Nell Wilson, Stovall; and Bob & Betty Wainwright of Oxford Chr. hosted the interpreter. We extend our sincere thanks to all the host parents, churches,and support persons and organizations who made a profound impact on this group of precious children.

Local children also experienced first-hand the concern of Flat River Churches when every school in Granville County was targeted with prayer during the "99 Campus Prayer Journey" and "See You at the Pole" campaign. Participation was varied at some of the schools and we hope to promote the event better next year. We would encourage all churches to

adopt a school in the county and pray during the entire year.

The 1999-2000 year looks to contain many more missions opportunities. Operation InAsMuch encourages churches to get involved in local mission projects outside their norman circle of influence. A missions fair has been scheduled for next summer to highlight some the work that goes on right here in our own back yards. An area crusade is in the works for the year 2000 as well. Missions opportunities abound in our association and we encourage everyone to experience the joy of serving first hand. It really makes a difference!

Because He Lives!

No. 20 **CHRISTIAN HIGHER EDUCATION**

Since the birth of the Baptist State Convention, North Carolina Baptists have placed a high priority upon Christian higher education. Our Baptist institutions (Campbell, Chowan, Gardner-Webb, Mars Hill, Wingate, and the fraternal institutions of Meredith and Wake Forest) have provided quality education to a large number of our pastors, staff ministers, and lay leaders who in turn have helped our churches develop as places where the Gospel is treasured and Christ is honored.

These institutions consider it important to maintain close ties to our churches and associations. The Council on Christian Higher Education, founded in 1944, seeks to develop and nourish good communications between our churches, associations, and institutions of higher education.

In addition, centers for congregational growth and divinity schools serve as positive demonstrations of our institutions' desire to enhance the life in our churches and associations by training current and future leaders.

Gifts to the Cooperative Program of the Baptist State Convention assist in helping our institutions fulfill their missions. Members from cooperating churches are eligible, as a result, to be considered for scholarships and North Carolina Baptists who meet the admission requirements for divinity schools at Campbell and Gardner-Webb Universities are eligible to receive grants of $8,100 toward their theological education. Grants of $3,000 are available to students who choose to attend another divinity school.

The hope and dream of our colleges and universities is that more students from our churches will attend our schools and that graduates will make a difference in our state, our nation, our churches, and the Convention.

Respectfully submitted,
Lenny Rogers

No. 21 **SENIOR ADULTS**

"I have been young, and now I am old; Yet I have not seen the righteous forsaken..." (Psalm 37:25)

Praise the Lord we have had another wonderful and productive year. Our November 12th meeting was held at Mountain Creek Community Building with 93 present; the February 18th meeting at Corinth Chr. had 62 present; the May 13th meeting at Amis Chapel Chr. had 68 present; and the August 12th meeting at Tabbs Creek Chr. had 86 present. We enjoyed an excellent program and covered-dish lunch at each meeting.

The Golden Chords Choir has enjoyed a busy year singing in many places. The choir has grown to 43 members and we are preparing for another busy year. The choir presented an Easter cantata at Delrayno Chr. for the association and there was excellent attendance.

In May the associational senior adult trip to Caswell was a big success and everyone had a great time.

As we stand on the brink of a new century and look forward to the Second Coming of the Lord, let's remember the words of the hymn writer, "We'll work till Jesus comes, and we'll be gathered home."

Each church has a rich heritage of senior adults and I encourage you to use this storehouse of wisdom, love, encouragement and prayer support for the new century. May the Lord continue to bless each of you as you serve Him.

Respectfully submitted,
Rev. Malvin Tuck

No. 22 **ORDINATION COMMITTEE**

The FRBA Ordination Committee met Sept. 13, 1998 and recommended that Jonathan Cockrell be ordained by the Creedmoor First Church. He was ordained November 29, 1998 by this church. (Bro. Cockrell was ordained in this church year, but was interviewed by the Committee in the previous church year.)

We also met on March 7, 1999 and examined Brother Randy Carter who is pastor of Grassy Creek and requested that the church proceed with his ordination. His ordination service was held March 14, 1999 at the Grassy Creek Church.

There were two other men ordained by their respective churches - Brother Barry Murry was ordained by the Tungsten Church on April 18, 1999. He is now serving as youth minister at Tungsten.

Brother Mitchell (Mitch) Lockamy was ordained by the Corinth Church on June 13, 1999 and is presently pastor of the Shiloh Baptist Church in Garner, NC.

We certainly support these churches in their examination and ordination of these fine men.

Respectfully submitted,
Rev. Tommy Robertson, Chairman

No. 23 **PROPERTY COMMITTEE**

The Property Committee has been very busy during the past year. We have been looking unsuccessfully for property to build a new associational office which will also include space for the Church and Community Ministry. The Property Committee and the Executive Committee have a piece of property that we are in the process of looking at and we ask you to please pray that this property will be made available to us at a price we can afford. We also ask that each church remember to give to the FRBA Property Fund so that when property is found, we will have the money to purchase it and to build our new building.

We are very happy to say that we finally found a place for the CCM that we can be proud of. We owe a special thanks to Mr. Jimmy Brummitt for lowering the rent to $500.00 per month in order for us to rent this much needed building for the FRBA Church and Community Ministry.

The 1994 Dodge van had some repairs during the past year and this van was used by 35 church groups and 22 associational groups. All of these trips totaled 13,823 miles. The odometer reading at the end of September, 1999 was 104,721.

The van for the Hispanic ministry is still in use.

Respectfully submitted,
Herman Wilkerson

DIRECTOR OF MISSIONS'S ADDRESS

Dr. Paul B. Johnson

Applying the changeless Gospel to a changing world is the focus of Paul's statement in 1 Corinthians 9:23, "I have become all things to all men so that by all possible means I might save some. I do all this for the sake of the gospel."

In our association, we do missions by meeting people where they are, as they are, on their own turf. Seeking to reach and minister to many people means we will be doing different things in different ways. Each of us can find our own niche in serving others in Christ's name. Do what you feel led by God to do, and don't let anyone throw a guilt trip on you because you don't do what they feel led to do. Paul said, "I have planted, Apollos watered, but God gave the increase."

Our association is blessed in many ways. First of all, it is blessed with increasing opportunities. We are told that the Triangle is spreading our way, especially along the I-85 corridor. The "come heres" present an increasing challenge and opportunity to the "from heres." One challenge is to go after them and assimulate them into our churches. Another is to find places to begin Bible studies, extension points, or new churches. The Butner institutions continue to expand our outreach possibilities. The large new prison hospital should be in operation within a year and will be in need of volunteers to minister to patients. Another federal prison will soon be built. As prison policies and schedules change, we are exploring new ministry opportunities at the federal prisons and at C.A. Dillon School for Boys.

Our association is greatly blessed with leadership. So many of you serve in strategic positions of leadership in the work of our association. I appreciate the initiative, dedication, and resourcefulness in carrying out your responsibilities. I believe in letting leaders do the work assigned to them, and I promise to assist them as needed or as requested. We are still in need of a singles director, so call the associational office if you know of someone who could do this.

We are also blessed with abundant resources such as people, finances, and property. As we let God make us into faithful stewards of these resources, God can use them to expand and increase the various ministries of our churches and association. A major need continues to be property on which to build a new associational building and CCM building.

Our association needs to focus on relationships, responses, and redemption. I believe that relationships are the most important factor of all. We must be in good relationship with our fellow members, fellow churches,co-workers, and the people we are trying to reach if we are to be successful in doing what God wants us to do. Let's seek to improve our relationships this year between pastors, between churches, and between church members. Working together in harmony is one of the best ways to witness to the lost and unchurched.

We have done well in responding to needs in the flood-stricken areas of our state. Some have helped with trailers at collection points, others have given money, and others have gone as volunteers. We are told that there will be long-term needs for relief in Eastern North Carolina. One need being considered is renovating old, donated mobile homes for temporary use of those whose homes were flooded. We can each ask what our part is to be in responding to these needs.

Our association partners with four other associations--Cullom, Tar River, Beulah, and North Roanoke--and the Baptist State Convention in a Futures Task Force to study and address the needs of the next twenty years in our area. Operation Inasmuch, a practical ministry to the needy as identitied by our churches, is scheduled for November 12-13 as the first project in this program.

Redemption is the underlying purpose of all that we do--redeeming people for our Lord and for society. As we provide food and clothing to the needy, help and encouragement to drug and alcohol offenders in overcoming their addictions,and a kind word and witness to prisoners, we fulfill the teaching and example of our Lord and Master. May God help us to "become all things to all men that we may by all means save some."

No. 28 **CAMP MUNDO VISTA WORK PROJECT**

Renovation on the cabins at our state WMU Camp at Mundo Vista is continuing with many volunteers coming to help winterize the cabins and construct bedrooms. Units 2,3 and 4 are complete. Unit 1 is almost complete with only some finishing up work in two bathrooms.

The Bill and Ruth Jackson Memorial Unit Lodge was also constructed this past year with most of the work being done by volunteers.

Work has begun on Unit 5, the last four cabins to be renovated, and we hope to have these nearly completed before the next camping season.

We are seeking an association or church group who would take as their project the renovation of the Unit Lodge in Unit 5. This would involve installing windows and doors, electrical wiring, insulation, paneling, trim work and painting. It would need to be completed before May 2000.

Volunteers from Flat River who have worked at the camp this year are James E. Frazier, Johnny Brummitt, Troy Preddy, Bobby and Wanda Temple, Norman and Virginia Streib, Pete and Pat Willis, Pello and Marie Duncan.

We are grateful for the time and efforts of all volunteers as well as your gifts and prayers. The camp provides meals and overnight lodging for volunteers. Call Bob Wainwright at 693-5004 if you would like to help with the work at Camp Mundo Vista.

Respectfully submitted,
Rev. Bob Wainwright

No. 29 **N. C. BAPTIST HOSPITAL**

The ordinary and expected things could be said in this year's report of our N.C. Baptist Hospital. It is "our" hospital as Baptist. We contribute to the Mother's Day Offering through our churches and these gifts go to help those without insurance and those with special needs. We are all aware of the Pastoral Care Department which was the "pioneer" in blending the spiritual and the physical needs of patients. This Pastoral Care Department is now providing ministry not only to people, but to churches.The Center for Congregational Health, Inc. is concerned that churches are healthier,therefore, better able to reach the community around them.

The above paragraph, in a nutshell, is what the ordinary lay person considers Baptist Hospital to be. Here are several new things you will be excited to know about our hospital.

The Wake Forest University Baptist Medical Center is the largest employer in both Forsyth and Guilford counties.Eleven thousand people work there.

The N. C. Baptist Hospital, Inc. will be the only one in the state to have the GAMMA KNIFE by this fall. Patients with inoperable brain lesions will benefit from this noninvasive procedure which will give the same results as surgery. The Gamma Knife uses radiation to destroy tumors and other benign brain lesions without destroying healthy tissue.

The hospital is among the nation's best hospitals in 10 of 16 specialties according to the July 1999 U.S. NEWS AND WORLD REPORT.

The medical center now offers a new treatment for epilepsy - a "pacemaker for the brain" that can help control seizures in patients who are not helped by medication and surgery.

We North Carolina Baptists are blessed and are grateful for such a ministry in which we have a part. Your gifts help make all this possible and the Baptist Hospital is thankful for your gifts of prayer and money.

Respectfully,
Rev. Emmanuel Pegram

No. 30 **NORTH AMERICAN MISSION BOARD**

There are 4,815 North American missionaries at work on mission vocationally and sacrificially.

In 1998 Southern Baptists exceeded the Annie Armstrong Easter Offering (AAEO) national goal for the first time in 17 years. Every dollar goes to support missionaries and mission activities on the field.

For the first time in history, Southern Baptists now have more than 3,000 chaplains in the field through the NAMB. The NAMB chaplains were some of the first people on the scenes ministering to families and friends when the shootings occurred in schools in Arkansas and Kentucky and at the nation's capitol.

The NAMB partnered with the Florida Bapt. Conv. and the Tampa Bay Bapt. Assoc. to start new churches in the wake of the Tampa Bay Area Billy Graham Crusade and as a result, 48 new churches were started.

More than 75,000 Southern Baptists volunteered for mission service last year, including 25,000 teenagers who participated in short-term projects resulting in more than 2,300 professions of faith.

Long-term volunteers serving through Mission Service Corps increased to 2,445.

Disaster relief by Southern Baptists served more than 2 million meals to devastated areas which is second only to the American Red Cross. In addition, NAMB coordinated disaster relief for Puerto Rico where over 110,000 were provided for. Nearly 10,000 were led to faith in Christ.

Eleven thousand World Changer participants refurbished over 800 substandard houses and led 332 to professions of faith.

Nearly 1,000 professions of faith were made at Royal Ambassador and Challenger summer camps along with 350 commitments to mission service.

NAMB-trained Crisis Pregnancy Centers saved 1,285 babies and led nearly 600 people to faith in Christ.

Four members of the United Nations diplomatic community came to Jesus Christ when an invitation was extended during a Christmas open house at NAMB's U.N. offices.

No. 31 **LIBRARY MEDIA CENTER**

There has been little change in the establishment of new library media centers in the churches of the Association this year. One meeting was held associational wide with four participants from three churches to address any needs or questions from those churches in growth or improvement of their media centers. There is some growth for the coming year with building underway for at least one church library media center.

The FRBA Library Media Center increased its collection with the addition of 42 titles during the last year.

No. 32 **ANNUITY BOARD REPORT**

The world of money management uses the term "added value" in absolute terms to describe increase in return on an investment. The Annuity Board always is concerned for added value. The board exists to help participants ensure their security in old age. No one can save enough money to live comfortably in retirement without solid investment returns and compounding of value over time. The Annuity Board aims to multiply account values by providing a variety of investment funds that can match every participant's goals and risk tolerance.

The Church Annuity Plan is the retirement plan designed for pastors, other ministers and eligible employees. It is administered by the Annuity Board in partnership with state conventions.

Ministers and other employees who are enrolled when they begin church employment are in position to reap the benefits of compounded earnings on their retirement contributions. Those who delay or make inconsistent contributions face the risk of reaching old age in less than adequate financial condition.

In 1998,the Annuity Board paid over $389 million in retirement benefits, withdrawals and Relief to Southern Baptist church and institutional employees. Unfortunately, nearly 10,000 retired ministers or their widows received no more than $200 a month in benefits. The Annuity Board and state annuity representatives make vigorous educational and promotional efforts to encourage adequate contributions to individual accounts in the Church Annuity Plan and Convention Annuity Plan. But we are reminded by Jesus that the poor will always be with us. These dear servants of yesterday must not be forgotten while we prepare for the tomorrows of current ministers and other staff members.

The SBC Cooperative Program provides more than $1 million annually that is distributed in Relief payments to some 700 couples or individuals in desperate financial need. The Annuity Board adds an equal amount from the Retired Ministers' Support Fund, and another $2.5 million in Adopt An Annuitant benefits. Every cent given for Relief or Adopt An Annuitant finds its way to a needy person or couple. We are dependent on direct gifts from concerned individuals and groups to provide about $3 in addition to each Cooperative Program dollar received. No Cooperative Program money is used for Annuity Board operations.

Baptist State Covention of N.C. statistics as of July 31, 1999: 4,172 active participants in the Church Annuity Plan; 60% churches active in the Church Annuity Plan; 2,747 persons are receiving retirement benefits; 372 are helped by the Adopt An Annuitant and Relief minsitries.

Flat River Baptist Association adopted an Annuitant for the associational year of 1999-2000.

No. 34 **STATE MISSIONS**

"Faith through Action" -that is State Missions! This offering is a tool whereby churches across N. C. can pool their money and time and get work done for our Lord. The name of Jesus can be spread across our state while those in need of assistance see the love of Jesus in action!!

This year, 1999, has been a year that churches have become actively involved in helping disaster victims from the mountains to the coast in our state. Needed food items, paper products and other items have been provided for those who have lost all or most of their belongings.

Other projects that our N.C. churches have been involved in are: helping with major improvements at Caraway Conference Center such as painting, repairing, re-shingling cabins, upgrading computer systems and exterior repairs; helping in deaf ministries; collecting funds for World Hunger projects; working with aging and single adults; helping with the mentally handicapped persons; working with ethnic groups.

From this offering each year, the associational projects receive approximately 8%, the WMU receives approximately 31%, and the Baptist Men receive approximately 25%. This is a very important offering to our state ministries! It represents what can be done when churches work together by combining small gifts which together produce big results! Giving to this offering proves the truth in the phrase, "Little is much when God is in it!!"

Genny Robertson

No. 35 **INTERNATIONAL MISSIONS**

The churches in FRBA have responded again this year to various needs of ou international peoples. We are grateful for all our missionaries, short and long term, and all the many volunteers who are helping in supporting the needs and the ministry of the International Mission Board.

Over 50 food boxes were made up by several churches in the Flat River Association to be sent to IMB missionary Larry Elliott who worked with the National Baptist Covention of Honduras in distributing the food (2,653 food boxes from North Carolina) to locations across southern Honduras. From May 15-19, twenty-two churches participated in the World Missions Conference. A total of 6,836 persons attended the services, and a total offering turned in was $7,353.41 and each missionary speaker received a love offering of $335.00. Church members once again opened their homes and hearts to host 14 Belarussian children and an interpreter from June 18 to July 30.

Continue to pray for International Missions and to give through the Cooperative Program and the Lottie Moon Christmas Offering.

The mission of BCHNC is helping hurting children.... healing broken families. The purpose is to provide programs of intentionalized services, both residential and in their own homes, to children and families who are experiencing family breakdown or who need to strengthen relationships. INTERIM DIRECTOR OF MISSIONS SERVING FLAT RIVER BAPTIST ASSOCIATION

Rev. James M. Lambert	November 1, 1995 - July 31, 1996

UPDATED HISTORY OF PLEASANT GROVE BAPTIST CHURCH

The history of this church could not be told without knowing that a band of people gathering in a "very Pleasant Grove," in the Summer of 1858 three miles east of Creedmoor, N.C. under an arbor built of bushes from the surrounding grove, heard an inspirational message from Rev. J.H. Layton, and from this endeavor and prayerful consideration, decided to establish a church at this location.

Under the inspirational leadership of 36 pastors, the church has experienced much growth through the past 141 years and also since the last church history was reported in the FRBA Annual in 1980, the church has continued to show much growth under the leadership of Rev. Tommy Robertson who began pastor of Pleasant Grove in 1978 and retired in 1999 due to his health.

Since 1980 the membership has increased from 389 to the present membership of 835. The financial growth has greatly increased through these years. The church accomplished these increases only under the leadership of our Lord and Savior Jesus Christ.

Since 1978, the church has experienced the growth of four building programs as follows:

(a) During 1979 under the leadership of Building Comm. chairman, Mr. Pete Averette, the original and first church building was brick veneered, educational building remodeled, new educational building constructed which included a pastor's study, additional Sunday School rooms, bathrooms, and fellowship hall, bathrooms and kitchen in basement area.

(b) In year of 1986 under leadership of Building Comm. chairman, Mr. Sammy Whitt, the sanctuary was renovated to Sunday School rooms, a choir room, and storage space. A new sanctuary was constructed giving the church a new look. Also a new piano, new organ, complete sound system, new pews and furniture were purchased.

(c) During 1994 under the leadership of Building Comm. chairman, Mr. Thomas Thaxton (now deceased), a new fellowship hall was constructed dur to growth of the church. This included a large kitchen, storage rooms, bathrooms, new sound system, and a stage was constructed to present plays for the church members. The previous fellowship hall was renovated to Sunday School rooms for the Children's Department.

(d) An addition to the sanctuary was constructed in 1997 that brought the seating capacity to 800. At this time, a new choir room was added which included more storage space and closet space for hanging of choir robes. This addition was under leadership of Building Comm. chairman Mr. Mike Bell.

This church has believed in missions and helping other churches through the years even outside of North Carolina. Under leadership of former pastor Tommy Robertson and church youth leader, Mrs. Eula Averette, the church started by sponsoring the first person from Pleasant Grove to the Delaware Association in 1978.

From this endeavor, the church youth team has helped in mission work, Vacation Bible Schools, Backyard Bible Schools, and revivals at First Bapt. Chr., Marydel, Maryland; Rowlesburg Bapt. Chr., West Virginia; Laurel Bapt. Chr., Delaware; Cherokee, N.C.; Ruffs Dale Bapt. Chr., Pennyslvania; Coatsdell Bapt. Chr., Dowingtown, PA; and the Baptist Association in Biloxi, Miss.

The Brotherhood of the church has helped in building or construction work of First Bapt. Chr., Rowlesburg, West VA.; First Bapt. Chr., Marydel, MD; and Ruffs Dale Bapt. Chr., PA. In 1985 some of the Baptist Men and RA's helped in construction work at Camp Caraway. Also in 1992, three Baptist Men went to Honduras to help in construction work and this mission endeavor has been sponsored through the years. Some of the WMU ladies have also gone to Honduras to help in mission work.

Other types of mission work were sponsored by the church with two men going to the Ukraine in Russia, and a group went to Monterey, Mexico to help in renovation of buildings there.

The church has also been blessed to help three former church members to be ordained into the Gospel Ministry and become pastors of their own churches. They are Rev. Gary Brummitt; Rev. Robert Oliver; and Rev. Roger Overton, Jr.

Being involved with other endeavors has had the full cooperation of the members. One being that in Nov., 1979,when the church had its first Harvest and Craft Day. This has become an annual project of the church on the second Saturday in November. Members will meet on the Friday night before and prepare for the next day of cooking brunswick stew, barbecue chicken, and having a craft auction sale in the afternoon. Church members have spoken highly of this day. All this was carried out under the guidance of former Pastor Tommy Robertson.

Under the guidance of Mrs. Eula Averette, the first "Drive Through" was held in 1990 with church members and live animals portraying the Birth of Jesus Christ, the Crucifixion of Jesus, the Resurrection of Jesus, and the Ascension of Jesus. The name of this "live" portrayal is "The Road To Bethlehem" which is acted out with great reverence by a cast of over 200 church members (adults and children).

In June of 1999, the church voted to call Dr. David Beck as interim pastor.

The writer of this brief history update and church members wish to give the Lord all the credit and praise for any and all that has been accomplished through the years at Pleasant Grove Baptist Church, Creedmoor, North Carolina.

UPDATED HISTORY OF SHARON BAPTIST CHURCH

Sharon Baptist Church, located at 6746 Goshen Road, some seventeen miles from Oxford in the western section of Granville County and about two miles from the Person County line, was organized November 28, 1896. This church's history was featured in the 1980 Annual of the Flat River Baptist Association and this is an update from that year.

Under the leadership of Pastor Wayne Dickard, a fellowship hall was built in 1982. Other improvements in the 80's included: a handicap ramp (1985), a picnic shed (1987), and a sound system (1989).

Improvements in the 90's included: the purchase of an organ (1990), pew Bibles (1992), telephone installed in the church (1994), new front porch (1997), and front church doors (1998).

Choir robes of light gray with wine overlay were purchased in 1996. A storage building was purchased in 1996, and a basketball court connected to the picnic shelter was built in 1998.

A new stainless steel baptistry, made by Mr. Allen Adcock, was dedicated on April 21, 1996. Mrs. Gwynn Adcock gave a major donation toward the baptistry in memory of her grandparents, Mr. and Mrs. Phillip Knott. A concrete parking lot was built in November and December of 1998 complete with concrete stops and marked parking spaces for 53 cars.

During the Summer of 1999, a new church media center and church office were built and named in memory of Mr. Percy Lee Powell, Sr.

A church flag was designed and adopted during the 200th Anniversary of the Flat River Baptist Association, 1993-94. The flag shows a cross - symbol of Christianity; a fish - symbol of Christ; the church flower - Rose of Sharon; a palm branch - symbol of peace; an open Bible - symbol of the Word of God. The words, Sharon Baptist Church, appear above the cross and the year, 1896, at the bottom of the cross.

In November of 1996, Rev. Robert (Bob) Baynard made a 2-week trip to Romania carrying medicines and Bibles to the people there and conducting preaching services in many village churches. He went back to Romania in 1997, 1998, and again in 1999. Other Sharon members who have gone on this mission trip include Mrs. Jo Baynard and Mrs. Marjorie Melton in 1996 and Mr. and Mrs. Edward Melton in 1997.

The year 1996 was the most memorable year in the history of this church as Sharon celebrated its 100th Anni-

versary on October 6, 1996 with the theme "Down Memory Lane--Harvest of Love, Fellowship, and Praise." Former pastor, the Rev. Dr. Wayne Dickard of Greer, S.C. brought the morning message to some 300 people in attendance. Nine former pastors were present and participated in this service. One hundred red roses decorated the sanctuary - one for each year of the church's existence. Eighty-five pots of yellow mums, given in memory or in honor of loved ones, lined the front steps and sidewalks of the church, forming the shape of a large cross. A special Sharon anniversary cookbook was sold during the year along with church tee shirts and ceramic items.

Activities during the anniversary year included a special Memorial Day service on May 26, 1996 to honor the service men and women for the past 100 years and a roll call of each former deceased member of the church during the past 100 years. Family members present stood as these deceased names were called.

A Fun and Craft Day was conducted on Saturday, August 10, 1996 featuring the making of lye soap, apple cider, home-made mints, lap quilting, and carved wooden toys. Special exhibits of household items, old clothes, and farm equipment were featured. Fun activities included a watermelon seed spitting contest, a fishing booth for children, and buggy rides for all ages. A hot dog supper was served along with many freezers of homemade ice cream. A special musical program concluded this service.

A birthday reception was held between Sunday School and preaching on November 24, 1996 to officially mark the anniversary date of November 28, 1896. The three-tier birthday cake was made by Mrs. Maxine Denny. Dr. Roy Smith, executive director of the Baptist State Convention of North Carolina, was the guest speaker.

Sharon participated in the FRBA Belarussian Children Project in 1998 and 1999. Mr. and Mrs. Bradley Jones and family hosted a Belarussian girl, Katya Kuleshevskaya, both years.

Sharon also participated in the FRBA World Mission Conference held during the week of May 15-19, 1999.

Special highlights of the last decade include the death of our oldest member, Mr. Alfred E. Huff, on March 12, 1991 at the age of 98 years and 6 months; ordination of Percy Lee Powell, Jr. on November 6, 1994 which gave us a grandfather, Clyde Powell; father, Percy Powell, and son, Percy Lee Powell Jr., serving at the same time on the deacon board; the graduation of a former pastor, Wayne Dickard, from Southeastern

Seminary with the Doctor of Ministry degree (1995); the appointment of a former pastor and wife, the Rev. and Mrs. Rob Norman, as foreign missionaries to East Africa and Greece in the 1980's and 1990's.

The following pastors have served Sharon Baptist Church since the 1980 history was featured: Rev. Robert Norman, III, (Dec. 2, 1979-Oct. 25, 1981); Rev. Dr. Wayne Dickard (Mar. 14, 1982-July 17, 1983); Rev. Allan Danner (Jan. 8, 1984-Dec. 23, 1984); Rev. Dean Coffey (June 2, 1985-Jan. 29, 1989); Rev. James Horton (Sept. 24, 1989-Aug. 11, 1991); and Rev. Robert W. Baynard (March 1, 1992-Present).

Sharon Baptist Church dedicates itself to Bible study, prayer, mission involvement, evangelism, and service to God in the new millennium just ahead.

No. 2 **SUNDAY SCHOOL**

The Associational Sunday School Team worked with three churches during the year covering new literature, organization and outreach. We remind all the churches we are available to assist in planning and training activities. It is good at times to have fresh eyes and a new voice to help in our growth efforts.

Vacation Bible School for the churches had an enrollment of 2973+ and 343+ prospects for Sunday School and church were identified. There were at least 55 decisions for Christ during the VBS activities. This year, we recorded more than 350 adult attendees in VBS. Total offerings for VBS exceeded $6,097.08 with $2,155.62 going to the Cooperative Program and $3,941.46 given to other mission projects. The Associational VBS training clinic for the coming year is scheduled in April, 2001 at West Oxford Baptist Church. Please mark your calendars and plan to attend this event.

FAITH training continues to be a valuable vehicle for helping Sunday Schools develop effective outreach programs. In addition to learning to share the Gospel, **FAITH** gets people excited about Sunday School and inviting the unchurched to participate. I encourage each church to become involved with the **FAITH** concept.

Respectfully submitted,
Rev. Jack Hollowell

No. 3 **WOMAN'S MISSIONARY UNION**

The Woman's Missionary Union of the Flat River Baptist Association began the year with a training session held at Oxford Baptist Church on August 30, 1999. The theme for the year was **Transformed: to Take the Stand**, based on Ephesians 6:11-13.

The Baptist Men/WOM Banquet was held at Pleasant Grove. The speaker was Mrs. Phyllis Elvington and special music was brought by Mr. Johnny Gupton.

Our **Pastor Appreciation Banquet** was held March 11th at Tabbs Creek Church. Special music was provided by the Creekside Quartet of Tabbs Creek and the speaker was Mr. Ralph Knott.

The WMU Spring Meeting was held at Oxford Baptist Church. Speakers were from FRBA. They told about mission trips they had been on during the year. They were: Mr. Richard Pulsifer, China; Mr. Pello Duncan, Kosovo and

Belarus; and the three members of the FRBA Youth team to Delaware. Some constitutional changes were made to reflect changes in the national WMU.

On April 14 the WOM#2 held their banquet at Stovall, with Sarah Childers as speaker. Girls In Action had their Day Camp at Grassy Creek on May 20; and Mission Friends met at Peace's Chapel on April 29 for their Day Camp. Also on April 29 the Acteens had a missions day at the CCM hut.

WMU groups throughout the Association were involved in flood relief after Hurricane Floyd.

Respectfully submitted,
Vera Johnson, FRBA WMU Director

No. 4 **BROTHERHOOD**

The Baptist Men of Flat River Association continue to be very busy. I am grateful for all the good work that has been accomplished this year. New Baptist Men's groups have been formed, with an increase in attendance in Baptist Men's groups in several churches. Royal Ambassadors (RA's) have increased involving more boys in mission study.

The annual RA Congress was very successful with over 100 participants and supporters. The RA's held a Mission Fair Exhibit, participated in Field Day events and excelled in the Pine-block Car Competition. The winners went on to compete in the State competition.

The Baptist Men held their Annual Fish Fry/Training session in August, at West Oxford with 61 in attendance.

As a result of Hurricane Floyd there is still much work to be done in the eastern part of the state. Our Association continues to respond with volunteers, money, and handyman ministries.

Disaster Recovery Training is being planned for early spring.

A team of Baptist Men of the Association went on a Mission Handyman Ministry to Fairbanks, Alaska. They com-. pleted the renovation of a service station, (grease/wash pit tire changing room) into a beautiful Worship Center. I am grateful for all the hard work and efforts exerted by 10 men and one woman from the area to complete the job. I might add a job well done. The tire changing room is now a kitchen. The wash and grease pit were converted into a Sanctuary for worship. The sales area and stock room have been converted into a Parlor and Pastor's Study. The glass front is now a

solid, winter-proof wall with windows that match the decor. Another trip is in the making for a return trip in June or July 2001.

Thank you for all you do with the Baptist Men.

Praying for God to lead you for a mission adventure,

W. Jim Whitehead, FRBA Brotherhood Dir.

No. 6 **N.C. BAPTIST CHILDREN'S HOMES**

The Baptist Children's Homes of North Carolina has helped hurting children and healed broken families for the past 115 years. During this past year the thirteen facilities of BCH has served 1800 children and their families. Families like the McDonalds who found the challenges of a blended family were just too difficult. Their son began venting his anger toward his parents. He began getting in trouble at school and with neighborhood kids. Things were getting out of control when Corey's parents called BCH. There they found a loving, caring staff willing to embrace their family with hope and expert help. Today their son is learning better ways to deal with his anger and communicate with his parents.

The Baptist Children's Homes can only continue to serve families, if we support them with our prayers and our giving. The Thanksgiving offering theme for 2000-2001 is "Will You Embrace God's Children?" Churches and their congregations across the FRBA are asked to give generously. And most of all, pray for the work of BCH of NC constantly.

Respectfully submitted,
Robert E. Garrett

No. 7 **PERSONNEL COMMITTEE**

We approved the recommendation to the General Board the hiring of Mrs. Dorothy K. Gupton as secretary to replace Mrs. Gerald Rene Frazier who retired October 1, 2000. It was also our recommendation that Mrs. Gupton be allowed to start her employment two weeks before Mrs. Frazier's retirement.

We have compiled the accompanying Statements of Cash Receipts and Disbursements of the General Fund. Designated Funds. and the CCM/WMU Funds of the Flat River Baptist Association)a non-profit organization) for the years ended September 30, 2000 and 1999, in accordance with Statements on Standards for Accounting and Review Services issued by the American Institute of Certified Public Accountants. The financial statements have been prepared on the cash basis of accounting, which is a comprehensive basis of accounting other than generally accepted accounting principles.

A compilation is limited to presenting in the form of financial statements information that is the representation of management. We have not audited or reviewed the accompanying Statements of Cash Receipts and Disbursements and. accordingly, do not express an opinion or any other form of assurance on them.

Management has elected to omit substantially all of the disclosures ordinarily included in financial statements prepared on the cash basis of accounting. If the omitted disclosures were included in the financial statements. they might influence the user's conclusions about the Association's cash receipts and disbursements. Accordingly, these financial statements are not designed for those who are not informed about such matters.

No. 10 **THE 2000-2001 FRBA BUDGET PROMOTION**

We appreciate the financial support that the Association received from the churches in 1999-2000. Each of you should have access to a copy of the 2000-2001 FRBA Budget. Our Finance Committee tried to keep this budget at a level that would not cause a financial burden to any one of our churches but at the same time offer a diversity of ministries and services. The 2000-2001 Budget reflects an increase of $1,971 or a 1.48% increase over the 1999-2000 Budget. The majority of the increase is seen in direct missions ministries due to the increase in rent at the new CCM location and in personnel expenses with an increase in support to the staff who is responsible for the day-to-day operations of the Association. I would also like to point out that we were fortunate enough to have a budget reduction in our operating expenses and church development and Christian education ministries which helped to offset this year's budget increase. The 2000-2001 Budget total is $135,038.00.

We encourage all of the churches to be in prayer about increasing their financial contributions to support this budget and you are encouraged to take advantage of all that our association has to offer.

I would like to thank all those who have been in prayer and who have worked long and hard on this budget. Other members of this committee were: Mr. John Mackie, Oxford; Mrs. Janet Barlowe, Hester; Mrs. Betty Puckett, Peace's Chapel; Mr. Tommy Averette, Pleasant Grove; Mrs. Josephine Hester, Creedmoor First; and Dr. Fred Knott, FRBA Treasurer and ex-officio member.

Respectfully submitted,
Mr. Leonard Daniel, Chm.

This report is listed in the Associational Directory under the heading "Committees and Members of Committees" 2000-2001." This report was submitted by the 2000 FRBA Committee on Committees: Rev. Neil Woodlief, Dexter, CHM.; Mr. Otha Piper, Jr., Creedmoor First; Mr. Lee Roy Beam, Tungsten First; Mrs. Mattie Sue Cash, Enon; Mr. Rancher Preddy, Oxford.

No. 13 **EXECUTIVE COMMITTEE**

This committee discussed the new property fund. Some churches are putting an expense item in their annual budget to help with purchasing the property. Others are making lump sum contributions. At present, there is enough in the fund to cover monthly payments for 10 to 12 months. Thirty-eight thousand dollars would retire the debt. A building committee will be nominated soon and the members will include people having both building and fund raising expertise.

Two new "at large" members for the Executive Committee will be elected to replace Joe Ben White and Violet Coats whose terms are expiring. Please accept if asked to participate on this important committee.

The County manager asked if we would participate with other county churches to build a portable wheelchair ramp for use by needy people in the County. The committee voted to donate $150.00 from our State Missions Fund for this purpose.

The committee voted to authorize installation of a second telephone line to the FRBA office. The second line is needed due to fax, internet access and increasing telephone usage. Purchase of two dual line phones was also authorized.

No. 14 **FRBA DAMASCUS HOME**

Since the inception of the FRBA Damascus Home in March of 1993, this ministry has been at the front of the continuing battle against substance abuse in our community, state and nation. Damascus Home residents come from all walks of life and truly defy any type of stereotype. They are for the most part from families that we consider "main stream." Our mission at Damascus Home extends beyond the ministry to the individual and to these families with hope and comfort.

Our ministry is part of God's plan in reconciling these sons to loving mothers and fathers who are lost in a sea of frustration, confusion, and co-dependency or enablement. Your financial support in this worthy ministry is appreciated and so are your prayers. Please pray for all the victims of substance abuse and for the fathers,mothers, sisters and brothers that struggle in this bondage under the influence of Satan's lie.

Damascus Home is currently full maintaining a continual waiting list attesting to the need and the potential for expansion of the ministry services of the Home. The management model that has been tested and tried is that of a senior resident and a director. Eddie Mauldin serves as director with Monte Baskerville serving as senior resident. Monte is to be married on December 16, 2000, having had a wonderful tenure as senior resident and having advanced the ministry in many areas.

Please continue to pray for the ministry and for special blessings for Monte and all residents as they rebuild their lives.

Terry Howard, Chairman
FRBA Damascus Home Board

The Lord continues to bless the finances of Damascus Home and to supply the needs of Damascus Home in all areas of the ministry. Since the inception of the Home in 1993, this ministry has been blessed with clients from many areas of the country and from several different programs with a majority from North Carolina Christ-centered programs at Hebron Colony in Boone and at Bethel Colony in Lenoir.

The program is on a sound financial basis due to the generosity of the member churches in the association and to the cooperation of employers in the area and the stability of residency that the Lord has blessed us with. Your financial support in this worthy ministry is appreciated and so

is your prayer. Your prayer is vital to the continued well being of the ministry as it is to the continued walk of the committed Christian.

Damascus Home is currently full maintaining a continual waiting list attesting to the need of the ministry, a mixed blessing. The emergence of new substances and the continual plague of alcohol, heroine and cocaine addiction remind us of the timeliness of the ministry which is no comfort.

Please continue to pray for the ministry and for special blessings for Monte Baskerville, his marriage and all residents as they rebuild their lives.

Rev. Eddie Mauldin, Director
FRBA Damascus Home, Inc.

No. 15 **INTERNATIONAL MISSION BOARD**

During the past year, Southern Baptists excelled in the challenge to spread the gospel worldwide. A record 363,703 baptisms were reported, and 4,748 churches were started on mission fields. A record 25,807 volunteers were sent overseas by the Board. We are grateful for all our missionaries, short and long term, and all the many volunteers who are helping to plant, water and harvest.

Rev. Bob Baynard from the Sharon Church on a mission trip to Romania; Mr. Floyd Jackson's Japan mission trip; eleven Belarussian children and their chaperone/interpreter hosted by families throughout the Association; Brian Busch from Olive Grove on a mission trip to the Czech Republic and Joey and Mandy Johnson from Olive Grove on a mission trip to the Ukraine; and the Honduras Mission Team of 21 volunteers from Flat River and Cullom Associations and Moravian Falls; are the ones we know this year that helped to plant and water that the harvest of souls on our international fields will be greater.

Continue to pray for International Missions and to give through the Cooperative Program and the Lottie Moon Christmas Offering.

Respectfully submitted,
Mrs. Jannie H. Preddy

No. 16 **CHURCH AND COMMUNITY MINISTRIES**

Great things have happened since last October. This ministry has really grown in many ways and because we have worked together, many families have been helped. When we first moved into the new building, we thought we could never fill it up. What a joke that was. We have had to rent four storage bins at the back and they are all full. The items we need most are furniture, household items, etc. to meet the needs brought to our attention. There was $2,000 raised at the Fall Festival last October at Wal-Mart and they matched the funds. Over 1,000 shoe boxes was collected last November for the Samaritan Purse Ministry last November. Last December, Christmas gifts were provided for John Umstead, Murdoch, Group Homes in Creedmoor, Central Children's Home, and the Toy Ministry at Oxford Armory. Toys were also sent to the flooded areas in our State.

The Volunteers Reception in February had more to

attend than last year. Josephine Hester from Creedmoor First Baptist was elected the FRBA Volunteer of the Year. Over 100 children and teachers were involved in the Backyard Bible Clubs at the low income apartments in June. The Vacation Bible School in July at the Masonic Home for Children in Oxford was a big success with three children accepting the Lord. These were really supported by the churches.

There have been a lot of needs in our community referred to us that we have never had before. These needs were met because of the donations and volunteers like you. Thanks to everyone and may God bless as we work together.

In His Service,
Virginia Tuck

No. 17 **SENIOR ADULTS**

"Even when I am old and gray, do not forsake me, O God, till I declare your power to the next generation, your might to all who are to come," Psalm 71:18.

Our quarterly meetings were held November 18, at Island Creek with 90 present, six pastors and 18 churches represented; February 17 at Oxford with 77 present, six pastors and 16 churches; May 18 at Tally Ho First with 56 present, three pastors and 17 churches; August 17 at Providence with 68 present, seven pastors and 13 churches. We enjoyed a good program and lunch at each of these meetings.

Our summer retreat to Caswell was enjoyed by all who attended.

The Golden Chords Senior Adult Choir had another good year. There are 44 enrolled in the choir from 20 different churches. We sang for the Cullom Association annual meeting in April and for the Senior Adult Revival in the Beulah Association in June. We also enjoyed singing in many of the churches in our Association. Two of the highlights of the choir's year is our picnic at Lake Rogers in June and our Christmas Party. We still have room for you. If you enjoy singing, come and join us.

I encourage each church to start some senior adult ministry in their church and participate in the associational Senior Adult programs.

No. 18 **HISPANIC MISSIONS**

The Hispanic Mission, Mision Bautista Hermandad, would like to extend its thanks for all of your assistance, the prayers and financial support in the last year. The mission is trying new ways to reach the lost in the community. After years of having a late Sunday afternoon service, they are now meeting on Sundays from 9:00-11:00 AM and in the evening for praise and worship from 6:00-7:00 PM. They have Sunday School and worship in the morning. The attendance has increased dramatically in the morning running from 75-100 people.

Rev. Felipe Polo-Wood continued to serve as the bi-vocational pastor.There were two baptisms in the past year. The church celebrated two Festival Days in June and August to reach those not attending and those doing migrant work. Both events were well attended, with the Oxford police department making a presentation in August.

The members have repainted the entire interior of the church and are in the midst of erecting an outdoor register and signs at the crossroads leading to the church. The youth continue to meet on Saturday nights and there are home Bible study groups that are meeting. We have reduced the associational and state convention support for the budget and reach for the goal of being self-supporting.

We ask for your prayers as we strive to reach the goal of constituting as a church. We still need to develop good strong church leaders and several of the members are taking seriously their call to be leaders and examples in their Christian walk.

Bobby Temple

No. 19 **MISSIONS DEVELOPMENT 2000**

The Belarussian Children's Project was exceptional this year. As host group coordinator, I was not contacted for anything considered to be troublesome or a problem. Flat River Baptist Association sponsored 11 children and an interpreter from Belarus. This is bringing missions to us and is a great ministry for "hands on."

The host families and churches they represent are: Joe and Doris Bellofatto, Poplar Creek (2 children -brother and sister); James and Kathleen Critcher, Tabbs Creek; George and Jacqlyn Custer, Stovall; Pello and Marie Duncan, West

Oxford; Cam and Maria Ford, Poplar Creek; Rod and Amy Heintz, Central (Cullom Assoc.); Russell and Robin Hucks, Good Hope (Raleigh Assoc.); Barry and Teresa Miller, Providence; Mike and Phyllis Patterson, Corinth; Jim and Jeanie Whitehead, West Oxford; and Bob and Betty Wainwright, Oxford, hosted the interpreter. Many thanks to all the host parents, churches, individuals and organizations who had a part in this ministry to these special children.

The Belarussian Steering Committee recommends that the Flat River Baptist Association sponsor this mission/ministry again in 2001. (This was approved in Annual Mtg.)

Every school in Granville County was the subject of prayer during the "2000 Campus Prayer Journey" on Sept. 19; and "See You at the Pole" on Sept. 20. Participation was less than hoped. All churches are asked to pray for the schools --students, teachers, administrators and support personnel. ("Church people" complain about prayer being taken out of the schools but will not be present at a school for a designated time of prayer.) In September,2001, this campaign will be promoted again--BE A PART.

No. 20 **CHRISTIAN EDUCATION**

From the founding of the Baptist State Convention of North Carolina in 1830, Christian higher education has been supported and valued. Our local churches, associations, and the state have benefited as a result.

In 1999, North Carolina Baptists provided special Convention sponsored scholarship assistance to hundreds of students from our churches who chose to attend one of our affiliated colleges or universities. Sixty-eight of our eighty associations were represented among the students who received such aid. For every dollar provided to these Baptist students through the Cooperative Program, the individual institutions matched it with $2.50 of additional financial assistance. Forty-five percent (45%) of the on-campus student populations are Baptists.

In addition to support of undergraduates, North Carolina Baptists assisted 297 divinity school students last year through theological educational grants from the Convention. Students at the divinity schools at Gardner-Webb or Campbell are eligible to receive a grant of $8,100.

Students who pursue their theological education from other institutions are eligible to receive grants of $3,000 for their studies. Such assistance is made possible through churches giving through optional giving Plans B and C.

Without the faithful support of the Cooperative Mission Budget of the Baptist State Convention, opportunities for our members to attend Campbell, Chowan, Gardner-Webb, Mars Hill or Wingate would not be possible. North Carolina Baptists can take pride in graduates of these institutions who want to serve our Lord and His churches in North Carolina.

Thank you for your continued support of Christian higher education in our state.

Lenny Rogers

Van Use & Repair -The repair expense on the 1994 Dodge van has been $1,148.55. Two service/repair bills have not been received yet. (1) The Association used the van for 12 trips, totaling 2,645 miles; (2) Other churches used the van for 37 trips, totaling 10,379 miles; (3) The current odometer reading on the van is 118,568 miles.

Fellowship Baptist Church donated its old van to the Hispanic church. As far as we can tell, the van is in good condition. (Thanks to Fellowship Baptist Church). The old van that the Hispanic church was using will be either sold or given away.

Association Office Building -The heat and air condition unit for the office was replaced this year with a gas pack/heating system.

New Land Purchase - After a long search for land, the Property Committee found a suitable piece of land in a good location. After negotiations with Bear Development (Louis B. Moss), the Association purchased the land for a price of $66,833.05, including closing costs. This land will be for a new Association office and for the operation of the CCM. This property is located off Highway 15 North of Oxford at the corner of College Street and Tobacco Road (just across from High Price Warehouse).

The Association has a loan of $50,000 to be paid back in monthly payments of $1,019.72 for five (5) years.

"EXALTING THE NAME OF JESUS THROUGH OUR ASSOCIATION"

Why do we do what we do in our association? What is the purpose? Who gets the credit, the honor, and the glory for what is accomplished? What do outsiders see as the motive for our activities and ministry? What is the standard and gauge for determining what we do as an association? The theme of our meeting this year states it well: "Exalting the Name of Jesus Together." The standard for all we do should be, "Does it exalt the name of Jesus."

The Apostle Paul was writing to a group of Christians who had been known to exalt themselves or their leaders instead of Christ when he wrote I Corinthians 4:5, "For we preach not ourselves, but Christ Jesus the Lord, and ourselves, your servants for Jesus' sake." He later reminded the Colossian Christians that our goal should be "that in all things Christ should have the preeminence." (Col. 1:18) Jesus expressed it like this in Matthew 5:16, "Let your light so shine before men,that they may see your good works and glorify your Father who is in heaven."

Just the fact of our togetherness exalts the name of Jesus. One secret of the early Christian's success in winning converts was their togetherness, as illustrated in the early chapters of the Book of Acts. In a world torn apart by hatred, intolerance and strife, Christians can exalt the name of Jesus through fellowship and love. Our churches are not exempt from the forces which are pulling our world apart. These are more and more affecting our churches and associations, and it takes a determined, conscious effort on our part to maintain our togetherness.

We exalt the name of Jesus by following His example. The WWJD bracelets and signs have reminded us anew to keep on asking ourselves and one another, "What Would Jesus Do?" We need to ask this question when we face the tough issues of life. Jesus is much more than just an example, but He is our perfect example in all we think or do. WWJD could also mean "Walk with Jesus Daily."

Times change and situations change, but Jesus remains our constant. He is, as we read in Hebrews, "the same yesterday, today and forever." But exalting Jesus often confronts us with needed changes in attitudes, ideas, activities, and programs. The question should not be, "Does it agree with what I have always believed or Does it feel comfortable to me?" The question should always be, "Does it exalt Jesus?"

During the past year we have been able to exalt the name of Jesus together in many ways. Jesus was exalted during the Clyde Dupin Crusade in a manner that crossed denomination and racial lines.Jesus was exalted as volunteers from our churches brought help and hope to our flood-stricken neighbors down east. Jesus was lifted up in word and deed to our guest children from Belarussia and through them to their families and friends in Belarus. Host families were drawn together through this labor of love.

What about the coming year? How can we exalt Jesus even more? What about through reviving our youth mission trip, what was cancelled this year due to lack of interest? Could we exalt Jesus by better attendance at the Campus Prayer Journeys on each school campus in September? Or perhaps through hosting or sponsoring a Belarussian child. Maybe we could reach out more to neighboring churches for fellowship and shared mission and ministry projects. More volunteers are needed for our Church and Community Ministry programs to help sort or deliver items or assist with the Vacation Bible School at the Masonic Home or the Backyard Bible Club at the Oxford Housing Project.

Someone has said, "There is no limit to what could be cone if nobody cared who got the credit." The theme of this year's annual meeting says that the credit should go to Jesus. As we exalt His name together, He will bless and multiply our efforts in a wonderful way. Let's exalt Jesus' name together this year.

No. 27 **HONDURAS MISSION TEAM**

A team of 21 members went on a mission trip to Honduras from August 26th-September 3rd, 2000. There were 17 from Flat River, two from Cullom Association, and two from Moravian Falls. The group worked with missionaries Larry and Jean Elliott, Larry being a native of Granville County. They assisted Comunion Baptist Church in Tegucigalpa to build a mission church in Tamara. Comunion is also building two other mission churches at Santa Rosa and La Roca. Tamara is a new community being built for victims of Hurricane Mitch in 1998 who lost their homes. The ladies worked on craft projects, witnessing, hospital visitation, eyeglass ministry, and children's ministries. The men wired the church building, poured concrete, built church benches and installed flooring. Honduras is experiencing a large growth of new believers since the hurricane did so much

damage to the country. North Carolina Baptist Men have been in partnership with the Honduras Convention doing house construction and church building. Over 100 teams have gone in each of the last two years.

The team members were George Cannady, Kay Ayscue, Doug and Bernice Colquitt, David and Trudy Ballard, Pleasant Grove; Johnny Riggan, Kelly Wheeler, Lee Chandler, Island Creek; David Blackwell, Mountain Creek; Clifton and Gayle Champion, Bobby Temple, Fellowship; George Harris, Rock Spring; Mary Ann Hester, Oxford; Andy Fisher, Butner First; Brenda Thompson, Corinth; Carlton and Ethel Whitby, Carey, Cullom Association; Bud and Betty McKew, Moravian Falls.

No. 29 **CLYDE DUPIN CRUSADE**

Many Flat River Baptist Association churches participated in the Oxford-Area Clyde Dupin Evangelistic Crusdae at J. F. Webb High School Gymnasium on April 30-May 4, 2000. This interdenominational crusade had its beginning in the Fall of 1999, when some 30 area pastors met and voted to invite Clyde Dupin Ministries team to conduct a crusade. Two other planning meetings were held, with invitations

sent to every church in Granville County.

A 30-person steering committee was formed, which included Mr. Dave Currin as General Chairman; Dr. Paul Johnson as Executive Secretary, and 14 others from FRBA churches. A Kick-off Banquet was held February 10 at Webb High School and counselors were trained through a series of five Preparation Rallies held weekly at three area churches.

Funds for the Crusade came from gifts from individuals, churches, businesses, and the Baptist State Convention of N. C. Gifts to the Crusade totaled $37,479. 65. After all expenses were paid, amounting to $34,363.57, the balance of $3.116.08 was sent to Clyde Dupin Ministries to assist in their overseas crusades.

The Crusade featured the evangelistic preaching of Dr. Clyde Dupin; music by a mass choir from area churches; guest musicians arranged by Clyde Dupin Ministries; and guest speakers Major James Seawood and Mrs. Grace Dupin, who also spoke at ladies' teas each morning.

During the Crusade there were 31 professions of faith in Christ and more than 30 other decisions. These decisions were followed up in the weeks following the Crusade, with a number being baptized into churches, including some in our Association.

No. 30 **ANNUITY BOARD**

The Annuity Office of the Baptist State Convention of North Carolina in partnership with the Annuity Board of the Southern Baptist Convention provides services related to retirement planning, financial support of ministers and other church employees, life and health insurance programs, and church/clergy tax issues. The Annuity Board began offering The Ministers' Annuity Plan on January 1, 2000. This new product is particularly designed for the minister who has self-employment income from performing services (i.e. weddings,funerals, revivals, writing) as a Southern Baptist minister, and others who may not qualify for one of the other Annuity Board retirement plans. Contact the Annuity Board's customer service area to determine eligibility.

Changes to the Annuity Board's Mission Statement and two new Ministry Assignments were approved in June, 2000, at the Southern Baptist Convention in annual session. The Annuity Board is now allowed to offer personal investing for Southern Baptist ministers and denominational employees and their spouses, and to assist church and denominational entities by making available institutional investment services through cooperative agreements with state Baptist foundations.

As of May 31, 2000, there were 4,561 active participants in the annuity retirement plan from 61% of our North Carolina churches. There are 39 active participants from 28 churches in the Flat River Baptist Association. No. 34 **BAPTIST RETIREMENT HOMES OF NORTH CAROLINA, INC.**

In March, 2001, the Baptist Homes of North Carolina will celebrate 50 years of service to older adults. We as North Carolina Baptists should be very thankful to have been a part of this "great organization" called North Carolina Baptist Retirement Homes. These Homes are places where our loved ones can spend their time, when we as families are no longer able to care for them at home.

Whatever the future may hold, Baptist Retirement Homes will care for its residents for the rest of their lives. We should never neglect our obligation to give of our monies and visit often---bring home when possible. At least, give a cup of cold water in "Jesus' Name."

No. 35 **NORTH CAROLINA BAPTIST HOSPITALS, INC.**

In May of 2000 The N. C. Baptist Hospitals, Inc. celebrated 77 years of regional, national, and international service. During these years the hospital has been faithful to the initial vision of the N.C. Baptist State Convention.

Baptist churches from all across North Carolina join in a mutual mission through the Mother's Day offering which in 1999 amounted to $531,452. These funds are used exclusively to help patients who have minimal or no health care insurance and have no other financial means to pay their hospital bills. This past year, over $200,000 was used to assist members of our Baptist churches in N. C.

The Department of Chaplaincy and Pastoral Education provided worship services in Davis Chapel each week as well as services in the J. Paul Sticht Center. The Department of

Pastoral Counseling, CareNet, Inc. continues to develop its ministries. There are now 16 Christian counseling centers located across the state. The Center for Congregational Health, inc. continues to develop its mission of helping congregations become healthier communities of faith. The Center has served an average of 21 N.C. Baptist congregations a month during the past year.

Construction has begun on a 350,000 square foot addition atop Ardmore Tower which will provide more space for Brenner Children's Hospital as well as additional operating suites and private patient rooms.

Other points of emphasis and progress--*New Dental Program for indigent children; *Physician and Nursing Excellence; *Newest Treatment for Epilepsy -a new treatment for epilepsy, a "pacemaker for the brain" that can help control seizures in patients who are not helped by medication and are ineligible for surgery.

No. 36 **MUSIC**

It was so great to hear from the adult choirs of the Fellowship and Peace's Chapel Churches during our annual meeting this year! They all did a great job. Also, a very special "thank you" to the directors and accompanists at each church--Nathan Black and Kerri Lynn Adcock from Fellowship; Norma Leigh Critcher, Tabbs Creek; and Carolyn Futrell and Kaye Raynor from Peaces Chapel.

Of course, I was so excited to have the vocal "Praise Time" from First Baptist Creedmoor with me on Monday evening to lead the "Praise and Worship."This Team was made up of Tita Cockrell, Betsie Forsythe, Brenda Lawler, and Betsy Mauldin with Toby Rogers as accompanist.

Music is such a vital part of any worship service, be it Sunday mornings, Sunday evenings, Wednesday nights or associational annual meetings. I appreciate the opportunity to have a more blended worship at our annual meetings and appreciate the congregational participation each year.

Please contact me if I can be of service to the Music Department in your church. If I cannot assist you, I will gladly direct you to another source for help with your questions.

UPDATED HISTORY OF MOUNTAIN CREEK BAPTIST CHURCH

This church, located at 2187 Mountain Creek Road in northern Granville County, enjoys a rich history. It was organized on the fourth Sunday of May 1860 by 21 men and 17 women from Hester Baptist Church. Among those 38 persons, we find the family names of Currin, Downey, Hart, Eakes, Blackwell, Sanford, Elliott, Hester, Frazier, Knott,Daniel, and Newton. Through the years, descendants of these charter members have remained active in the church, and today's membership still lists most of those family names as well as others who have joined.

Rev. R.I. Devin was called as the first pastor at a salary of $100 per year. The church's first building, a wooden structure, stood near the present sanctuary on a site previously occupied by a blacksmith shop. The present sanctuary was built in 1917-18 at a cost of $5,000, and has been used continously since then with periodic updates and refurbishing. Adjacent to the building is a cemetery that the church has maintained since the early 1860's. In 1956, the church built an education building, and a parsonage in 1960. In 1999, the church did extensive repairs to the exterior of the sanctuary, including reinforcing the foundation and repointing the brick walls.

At one time Mountain Creek was in a field of four churches, which included Grassy Creek, Providence, and Knott's Grove. About 1950, Mountain Creek and Grassy Creek formed a two-church field. In 1959, the church became full time and called Rev. C. N. Bennett as its first full time pastor.

The congregation at Mountain Creek has always taken an active part in denominational life. In 1886, the church granted a license to preach to G.T. Watkins. Since then, at least three other members have been ordained. They are John Shearin, Glenn Blackwell, and Odis Eakes. In 1896, 26 members joined with members from Hester, Enon, and Mt. Zion to form Sharon Baptist Church. In 1902, the church collected $65.65 for the Baptist Female University. In 1933 R.L. Eakes gave a one-minute talk at the association on some outstanding things the church had done that year. Through the years, the church has supported Flat River Association both financially and through members serving in activities and in leadership positions. The church has continued to be well informed about the North Carolina Baptist State Convention by hosting representatives of its institutions as speakers from time to time.

Mountain Creek has been a church interested in the spiritual growth of its members. A Sunday School was organized in 1872, and the 1908 records for the first time include a reference to Sunday School literature - costing $2.21. In 1925, the B.Y.P.U. (Baptist Young People's Union) began with L.D. Parham appointed as the first president. Records show that the church held a study course in 1927 conducted by a visiting teacher who boarded at the home of R.L. Eakes at a cost of $7.00 to the church. Currently, each summer, a well-attended Vacation Bible School is held for all age groups, including teenagers and adults.

A strength of Mountain Creek Church from its founding has been its strong emphasis on missions. That strength continues today. In 1892, the church raised $35.90 for foreign missions during the months of April and May. In 1896, $3.83 was collected for church extension, and in 1898 $1.15 was collected for a church in Kentucky. The 1897 collection for the orphanage totaled $4.30. During the 1960's and 70's, Mountain Creek had an outstanding W.M.U. (Woman's Missionary Union) under the leadership of Mrs. Mary Woods. The group received the honor of Distinguished for 28 consecutive years, one of the longest records in North Carolina. Mission groups for all age levels are active. In 1998, the church was recognized as one of the top 100 churches in the state in contributions to the North Carolina Missions Offering.

In recent years, church members have actively participated in mission outreach through mission trips to Honduras and Germany, relief teams helping in times of disaster, individual young people serving on mission trips to Delaware, and group youth mission trips to the beach and the mountains. Mountain Creek has always been a very caring congregation that seeks to minister not only to the needs around the world, but also to those needs in the local community through its benevolence committee and special offerings.

The people of this church, of course, are citizens of the United States and have been a part of the events that have shaped our life as a nation. The church families have had sons who fought in our country's wars, and some of those made the ultimate sacrifice during the Civil War, World War I, World War II, and Vietnam. The families and the church have not been immune to financial depressions since 1860, nor have they escaped great times of sickness. In October, 1918, no services were held because of the influenza outbreak that killed many people all over the country. In March, 1932, the church had to drop its insurance because of the depression.

A look into the church records reveals many interesting tidbits that give insight into the life of the church and its members at various times throughout history. A few of those are cited here for interest. Baptism was referred to as "at the water" and these services were held in various locations - in Mountain Creek near the bridge on Cornwall Road, at R.V. Blackwell's ford, and in several different farm ponds. In 1886 Z.P. Downey was appointed to buy a box of glass and put windows in the church. He was also asked to hire a horse for the preacher to ride, not to exceed $40. Also during the 1880's, six members were "turned out" for not paying the pastor's salary like they had promised. Around 1894, revivals were called "protracted meetings" and were usually held in July. In 1915,the church decided to clean out a spring on a neighbor's land rather than digging a well. Electricity was installed in the church abount 1944, and the sanctuary light fixtures were given to the church by Oxford National Bank when the bank replaced them in the building now occupied by Capital Bank on Hillsboro Street. In 1949, the church went on record giving right of way to the state highway and public works commission for an all weather hard surface road by the church.

Presently, Mountain Creek Church is alive and well. Sunday School attendance and offerings are both increasing, and the church is experiencing the births of a number of children to young couples. Dr. Delos Miles has been giving strong leadership since becoming pastor in 1995. Recently the church has purchased adjoining land with the hope of constructing a new social hall and additional Sunday School rooms. We look forward to continue searching for God's will among us and passing our Christian heritage to the next generation.

UPDATED HISTORY-PEACE'S CHAPEL BAPTIST CHURCH

Peace's Chapel Baptist Church continues to dedicate itself to the service of God in the Fairport community of Granville County. Currently under the pastorate of the Rev. Felix (Tony) Futrell, the church has a membership of 438. Since being established in 1887,the church has held services continuously. A notable event in recent years included a stand against a proposed state lottery in 1994 and 1995. Also in 1995 long-time church organist Virginia Preddy received recognition for twenty years' service. In 1996 Pastor Futrell announced the formation of a support group of prayer warriors who pray for the pastor and service during the worship hour and who pray for the church community throughout the coming week.

As an arm of outreach into the community, Peace's Chapel voted to begin a Sunday School Ministry at Brantwood Nursing and Retirement Center in 1996. Also in that year the church voted to continue its rest home ministry by including the E.E. Toney facility. (Presently, the Brantwood ministry has been replaced with the Oxford Manor Sunday School Ministry.) That year also saw the addition of a new sound system to the church to enhance the quality of the worship service and to continue the tape ministry to those unable to attend worship services due to declining health.

In 1998 the Peace's Chapel congregation voted to participate in the World Mission Conference on May 15-19.

The congregation sent memorial gifts for former pastor, L.W. Burnette and his wife, Lillian, both of whom died in September, 1998. The Burnettes served the church from July 1973 through 1973 through June 1978.

The church voted in 1999 to authorize the historical committee to create a plaque to honor all members who have served in the United States armed forces. The plaque will be dedicated in a Veteran's Day Service in November, 2000.

The scholarship committee proposed the establishment of the Jason Brooks Memorial Scholarship endowed by Luther and Susan Brooks. Jason, an active member of the youth group, died tragically in an automobile accident.

The congregation sent memorial gifts for former pastor Norman Hicks and wife, Eunice, who served the church from October, 1950 until November, 1956. Mr. Hicks passed away on September 21, 1999, and Mrs. Hicks passed away on January 1, 2000.

Discipleship endeavors included two **Experiencing God** classes and one **Mind of Christ** class.

"Take heed therefore unto yourselves, and to all the flock, over the which the Holy Ghost hath made you overseers, to feed the church of God, which he hath purchased with his own blood." (Acts 20:28)
